HOUSE CLEANING proves the outstanding advantages of the NEW MAYTAG

For homes without electricity, the Maytag is available with in-built gasoline motor.

HOUSECLEANING time will give you an opportunity to see the real value of the Maytag's roomy cast-aluminum, heat-retaining tub.

You can put in those bulky blankets, comforters and rag rugs and wash them as clean as new in record time. You can wash your delicate draperies and curtains with full assurance that they will be treated hand-carefully.

You will like the new Roller Water Remover with Balloon type, never-crush rolls. The tension automatically adjusts itself to a heavy blanket or a thin handkerchief, and there is an automatic feed board.

On your regular washings, you will be delighted to see the stubborn edge dirt of collars and cuffs disappear without hand-rubbing. You can do an entire washing in an hour or so without tiring yourself in the least.

PHONE for a Maytag. A trial washing will show you why it won World Leadership, why it is the world's fastest selling washer. If it doesn't sell itself, don't keep it.
