Kent Mutual Ins. Co. Holds Annual Meeting Monday

The 81st annual meeting of the policy holders of the Mutual Fire Insurance Company of Kent county was held at the company's office in Chestertown Monday and the following officers re-elected:

President—Fred. G. Usilton.

Secretary and Treasurer—Eben F. Perkins.

Directors — Robert G. Nicholson, Edward W. Emory, J. D. Bacchus, Allan A. Harris, T. W. Eliason, Jr., P. Medford Brooks, of Chestertown; Wm. A. Hyland, of Galena; Howard Turner, of Betterton; James P. Brown, of Church Hill; Dudley G. Roe, of Sudlersville.

The condition of the company showed $3,261,079 in force. The net fire losses have been $7,498.32. There was distributed $8,270.03 to the credit of the policy-holders while the revenue was increased to $61,786.22.

The Company recommended an inspection of town premises to the end that rubbish be removed and on ordinance passed requiring all chimneys be made safe.

The question of accident insurance for local fireman occupied the attention of the directors and it is likely some practical plan will be worked out in conjunction with the Fire Company to protect th eloyal members of the Voluteer Fire Company.

Plans for further development of the Company were taken under advisement. It is certainly gratifying to this Company to know that the people of Kent county appreciate its mutual benefits.

CATTLE BOUGHT IN WISCONSIN

Lucian E. Massey, of near Millington, made a trip to Wisconsin last month and purchased 22 Guernsey cows and heifers and a bull. These cattle arrived Monday requiring 7 days in which to make the trip. They are beauties and are ready to be viewed by the public. Mr. Massey is enthusiastic over his trip. He says the farms he visited were mainly devoted to cattle. Cooling stations are paying $4 per hundred for milk while the cows give from 30 to 50 pounds of milk per day. Most of the dairymen use milking machines. All cattle are tested and associations help to keep the business in good shape.
