QUEEN ANNE'S GRAND JURY CALLED FOR NEXT MONDAY

Judge Thomas J. Keating called a special session of the Queen Anne's county Grand Jury on Monday morning, December 7, at 9'clock.

The twenty-three members of the Grand Inquest will be assembled to investigate charges lodged against Joshua Tiller, a young Negro, who is alleged to have committed a crime for which hanging is the extreme penalty. His accuser is little Marian Walls, four-year-old daughter of Mr. and Mrs. Hiram T. Walls, of near Millington.

The little tot has been constantly under the professional care of Dr. Merritt Brice, of Millington, since the crime was committed several weeks ago.

It is learned that the officers had succeeded in establishing evidence which they are confident will convict Tiller of the crime, without the use of the testimony furnished them by the innocent little victim.

If the presentment is found by the Grand Inquest, the true bill will be submitted to the Court and a date will be named for the trial. Because of the nature of the alleged crime, if a presentment is brought the accused will have the legal right to immediately request that the case be removed to some other court in this circuit. And the Court, under the law, is required to grant the removal regardless of their individual or judicial views.

If the case is to be tried in the Centreville Court, the petit jury will also be called into special session upon the date selected, and a jury impaneled to hear the testimony.

The above amount will be received by the 400 members of our Christmas Club this December. Are you one of these? If you are you will be starting one again in 1926. If you are not, why not come in and talk to us about it.

Ask some of your friends how pleasant it is to get a check for $25, $50 or $100 too weeks before Christmas. Ask them how easy it is to put a little by the first fifty weeks in the year.

Your money does not lie idle. There is accrued interest which is added to the amount on the face of the check.

It has been estimated that about half of the money thus saved is used for buying Christmas presents. The remainder is used for taxes, rent, current bills and Savings Account.

Plan now to join our 1926 Christmas Saving Club. You'll learn to save a little money each week.
