MONROE NICKERSON IS KILLED

A young man was instantly killed and a Philadelphia aviator critically injured early last Sunday night when an airplane from the municipal airport, Island road and Tinicum avenue, Philadelphia, crashed a short distance from National Park, N. J.

The dead youth was Monroe Nickerson, 22 years old, of Second street National Park. The injured aviator is Emory C. Mallick, 47 years old, of 1938 Mt. Vernon street. He is in Underwood Hospital, at Woodbury.

The accident occurred within view of hundreds of motorists whe were returning from South Jersey seashore points, and many other persons who were watching the airplane's flight.

Nickerson was a passenger in the machine and was occupying a front seat, while the pilot operated the controls from a cockpit in the rear. The young man received the full force of the impact when the airplane crashed, and the pilot's injuries, which include a fractured nose and jaw, were sustained when his face was crushed into the crowling and instrument board immediately before him.

For several weeks Mallick has been making a practice of flying each Sunday from the Municipal Airport to the Harry Ladner farm, on the Delsea drive to take up passengers. Sunday was no exception. Flights were made every few minutes and everything seemed well with the plane until shortly before dusk, when Nickerson decided to take a flight.

The machine left the field easily according to spectators, and had flown about a mile to the south, attaining a height of more than 200 feet when it was seen to careen and slip into a nose dive.

The violence of the impact was so terrific that the engine was buried in the soft, swampy ground.

Among the spectators who rushed to the scene was Policeman Kelly, of West Grove Heights. He, with the assistance of two other persons who were among the first to arrive, managed to extricate the two men. Both were immediately taken to Underwood Hospital, in Woodbury, but Nickerson was pronounced dead on arrivel. He had received a broken neck and a fractured skull, as well as many other injuries.

The dead youth was a graduate of Woodbury High School, where several years ago he starred as an athlete, and he enjoyed wide popularity not only in National Park, but also throughout South Jersey.

Monroe Nickerson's body was brought to Chester Cemetery, Chestertown, and interment made Tuesday. His mother who is buried in Chester Cemetery was a Miss Pennell, of Chestertown. She lost another son by the accidental discharge of a rifle.
