SENATOR BECK GETS SPLENDID VOTE AT HOME

SENATOR BECK CARRIED KENT BY MAJORITY OF 1861

The News feels particularly happy over the vote given Hon. S. Scott Beck in Kent County on Monday; every precinct vied with other in giving a good majority. There were 2,656 votes polled out of a total of 4,313 and only about 370 votes cast their ballots for Mr. Goldsborough. It proves that when it comes to county loyalty the Democrats can rise above faction. Senator Beck is getting a great deal of consolation and pleasure out of the splendid vote given him in his home county. He received over 500 mor votes in Kent than Goldsborough received in Caroline.

A WONDERFUL CHECKER PLAYER

Our Chestertown checker experts did well at Sudlersville last Tuesday night when Newell W. Banks, world's greatest exhibition and blind fold checker player, thrilled a large crowd with simultaneous and blind fold checker playing. He engaged twenty boards simultaneously winning 17 and 3 drawn. Draws were secured by G. B. Russ, Bridgeville, R. W. Barnett and J. N. Wheatley, Chestertown. Wheatley resigned the winning side of Fourth Position, unable to force a win a man up. Banks then played six games at once without sight of the boards, winning 3 and 3 drawn. Phillips, Barclay; Smith, Bridgeville; and Wheatley, of Chestertown, secured the draws. It was a wonderful exhibition of concentration and memory to see Mr Banks skip from board to board calling moves with unerring accuracy despite the various unusual positions involved.

SENATOR BECK CONGRATULATES CONGRESSMAN GOLDSBOROUGH

Senator Beck the morning after the primaries congratulated his successful opponent, Congressman Goldsborough and pledged him his support in the election. If the other counties of the District are as loyal to Congressman Goldsborough as Kent he will be elected by a big majority.

JACKSON WINS IN STATE AND KENT COUNTY

The Jackson and Weller factions of Kent staged one of the most bitter contests in the history of Republican politics in this county.

For weeks, the leaders of the two factions had been making a close canvass of every district. Voters were carefully instructed just how to mark the ticket.

No effort was spared by the faction leaders to get out a big vote, as the control of the Republican party in the State would be determined by the outcome of the various county elections. John N. Bennett, R. R. Hill, J. C. Davis, Henry Brown and others lead the Jackson forces, while A. Parks Rasin, Herbert Urie, Howard F. Owens and others managed the Weller campaign. Over 1200 votes were polled.

The three Jackson delegates elected are Henry Brown, 763; Jos. E. Boyd, 765; and John T. Stryckning, 753. The defeated three were: Lewis S. Price, 617; A. Parks Rasin, 597; and Richard O. Strong, 554.

The results in the State give Jackson a fine working majority in the Convention, which will be held in Baltimore, assuring him of control of the Republican Party.

The Rock Hall Baseball Team is again champions of Kent county. The deciding game played at Rock Hall May 8th, and was played in a drizzling rain. The feature of the game was the pitching of Burgess and the consistent hitting of the entire team. Although they were without the services of their second baseman, F. Wilson, they managed to outhit and outfield the Chestertown. The score was 10 to 7. The members of the winning team are: Jacobs, Trout, Burgess, Wheat, Willson, Sewell, Downey, T. Judefind, A. Judefind, Dowling and Leary.

MAY 30 BIG DAY IN CHESTERTOWN

Plans for the biggest Memorial Day celebration in Kent County history are being worked out by the officers of the Frank M. Jarman Post 36 of the American Legion here.

C. Lee Gill, post commander, has made known that the speaker for the day will be Secretary of State David Winebrenner, 3rd.

The legion post and other civic organizations will march to the Chester Cemetery on Memorial Day and there the Frank M. Jarman Post will decorate the graves of the soldier dead. Mr. Winebrenner will speak at the cemetery.

Following the return of the procession an automobile parade will be held with prizes of $25, $10 and $5 for the best decorated cars. This parade is open to all automobile owners regardless of place of residence.

In the afternoon the Legion will play a ball game with some team not as yet selected and will sponsor an athletic meet. These contests will be held on the Washington College athletic field.

It has been the custom each Memorial Day for several years for the local post of the Legion to sponsor a program as a memorial to the soldier dead of Kent County.

DR. HUMPHRIES TO BE HERE

The audience of Christ M. P. Church will be honored Sunday evening with an address by Dr. G. I Humphries, of Salisbury, and formerly President of the M. P. Conference. He was secured upon request of the Men's Bible Class.

All organizations of men in the town, including lodges, fraternal orders, students of Washington College, Rotary Club, Chamber of Commerce, Fire Company, American Legion and Military Detachment, and Mercantile Section are invited to attend the service either in a body or in delegations. The object is to make the service a great gathering in honor of Mother. President Paul E. Titsworth, of Washington College, will have a part in the service. The service will also be open to the women of the town.

KENT HEROES AT HOME & ABROAD

Charles Root Fitch, the little eight-year-old son of Lieut.-Commander and Mrs. Francis E. Fitch, of Guantamamo Bay, Cuba, was the hero of a very unusual and thrilling rescue last week. He was playing along the seawall with his dog when he saw what he at first thought was a doll or some lifeless object. Then he saw a hand move and heard a muffled cry. It was a two and a half year old girl daughter of the chief petty officer of the station, without a moment's hesitation, he jumped overboard and caught the child and started to shore with her. When he reached there he discovered that the ladder up the seawall to land, the only means of entrance to shore had been knocked away. It is a straight five-foot drop from the top of the wall into the water and the water is fifteen feet deep at this point.

Charles immediately started screaming for help and continued swimming around with the child screaming in terror and fighting him with all her strength. But he still held on to her and didn't lose his courage, even after she got a strangle hold and came very near pulling them both under. His cries had been heard by a great number of people who all rushed to his rescue—some in boats. His older brother Francis Fitch, Jr., reached them first, having been out in his spud-boat when he heard his cries for help. He pulled them both in the boat, Charles still clinging to his little charge, still valiant, tho very much scratched up and battle worn and just about exhausted.

A minute or two longer and it would have been too late but after our interview we knew that it had never occurred to Charles to give up the fight even tho he must have felt at times that it was a losing one. He doesn't understand why he is the hero of Guantanma today. The fleet being in port for the manoevurs was the witness of this gallant rescue by the small hero. So they arranged a conference and held quite a little ceremony and the Admiral presented Charles with a medal and told him he could wear it for life.

The medal of course being a gift and not issued for particular occasion. But notwithstanding, Charles is more elated and proud over his pretty "shining" medal than he is over the fact that he is the acclaimed hero of the Island. This little hero is the grandson of Mr. and Mrs. John P. Ahern, of Millington.

Betterton was crowded Saturday with Boy Scouts from the upper counties on the Shore from Wilmington and other sections of Delaware, for the first annual Eastern Shore rally held under the auspices of the Betterton Troop 1 on the scout camp grounds on the outskirts of town.

The most important feature of the occasion was the presentation of a national certificate of honor to Archie Paul Crew, one of the leading members of the Betterton troop for bravery.

The presentation of the certificate was made by Judge Charles M. Curtis of the Juvenile Court of Wilmington, and chairman of the Wilmington Boy Scout Court of Honor.

Last summer the 15-year-old Scout rescued from drowning Evelyn Bradford, 11-year-old Baltimore girl, who had been swept out into the Chesapeake bay by a strong undertow while bathing at Betterton. Witnesses to the heroic act later testified that the lad used all his Scout knowledge of watercraft after the girl had borne him under the water with a stranglehold. He finally brought her to shore unassisted while terrified onlookers watched him.

Young Crew was sitting on the beach when the girl's cries were heard and plunged into the bay without hesitation. He is a member of Betterton Troop No. 1, and has already been made a member of the national court of honor. He is a "star scout and holds 17 badges. The certificate awarded him was signed by President Coolidge and Daniel Carter Beard national scout commissioner.

A large rat has been playing havoc with a flock of several hundred fine chicks belonging to Mrs. Daisy N. Reinhart, living on Fancy Farm, 3 miles from town. Mrs. Reinhart had been missing the chicks for several days, and upon investigation her son, Billy, who assists in attending to the poultry, found 125 chicks which the rat had killed and had carried to a discarded stove in the brooder house, where it had piled them on the inside of the stove and when found was hiding among what he intended for his winter supply of food.

The annual State session of The Daughters of America will be held in Baltimore next Monday and Tuesday. Chestertown Council No. 58 will be represented by Mrs. Samuel E. Cooper, and Mrs. Fred T. Robinson. Mrs. Annie E. Kirby will also attend the sessions.

LOCAL FIRM TO DISSOLVE PARTNERSHIP

Announcement is made this week of the dissolution of a firm of 22 years standing when Vansant and Newsome bring to an end of parnership that began in 1906. A sale to clear the stock of the firm in being conducted now.

The dissolution will be the result of the retirement of William Vansant the senior member of the firm, who at 78 finds that he is no longer able to continue in business.

Coming along with the announcement is another that a new firm will be established with M. E. Newsome, the present junior member of the firm and Albert Wheat, a clerk in the store, as partners.

Mr. Wheat has been with the firm of Vansant and Newsome since July 1919.

The new firm of Newsome and Wheat will begin its career as soon as the present sale is concluded and the necessary arrangements made.

A PROPOSAL TO HELP FIREMEN

At the annual meeting of the Mutual Fire Insurance Company of Kent County, Md., held Monday, attention was called to the necessity of continued support and maintenance of our local volunteer fire companies. These organizations have become active adjunces to the progress and success of all insurance companies by their effectiveness in saving and protecting property. It is therefore deemed just that ALL insurance companies doing business in this county and in the State pay a tax of 2 per cent on net premiums for the purpose of assisting in maintaining fire departments in incorporated towns.

Such a law has been in operation in Delaware for several years and appaerntly is not imposing any hardship on the insurance companies and is helping materially to maintain their fire companies. Last year the tax paid in Sussex county amounted to $4,037.49 and Kent, Del., $2,338.14.

This is a matter for our local company to consider and for prevention to the State Firemen which meets soon.

TOWN MEETING SEEKING LOWER RATES

There were just fifteen persons present at the public meeting Wednesday called to consider better rates for power and electric lights. Mayor Satterfield presided and Chief Engineer Wolf, of the Public Service Commission, conducted the hearing. Dr. P. E. Titsworth, president of the Chamber of Commerce, opened with a general statement of conditions followed by other citizens and representatives of the Del-Mar-Va Association. Mr. Thompson, of the Electric Light Company, was present and referred all complaints to the Public Service Commission.

At present the demand rate is $1 per horsepower per month plus current used, and it is held that in many instances the demand charge is greater than the cost of the power used Chestertown at present has a higher rate for its electric current than practically any other town on the peninsula it is claimed.

No intimation was given following the meeting what action the Public Service Commission will take. Information gathered at the meeting will be examined by the commission and a decision rendered later.

It is reported that Radio Store is to be enlarged to meet the needs of the American Stores Co., and occupied by them. The Radio Store will rent other quarters.
