IN MEMORIUM

In sad but loving remembrance of my dear father, John W. Robinson, Sr., who was called home one year ago February 2, 1927.

One lonely year has passed dear father
Since angels came for you,
Yet through the most of this long year,
Your face came smiling through.
Each lonely hour that I have spent
Is woven through and through
With golden threads of memory,
Dear father just for you.

Fondly loved but sadly missed by his daughter, Ruth Robinson Cooper.

Overcoming Disease

Statistics show that the length of the average human life is steadily increasing and is much greater than it was half a century or a century ago. Of course this does not mean that the average individual is healthier or stronger. The increase is due chiefly to the conquest of disease, control of epidemics, better infant care, etc.

Electric Transportation

Because an average automobile uses up 100 times as much air as a human being and emits 400 times as much carbon dioxide, it is prophesied that in the future congested population centers will bar them in the interest of public health and all transportation will be by electric power instead

Edmund Sereno Euder, member of the faculty of Peabody Conservatory will give an organ recital in the Chestertown M. E. Church next Tuesday evening under auspices of the By-Kota Club.

Goldfish Bowl Fires

That pretty bowl of goldfish that looks so innocent in your window may set your house on fire by acting as a burning-glass and refracting the sun's rays on inflammable material. Mirrors, too, are dangerous, as well as glass powder-bowls, bottles, and, most of all, shaving mirrors, because they are concave.

ORDER PUBLICATION

Florence M. Street Hall
versus
Francis W. Hall

In the Circuit Court for Kent County, In Equity, No. 2503.

The object of the Bill filed in the above entitled case is to procure a Decree setting aside and annulling marriage.

The Bill states:

1. That your Oratrix, Florence M. Street Hall, is a resident of the City of Philadelphia, State of Pennsylvania.

2. That on the 5th day of April, 1927, she was married to Francis W. Hall at Chestertown, Maryland, with whom she resided in Newark, Delaware, for about two weeks.

3. That while residing in Newark, Delaware, shortly after our marriage I discovered that Francis W. Hall, my husband, was a married man and that he had a wife living at the time of our marriage. As soon as I found this out I confronted my husband with this fact and he admitted it. I then left him and have not seen him since nor do I know of his present whereabouts. I have understood that he was in the State of Delaware.

4. My husband, Francis W. Hall, had been for some time attentive to me prior to our marriage and he always represented himself as a single man, he was a resident of the State of Pennsylvania.

5. There has been no children born as a result of said marriage.

It is thereupon, this 26th day of January, 1928, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 27th day of February next, give notice to the said Francis W. Hall, non-resident defendant, warning him to appear in Court in person, or by Solicitor, on or before the 13th day of March next, to show cause, if any he has, why a Decree ought not to be passed as prayed.
