CHAUTAUQUA ASSURED HERE FOR NEXT YEAR

The Chestertown Chautauqua closed Sunday evening with a splendid program. The sermon was delivered by Dr. Ewell, of Washington, his theme being "The Lost Chord." This lost chord proved to be "old time religion" with the fundamental truths of Christ's divinity presented in a most impressive manner. Dr. W. F. Corkran in introducing the speaker congratulated the audience in being able to add to the entertainment and education programs of the week the all important spiritual food making a well-rounded character. Dr. N. O. Gibson offered the prayer and Mrs. Merrick Clements directed the hymns. Mrs. Fred. G. Usilton rendered that splendid song "My Pilot" with Miss Louise Russell accompanist.

At the closing entertainment Saturday evening W. F. Russell, Jr., presented Miss Ramsey, the superintendent, with the signed contract for 1928 in a most fitting address. There are over 100 names as guarantors. Mr. Russell thanked all who had worked for the success of the Chautauqua.

DOWNIE BROS. ANIMAL CIRCUS COMING HERE

Gone are the horses from the streets. Gone are the old time ways and methods of yesterday. Going also are the obselete wooden railroad cars and railroad circuses. Keeping abreast of the times Andrew Downie, owner of Downie Bros. Wild Animal Circus has for the past two seasons transported his entire circus on a gigantic fleet of motor trucks. They will be seen here in their entirety one day only Tuesday, September 6th.

In addition to the large menagerie and many trained animals including the herd of performing elephants including "Tena" the smallest trained elephant in the world, there are Downie Bros. group of fighting, jungle bred African lions put thru their paces by Capt. Bob Johnson, one of America's most fearless animal trainers. Also a mixed group consisting of a lion, leopard, bear, goat, dog and lamb all performing in the massive steel arena. In this act the bibical prophecy is fulfilled as the gentle lamb lies down beside the large and ferocious lion. The brute creation that for time unreckonable have waged war dwell in happy harmony and proudly show the proficiency of their intelligence. Lions that ride horseback, tigers that leap thru hoops of fire. Cats, bears, camels and monkeys performing peacefully in one grand group.

Worton Notes

Mrs. A. Rasin, of Chestertown, is visiting at the home of Mr. and Mrs. P. B. Rasin.

Mr. and Mrs. Irving Kroll, who have been spending some time with Mr. and Mrs. Joseph Dwyer, have returned to their home in Forest Park. Mrs. Dwyer and daughter, Miss Ester, accompanied them home.

Mrs. Charles Miller entertained Mrs. Moore, of Lambson on Tuesday

X-RAY AND CHIROPRACTIC

I have installed an X-Ray machine of the latest model and most approved type. The X-Ray reveals conditions that the naked eye cannot possibly see.

True, without an X-Ray a certain percentage of patients get well. But for maximum results the X-Ray is the "doctor's most helpful assistant."

I am using new Chiropractic methods which I taught at the Md. College of Chiropractic. This new method is painless as well as stimulative and soothing to the nerves. Come in for a trial treatment and be convinced of the merits of my Chiropractic and X-Ray Health Service.

If you suffer with such conditions as Headaches, Backaches, Indigestion, Constipation, Nervousness, Insomnia, tired sluggish Liver, or any other ailment, come in without delay, and learn how you can be restored to health.

Until Sept. 6 I will make an X-Ray examination of all new patients for $1.00

Fill Your Silo Quicker and Cheaper

The Papec will fill your silo quicker than you have ever done the job before. It has tremendous capacity—greater this year than ever. The "powerful compression" Self-feed saves a man at the feeding table. You can put him on the wagon or in the field and speed up the filling.

Ton for ton it will cost you less to fill with a Papec. Breakdowns and clogs are almost unknown to Papec users. Many machines run for seven or eight years with no repairs, except a new shear-plate and a set of knives.

The Papec Guarantee assures you the best machine regardless of price, yet the Papec price is relatively low. Let us show you the size you need: 10-inch; 13-inch; 16-inch or 19-inch.

GET AWAY like an arrow from a bow

Buick for 1928 gets away in traffic like an arrow from a bow!

Watch the Buicks next time you drive downtown. See how easily they step out in front when the signal changes. And note how they give other cars the slip in the friendly rivalry of traffic.

You cannot say you know the full meaning of "performance" until you've driven a Buick for 1928.

for Economical Transportation

CHEVROLET

World's Lowest Ton-Mile Cost

Tens of thousands of users have learned by actual comparison that Chevrolet provides the lowest ton-mile cost* in the history of the commercial car industry!

This matchless economy is due to advanced modern design . . . extremely low operation and maintenance costs . . . exceptionally slow depreciation . . . and the most amazing price ever placed on a modern, gear-shift truck—a combination of economy features found in no other commercial car in the world.

Whether you operate one or many trucks, come to our salesroom and learn for yourself how Chevrolet is designed and built to save you money. Go over the chassis, unit by unit. Note the advanced, modern engineering—typified by a powerful valve-in-head motor, with three-speed transmission and sturdy single-plate disc-clutch. Mark the rugged, quality construction throughout; heavy channel steel frame—massive banjo-type rear axle—long, extra-leaved, heavy steel springs, set parallel to the frame.

Then, go for a trial load demonstration—and see how perfectly Chevrolet meets your own haulage requirements!

**Ton-mile cost is the cost of transporting a ton of material one mile—or its equivalent.*

½-Ton Truck Chassis **$395**

1-Ton Truck Chassis $495
1-Ton Truck Chassis with Cab $610
