UNION AGRICULTURAL WORKS.

WESTMINSTER, MD.

Wm. H. Harman & Co.,

TAKE this method to acknowledge their kind regards to a generous public for the very liberal support they have received, it has far exceeded their expectations. They now assure the public generally that with enlarged facilities for doing all kinds of work generally done in the best Foundry and Machine Shops in the whole country, they are ready to furnish every article in their line—such in part, as

THRESHERS,
HORSE POWERS,
SPRING TOOTH WHEEL
HORSE RAKES,
PLOUGHS of all kinds and variety, (including the Olmstead Patent Revolving Land Side Plough.)
CORN SHELLERS,
& AGRICULTURAL IMPLEMENTS

generally, at prices as moderate as any other establishment can afford to furnish the same, guaranteeing all MACHINERY manufactured by us.

Having just completed a new and very extensive FOUNDRY, we are now ready to supply

CASTINGS

of all kinds, of superior quality and finish at short notice.

By prompt attention to business, and a determination to maintain the standing and credit of our manufactory, we hope to merit and receive a continuation of the public favor heretofore so generously given.

McCORMICK'S

Mower & Reaper,

WM. H. HARMAN & Co., Sole Agents for the State of Maryland. This Reaper and Mower stands unsurpassed in this country or Europe. We ask nothing more of any honest farmer than to give them a fair trial, where true merit will show itself beyond doubt. We know they will work and give entire satisfaction, for all fair trials and tastes. Messrs. McCormick & Bro say to all who need or intend buy a Reaper or Mower, "Take their machine and try it to your satisfaction *through the Harvest* with any other machine you can get, and keep what pleases you best." These machines combine all modern improvements of any value.

GEISER'S *Patent Self-Regulating Grain Separator, Cleaner and Bagger.*

At a time like the present, when labor is very scarce, it is important that Farmers, who are interested, should give attention to this improvement, which will considerably reduce the expence of Threshing Grain in the common way. This is now considered the best Separator before the public. It is particularly adapted to Farmers for their own use, and will apply to Lever or Railway power, and will Thresh and Clean from 100 to 150 Bushels per day using 100 to six horses and many hands. june 7-1y
