COLLEGE LIFE

Some poets sing of college life
With luxury galons,
Where few "Frat" brothers work all
With luxury galire,
While others sleep and snore.
And in the model college film
We see a wond'rous sight,
Where guys play poker until dawn
And swear with all their might.
But, hark! This stuff is all the bunk
And I can prove it too;
For in our college on the Shore
The rules are stiff like glue.
No, no- That stuff is sure all blah—
And you would also see
If you were here to view the things
That happen; Holy Gee,
Yes—it's too bad the life is tough
But, still, we like it so
That we wouldn't turn it down for work—
Unless we HAD to go.

DR. DOLE WRITES SHORE HISTORY

The new Eastern Shore "Encyclopedia" entitled "Del-Mar-Va- Re-discovered" is to be published about September 1, 1928. In it, Dr. Dole has written a chapter covering the historical aspect of the Del-Mar-Va peninsula.

This volume will deal with the geography, geology, history, agriculture and marketing, industrial development, Del-Mar-Va facts, history and development of education, history of religion, and social aspects of the famous Eastern Shore; each chapter being written by a different authority, well versed on his subject. The book will be used as a text in the fourth year civic classes of high schools on the Shore.

The title of a currently popular song is "He may be your man but he comes to see me sometimes."

WORKBOAT RACES JUNE 16TH

The annual luncheon-meeting of the board of governors of the Chesapeake Bay Championship Workboat Races Asosciation was held last week.

Sea-going superstition, which leaped to the fore when one of the fourteen invited guests failed to appear, were sat throughout the luncheon and meeting apparently none the worse for the experience.

The annual work boat races will be held this year on June 16 off Bay Shore Park. This date was agreed upon at the annual meeting of the association held the night before the 1927 regatta at Oxford, Md., last summer.

An important change—the elimination from the regatta of the race for the undecked skipjacks — was made by the board. It was decided upon because of the scarcity of the undecked shipjacks in the bay and the fact that few of the existing boats of this class are available for racing

The usual number of races for schooners, skipjacks, bugeyes, motor workboats and other classes will be scheduled again this year.

Silver loving cups will be awarded the winners of each race by the association. Prizes also will be awarded in the Hoopers Island sailing skiff and Smith Island crabbing skiff classes.

KENT NEWS $1.50 A YEAR

I may never save a dollar in my life, but I am benefitted by every dollar saved by others which is put to productive use.

When certain people find steady work you know business is booming.

Sold! $17,000 worth of Cars
and less than two-tenths of 1% for the Telephone

In speaking of Long Distance — the sales manager of a well-known automobile company says:
"I consider the TELEPHONE the most valuable, and at the same time the cheapest, sales asset I have."

With only ten long distance calls, costing the sum of $19.50 [one-tenth of one per cent], this man sold $17,000 worth of cars at a considerable profit to himself.

Another prominent motor vehicle concern makes four contacts every month with 300 customers in the smaller buying centers, three of which are made by telephone, and the fourth, by a personal visit of the same salesman. They have found that this method pays best returns.

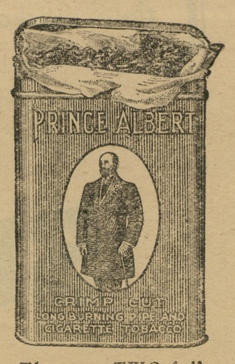
Closer than a tattooed anchor

P.A. and I are like that. Closer than the paper on the wall. P.A. is so companionable, so genuinely friendly. When you open the tidy red tin, you get a fragrant notice of how friendly it's going to be in a pipe. Then you tamp in a load and apply the match.

Man, that taste! Cool as an Eskimo's front porch. Refreshing as arctic sunshine. Mellow and mild and long-burning, with a full, rich tobacco-body that puts you next to a new kind of pipe-joy. Here's a smoke that you can write home about. It's got everything!

They tell me more P.A. is smoked than any other brand. I believe it, and I think I know why. If you don't know the deep-down satisfaction of a jimmy-pipe and Prince Albert, you've been missing the best bet in the whole tobacco-line. I'm giving it to you straight, Men.



There are TWO full ounces of smoke-contentment in every tidy red tin.

PRINCE ALBERT
—the national joy smoke!
