NOW IS GOOD TIME TO CLEAN CHIMNEYS

Now is the best time for cleaning chimneys "as it will be only a short time before cooler weather will compel the starting of furnace fires. Some places the law requires that chimneys be kept clean and the owner or tenant of a property where fire is caused by a dirty chimney, is liable to a fine for his or her neglect.

The cleaning of the chimney is not only a safeguard against fires, but will result in a more satisfactory heating system, as the chimney clogged with soot will not draw well.

A new Ford sedan, stolen from the Clayton carnival grounds on Saturday evening and owned by Mrs. Schultz of near Galena, Md., was found deserted on Sunday morning by Rural Mail Carrier Howard Townsend, on the road leading from Townsend to Wiggin's Mill. Mr. Townsend noticed the machine there as he passed by in going home on Saturday night and on the following morning took charge of the car to await the arrival of the owner. Mr. Townsend notified the State Highway Department immediately that the car had been reported to them as missing. Mrs. Schultz was notified and her son came after the machine on Monday morning. It was brought on Monday that the thief had stopped at the Hart Garage, near town, and tried to sell the auto, but as Mr. Hart was not there at the time, no action in making the transaction could be taken. The thief disappeared in the darkness and since then no clues have been found to lead to his identity or whereabouts.

WILMINGTON FAIR SEPTEMBER 5-10

As the time for the Wilmington Fair to be given at Elsmere, Sept 5 to 10, inclusive, draws near, things are getting busier and there is a big crowd of mechanics working on and about the fair grounds and buildings, getting everything in shape for the opening on Labor Day.

In addition to the Jersey, Guernsey and Holstein-Friesian cattle there will be a big exhibit of Herefords from the Saint Amour Farm. These are cattle of the Buck and Doe Run Valley Farm.

There will also be three or four herds of Ayreshires from around Nassau Del.

On Tuesday of Fair Week, Grangers from all sections of the State will have their celebration. A program of athletics embracing track and field events will start at 10 o'clock in the morning. These games will have as contestants the winners of the various county contests held earlier in the month. The champions of this meet will be known as the State Champions.

In addition to the harness and running races five days of the week and the automobile races on Saturday, there will be a big cattle parade on Thursday afternoon.

There will be free vaudeville embracing stirring serial acts, band concerts and many thousands of exhibits in fruit, vegetables, poultry, cattle, swine and pet stock in addition to the display of crocheting, knitting, needlework and cooking.

The fair will be open every evening and there will be free vaudeville, a big midway and all the exhibits in operation the same as during the day.

Cleanliness is impossible where there are flies or similar disease carrying household insects. Flies taint everything they touch. Transmit thirty different diseases. Fly-Tox kills flies. It is safe, stainless, sure. Insist on Fly-Tox. Fly-Tox is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Fellowship. Simple instructions on each bottle (blue label) for killing ALL household insents. Fly-Tox fragrance is a symbol of cleanliness.
