Historical Periods

The Jacobean period, in Great Britain, extended from 1603 to 1688. It may be divided into three phases; From 1603, when James I ascended the throne, to 1649, when his son, Charles I, was beheaded by Cromwell; 1649 to 1660 is the Commonwealth, or Cromwellian period, and from 1660 to 1688, known as the "Restoration," or "Carolean period."

Preserving Newspapers

The paper upon which modern newspapers are printed becomes brittle when exposed to air for a long time. Some libraries have solved the problem of preserving newspaper files by mounting each sheet between two sheets of thin Japanese tissue. This seals the paper from the air, reducing its legibility but slightly and strengthening the page.

ALL SHORE IN DRY UNIT ON APRIL FIRST

Plans under consideration by prohibition authorities call for the placing of the nine Eastern Shore of Maryland counties under the jurisdiction of George A. Hill, deputy prohibition administrator in chrage of prohibition enforcement in Delaware.

A treasury order signed in Washington recently directed the transfer on April 1 of Delaware from the Eastern Pennsylvania district to the Maryland-District of Columbia District.

Present indications are that in addition to having charge of enforcement activities in Delaware, Mr. Hill under the new arrangement, will be responsible for enforcement in the following counties of Maryland: Cecil, Kent, Queen Anne, Caroline, Talbot, Dorcester, Wicomico, Somerset and Worcester.

It is also probable that shortly after April 1 Mr. Hill will transfer his office from the Old Postoffice building in Wilmington to Dover.

"WORTH WEIGHT IN GOLD"

Verdict of Woman Who Tried Pinkham's Compound

Tully, N. Y.—"It hurt me to walk or sit down without help and I felt sick and weak. My mother-in-law took Lydia E. Pinkham's Vegetable Compound and she induced me to take it. I am now on the fourth bottle and have also used Lydia E. Pinkham's Sanative Wash. The medicines that will do for me what the Vegetable Compound and Sanative Wash have done are certainly worth their weight in gold. I think I have given them a fair trial and I expect to take two more bottles of the Vegetable Compound."—MRS. CHARLES MORGAN, R. F. D. 1, Tully, N. Y.

CHRIST FOR ALL—ALL FOR CHRIST
The Word of God
Thy word is a lamp unto my feet, and a light unto my path.—Psalm 119: 105.

Monday evening that eloquent pulpit orator, Dr. Thos. H Lewis, preached an eloquent sermon. Music was furnished by Christ M. P Church singers. Each evening other speakers and singers delighted audiences.

Special services have been held each evening at Christ M. P. Church the pastor delivering the message. Communion was administered Thursday evening.

St. James and Lynch M. P. Churches

L. Colvin Randall, Pastor

We can not properly state the advance schedule of services for this charge without commenting upon the goodness of God to us in preparing the way for a happy week of services thus far, (Wednesday), and the interest manifested in the services by the group attending them. Surely our speakers have been in the spirit of the Holy Week, and brought messages in accord therewith. Though several services will yet be held ere the Sabbath, the Day of the Resurrection, arrives, it seems evident that the services of the week will be a preparation for the Easter-day. On that day, at 10 a. m., the school will render a program of recitation and song; at 11 a. m., the Easter morning hour of worship, with the pastor Rev. L. C. Randall, preaching on the theme "The Dawn." In these services an opportunity of making a decision to follow Christ public, and to join the membership of the church. At Lynch the program includes Sabbath school at 2 p. m., and the Easter hour of worship at 3 p. m., then turning to the evening, the Lynch Christian Endeavor will visit the St.James Society in what will be their salute to a new season of activity. Mr. H. S. Startt, President of the St. Jame's Society, will be the leader, with Rev F. L. Gibbs, Associate Secretary of the Board of Young People's Work of the M. P. denomination, as the speaker. Mr. Startt has arranged a very attractive program, designed to map out a very effective campaign for the new season. Thus a happy day will be spent together. There is some possibility that a photograph will be taken of those in attendance at the morning services. The C. E. service is scheduled for 7.30 p. m.

This is Ladies' Aid Week? The St. James group meeting with Mrs. Walter Taylor on Tuesday afternoon, and the Lynch Aid with Miss Ida Biggers on Wednesday. Full attendances are anticipated.

Rev. C. W. Clark will return to Betterton-Still Pond Charge for the coming year. There was no preaching service at the M. E. Church last Sunday as the minister was attending conference.

M. E. CONF. WILL MEET IN DELA.

The appointments for the Wilmington M. E. Conference read Monday afternoon by Bishop William F. McDowell show changes in 53 pastorates throughout the conference, of which number there is but one change in the city of Wilmington.

Day after day it becomes more apparent that the unrivaled popularity of the Bigger and Better Chevrolet is due to its basic elements of superiority.

And the greatest factor of all is the effortless driving it provides. It steers with the weight of the hand—for the worm and gear steering mechanism is fitted with ball bearings throughout . . . even at the front axle knuckles. The clutch is velvety smooth in action and the gear-shift lever responds to the lightest touch. Acceleration is swift and certain, while big non-locking four-wheel brakes assure perfect control under every condition of highway and traffic.
