5 Per Cent. Interest on Farm Loans

Since the 5 Per Cent interest rate for farm loans became effective, the Kent and Queen Anne National Farm Loan Association has received applications for loans totaling $73,000, showing the increasing popularity of this cooperative means of securing money.

If you are carrying a 6 per cent mortgage on your farm, which never grows less, why not transfer it to the Federal Land Bank and get the benefit of the 5 per cent interest rate, which reduces your mortgage principal every year.

If you desire to purchase a farm, the Federal Land Bank will finance the loan to the extent of 50 per cent of the purchase price at 5 per cent interest.

No better means of financing farm loans has ever been offered than that afforded by the Federal Land Bank.

Come in and let me talk the matter over with you.

DEL. CHICKEN THEIVES GET 1 YEAR EACH

John Lloyd and George Cloughe were indicted for larceny of turkeys, geese and chickens at the session of the Kent County Court in Dover. A plea of guilty was entered by John Lloyd and he was given a year's imprisonment in the New Castle County Workhouse and ordered to pay $8 restitution money. The cases were the outcome of several robberies near Blackiston's Cross Roads west of Clayton in which the henneries of Jacob Crossley, William Dulin and others were relieved of some of their best fowls. Several cases in which the defendants had entered pleas of not guilty, when arraigned after indictment, changed their pleas of guilty and received sentences. They included the following: Alonza Cale, colored, indicted for larceny of wheat and beans from George Parvis, a farmer living east of Dover, changed his plea to guilty and was sentenced to pay $5 restitution money and be imprisoned for a term of one year in the New Castle County Workhouse. Henry Webb, colored, indicted on two charges, one for carrying concealed a deadly weapon and one for assault with intent to rob, entered a plea of guilty of carrying a revolver and was given a sentence of six months in the New Castle County Workhouse. Wm. P. Waples, indicted for assault with intent to commit murder, changed his plea of not guilty as indicted to that of assault only. Waples also pleaded guilty on information filed by the Attorney-General for assault and battery. Sentences were deferred until next week. In the case of James Amos Brown, colored, indicted for desertion and non-support, the defendant changed his plea to guilty and was ordered by the court to pay his wife the sum of $3 per week, until further order from the court. Robt. Gross, colored, charged with larceny of chickens, entered a plea of guilty, and was given a sentence of one year and ordered to pay $6 restitution money.
