SOME KENT TOMATO CONTRACTS SIGNED

It is thought that 25 cents will be the prevailing price for tomatoes this year. Wright Dill, of Buck Neck, says he is offering 22 cents while a Broad Neck buyer is only offering 20 cents. In other counties on the Shore 25 cents is the prevailing price.

F. M. Shook, Field Secretary of the Tri-State Packers Association in discussing the present canned goods situation, did not speak in a very encouraging manner. For instance, it is estimated that there is a carry-over of 11,000,000 cases of sugar corn now on hand, and a vast amount of tomatoes are still held by the canners. The average pack of tomatoes for the past several years is said to have been 14,000,000 cases.

Maryland packers according to Mr. Shook's data are paying a considerably higher price for their raw goods than canners in the West. The present spot tomato market is from 82½ cents to 92½ cents according to quality and location, with an average of 85 to 87½ cents. Very few futures sales are being made, the spot and future market being about the same.

Harford packers are offering the growers 40 cents per bushel this season and many packers will operate, if at all, on a restricted acreage.

James Swann, of near Greensboro, has over 200 lambs on his farm.

J. E. BOLTON BREAKS HIP IN 15-FOOT FALL

James E. Bolton, age 68, night clerk at the Hotel Stoeckle, Wilmington, fell from the first floor level to the bottom of the elevator pit about eight o'clock Tuesday morning, and is believed to have sustained a fractured hip.

Mr. Bolton, who has been in the hotel business many years, and has made his home in the Stoeckle for the past several years, went over to the elevator shaft, the door of which had been left up, and stepped out as he thought on the elevator, but the elevator was two floors above. Before he could recover his balance he had fallen down to the bottom of the pit 15 feet below.

The police ambulance was summoned and the injured man removed to the Delaware Hospital. An X-ray picture of the injured portion was taken. His condition at present is not thought to be serious.

HELD FOR DISTRICT COURT

At a hearing in Cahbridge, Md., before Federal Commissioner Daniel C. Willis, Henry Nehus and Harry Ford, of Kent county were held in $500 bail for a hearing in the district Court.

Nehus and Ford were both charged with illegal possession and sale of liquor. Federal agents who made the arrest had made through searches and in each case found mash in the process of fermentation.

Nehus was represented by Attorney W. F. Russell, Jr., who waived a hearing.

Ford had as his council Attorney John D. Urie.

This session before the Federal Commissioner was held on Monday and was the occasion for all the bootlegging cases pending in Kent and Queen Anne's to be heard.

In every case the offenders were held for the session of the District Court.

Whittington's case was heard yesterday and at hour of going to press was in progress. He was represented by Attorney Thos. F. Healey.

LOCAL BILLS ARE ACTED ON

Senator S. Scott Beck, of Kent County, introduced three bond issue bills for this county, two of them for municipal improvements at Rock Hall. One would authorize an issue of $15,000 for a new school and the other of $70,000 for a water supply system. The third would authorize the county to borrow $25,000 for improvements of the county jail at Chestertown, with a referendum.

State Senator Edward J. Colgan, Jr., of Baltimore, said yesterday that the law firm of Karr and Colgan, of which he is a member, would undertake to test the legality of the new lateral roads gasoline tax, increasing the tax 1½ cents per gallon, as soon as it became effective April 1.

With only two dissenting votes, the Senate passed Senator John L. Meyers' bill to authorize the use of voting machines in general elections, special and primary elections thruout the State, and in municipal elections in Baltimore city. Those voting against the measure were Senator Dudley G. Roe, Queen Anne's County, and Senator William A. Gunter, Allegany County. The bill now goes to the House.

Use of the machine is entirely discretionary with the various boards of supervisors of elections, under the terms of the bill, and provision is made for their cost to be entered as a part of the ordinary election expenses.

A bill has passed the Senate which will mean a great help to local merchants. It is to require license for soliciting, taking or receiving orders for purchases or delivery of goods in Kent county under certain conditions.

The proposed legislation to authorize the construction of a bridge- tunnel across Maryland's inland sea from Queen Anne's county, on the east to Anne Arundel county on the west, has been killed in the Senate.

The State game bill has been passed.

Kent County Road Near Worton

The above is a picture of the dirt road between Worton Station and Catt's Corner. This picture was taken on March 10th by Dr. H. B. Simmons. A delegation appeared before the Kent County Commissioners last week asking that this one-half mile road be made a concrete road. It certainly should be improved.

$100,000 TO TRAPPERS IN THIS SECTION

The muskrat season closed March 15th but many hides are still being purchased. Robert Moffett and H. C. Lusby, who have bought hundreds of hides, state that this has been one of the best seasons for many years. They, with Mr. Sklut have purchased more than 20,000 hides mostly muskrats.

Morgan Bennett and Jos. R. Lambert have been big buyers in this market. Mr. Bennett has bought $56,000 worth of hides. The price ranged from $1.75 to $2.60. Mr. Bennett bought 250 opossum and skunk hides. An Eastern Neck Island trapper caught an otter which brought $25.

Mr. Mackie, of Cecilton, has purchased about $50,000 worth of hides in Kent and Cecil.

Gilbert Brooks, colored, of Golt, Md., collided with a telephone pole in front of the home of E. M. Shallcross, early Saturday night, wrecking the car he was driving. He was badly cut about the head and face. He was taken to the office of Dr. John R. Sudler, where his wounds were treated, and was then arrested on a charge of driving an automobile while intoxicated. At the hearing before Magistrate Stevens, he was fined $300 and costs and sentenced to six months in the workhouse.

The Value of Figure Support

The fashionable figure of today, is the most natural figure. But, the natural, uncorseted figure is lovely only as long as it lasts, and most women find it precariously short-lived.

All too soon appears the dangerous age when the easy, graceful poise of the youthful figure passes and the feared middle-age spread commences to hold. It is the wise woman who will guard against this—who will not allow herself to become unattractive in size and contour, and who will at once take herself in hand to check them.

A faulty figure mars the most lavishly gowned individual. And this unattractiveness of figure is due to faulty posture, a result of neglect in proper figure support. Nearly all women need some kind of support at the back, over the hips, and across the abdomen. They need something that will prevent the fatigue posture, which is so common these days, and which shows itself in rounded shoulders or an exaggerated curve at the back, and a protruding stomach.

Barclay Custom Made Corsets overcome all this, and will bring to every woman the smart, stylish lines of the present day mode. Barclay Creations are the very latest, they are always six months ahead of present day styles.

Mrs. Ella M. Reiche, the Corsettier, will be glad to take care of you. Phone 113-R, Chestertown, Md.

WEDDINGS

An interesting wedding took place last Friday evening at Bond M. E. Parsonage, Rev. Mr. Green officiating. The parties were Paul M. Heller, a widower of Rockville, aged 25, and Goldie M. Walker, of Winchester, Va., aged 19. The Ladies' Aid was in session and altho prevented from being in the room witnessed the ceremony thru the window from the outside. Two young men hid behind the organ and stole sly glances at the couple as they stood with their backs to them. Alfred C. Loud was "best" man, at least he held the lamp so that that the preacher could read the ritual. It was a happy occasion for all.

The wedding of Miss Kathleen Urie, formerly of Rock Hall, and G. Alan Rouse, son of Mrs. George Rouse, formerly of Chestertown, now of Baltimore, took place Saturday afternoon. The marriage ceremony was performed by Rev. J. L. Ward, a former pastor of the Christ M. P. Church here, at the parsonage at 1620 North Avenue, Baltimore.

The bridal couple left for a honeymoon to Niagara Falls and will reside in Chambersburg, Pa., where the groom is superintendent of a branch line of the Pennsylvania Railroad.

The marriage of Miss Adele Hynson Crow, daughter of Mr. and Mrs. Wm. R. Crow, to F. E. Yeoman, of Denton, Md., took place Wednesday, March 23rd, in the home of the bride's parents with the Rev. R. W. Lewis and Dr. S. S. Hepburn officiating. The bride was attended by her sisters, Ann Elizabeth as maid of honor and little Rebecca Naudain as flower girl. The bride was attired in Queen's blue crepe with hat to match and carried a shower bouquet of pink roses and sweet peas, the maid of honor in rose crepe and hat to match, carried white roses and sweet peas, the flower girl in white and carried a basket of yellow snap dragons. The brother of the groom acted as best man. Mrs. Gerald Myers played the wedding march and "O' Promise Me." A wedding breakfast was served, after which the bride and groom left for a trip North. They will make their home in Denton, Md. Only the immediate families were present.

HIGH SCHOOL PRINCIPALS MEET IN CHESTERTOWN

Thirty-five High School principals and four county superintendents from Kent, Queen Anne's, Caroline and Talbot counties assembled in the first Eastern Shore group meeting held in connection with what is known as a series of regional conferences being held in various sections of the State as a part of an educational program of the State Board of Education.

The meeting here was in charge of E. Clark Fontaine, Supervisor of High Schools for the Eastern Shore and Anne Arundel county. High school snperintendents included Messrs. Noble, of Caroline; Fogle, of Talbot; Robinson, of Kent, and Bennett, of Queen Anne's.

The entire day was consumed in the discussion of topics pertaining to class-room work and tests.

CHESAPEAKE BRIDGE BILL PASSES

Amendment Is Killed — Delegate Joseph Loses Fight To Require Company To Buy Out Rock Hall Ferry.

Senator S. Scott Beck's Chesapeake Bay bridge bill, which calls for a bridge between Bay Shore and Kent county, was passed after a fight in the House of Delegates. It was passed by the Senate several days ago.

Daniel C. Joseph, Fourth district, offered an amendment to require the bridge company to buy the property franchises and good will of the Baltimore and Eastern Shore Ferry Co., which operates over the route laid out for the bridge.

The amendment was rejected by a vote of 31 to 76.

Mr. Joseph then offered an amendment that the bridge company should be compelled to purchase only the real and personal property of the ferry company. This was rejected by a vote of 34 to 71.

No objection was made in the House to the Senate amendments, which provide that the power of condemnation given the bridge company shall apply only to land necessary for construction of the bridge and immediate approaches thereto and that the company shall pay a franchise tax of 2½ per cent. on the first $500,000 of gross receipts, 3½ per cent. on the next $500,000 and 5½ per cent. on all over $1,000,000.

One-half the tax is to go to the State and the remainder is to be equally divided between Baltimore and Kent counties.

Last week the bill to require persons intending to marry in Maryland to obtain a license 48 hours in advance of the ceremony in the town or country in which they were to be married was killed and Tuesday the bill providing for civil marriages met a similar fate in the House.

OPPOSITION TO SUBSIDIES TO THREE FERRIES

Opposition to expenditure of $66,500 for the three ferry companies operating lines across Chesapeake Bay is developing in both houses of Legislature. The entire Eastern Shore is interested.

The companies that will get the subsidies, if Governor Ritchie's recommendations are approved, are: Baltimore-Tolchester Ferry, $25,000; Annapolis-Claiborne Ferry, $28,000; Bay Shore-Rock Hall Ferry $18,500.

A bill for the creating of a State debt of $400,000 for the construction of a road on the Eastern Shore, to be known as the Crothers Highway in honor of former Governor Austin L. Crothers, of Elkton, was introduced in the Senate.

BASKET BALL FANS BANQUET THE SQUAD

Thursday night last at the Washington College Cafeteria the Washington College basket ball squad were banqueted by the Chestertown fans, sponsored by the Chestertown Rotary Club. Austin F. Shure was master of ceremonies and toasts were responded to by Wm. Frazier Russell, Jr., Esq., Owen F. Knotts, Esq., of Denton; Major Louis E. Lamburn, of Baltimore, and Coach J. Thomas Kibler. A splendid time was enjoyed by all. A roast chicken dinner was served by Manager King with twelve young ladies from the Triangle Club as waitresses.

Coach Kibler feelingly eulogised the whole squad and particularly Jack Carroll and Fred Dumschott and to these latter two on behalf of the fans he presented a fine watch. He also presented the "W" to Carroll, Dumschott, Cavanaugh, Carrington, Giraitis, Dopson and Jacobs.

The 1927 squad consisted of Carroll, Captain; Dumschott, Cavanaugh, Carrington, Giriatis, Dopson, Jacobs, Alexander, Colosanto, Chapman, Norris, Usilton, J. T. Kibler, Coach, Phil Brown, Assistant Coach, Conover Crouse, Manager, Wm. R. Howell, Graduate Manager.
