Every one interested in his own health and the health of his community will be welcomed at this meeting.

RHEUMATISM

While in France with the American Army I obtained a French prescription for the treatment of Rheumatism and Neuritis. I have given this to thousands with wonderful results. The prescription cost me nothing. I ask nothing for it. I will mail it if you will send me your address. A postal will bring it. Write today. PAUL CASE, Dept. Y-9, Brockton, Mass. o1c

RESOLUTIONS OF RESPECT

Resolutions in the death of Mrs. Simmons.

Whereas Our Heavenly Father has removed from our midst Mrs. Cordelia Anna Simmons;

Whereas it is rcalled that she helped so materially in establishing a chapter of the Daughters of the American Revolution in Chestertown, Md., being one of its organizing members,, and

Whereas, her presence was an inspiration to every member and her death will be a personal loss to her former associates,

Resolved, That Od Kent Chapter, Daughters of the American Revolution, has in the death of Mrs. Simmons lost one of its most loyal charter members.

Resolved, further that we wish to bear testimony of her loyalty to her country, her high character, her patience in suffering, her constant endeavor to uplift and to advance her Master's cause.

Resolved, that we commend the bereft husband to Him who doeth all things well.

Resolved, that a capy of these resolutions be sent to her husband, and to the County newspapers and that they be inscribed in the minutes of this chapter as a memorial of love and respect.

"O woman! in our hours of ease
Uncertain, coy and hard to please"—
So wrote Sir Walter long ago.
But how, pray, could he really know?
If woman fair he strove to please,
Where did he get his "hours of ease?"

Geraniums thrive if you feed them cold tea once in a while and hydrangeas seem to like weak coffee. Pour onto the roots only.

Autobiographical Fibs

Literature by man on the subject of women is the most interesting and unreliable in the world. It is unreliable because it is autobiographical and all autobiography is fiction.—American Magazine.
