Editor Edwin H. Brown, of the Centreville Record, made the address before the Washington College students on Thursday morning. His subject was "Success Depends on You." It was a fine address.

THE COMMISSIONERS STARTED REVIEWING NEW ASSESSMENT

The Commissioners started Wednesday on the review of the new assessment, beginning with the First District figures. This is a long and tedious task and will occupy the Board every day except Saturday and Tuesday for at least a month. The Board hopes to finish in January but this is entirely speculative and will depend upon the number of hearings to be held. Cards will be sent out to all those who have had their assessment made, giving them an opportunity to be heard in the matter. As there is an increase made in many cases it will represent a vast amount of detail. The increases in many instances as returned by the assessors, will undoubtedly be sustained and only where the increases are considerable is there any likehood of a change being made. It must be realized that even if the Commissioners approve the returns the State Tax Commission has a right to reject any return.

According to valuations being placed upon Chestertown property, it seems certain that there will be an appreciable increase in the present taxable basis of $1,800,00, upon which a tax rate of 75 cents on the $100 is collected annually.

Land in the most desirable residential sections of the town is being assessed at from $18 to $25 a front foot, which is an increase of from 25 to 50 per cent. on the present valuation.

The same situation exists in Rock Hall, Betterton, Galena, Millington, Massey and Kennedyville. Property in these towns have been raised to some extent.

MRS. ROEDER'S WILL FILED

By the will of Mrs. Henrietta Roeder, admitted to probate in the Orphans' Court here on Tuesday, Shrewsbury parish, one of the oldest Protestant Episcopal parishes in the county is bequeathed the sum of $500, the income from which is to be used in keeping the lot of the deceased in the churchyard in good condition. The remainder of the estate which consists of a valuable farm, town property in Kennedyville, and money in bank is bequathed to Geo. W. Webb, Mrs. Henrietta Dukes, relatives of the deceased, and a sister living in Washington, George W. Webb and W. Bruce Dukes are named administrators in the will. Shortly after the document was filed an attorney for a Mr. Barens, who claims that he is a brother of the testatrix, filed notice of a caveat to the will. The deceased was a widow of George W. Roeder, for many years a prominent commission merchant of Baltimore, in which city Mrs. Roeder resided for a number of years prior to her removal to her late home in Kennedyville.
