Making History in this

50TH ANNIVERSARY SALE

A lot of history has been made since we began business in Chestertown fifty years ago. Methods of speech, thought and living have changed.

But one thing has stayed the same—the buyer of merchandise wants all he can get for his money and the store which gives him the most gets the business.

That's why this store has grown continiously for fifty years. Every year it has made history in value-giving, now it's exceeding all previous records.
