Chicks get from Purina LIFE and GROWTH~

FROM the time chicks step out of their shells, they look to you for protection and care to live and thrive. Poultry yard facts show that more than 90% of the chicks fed Purina Startena and Purina Baby Chick Chow live and grow rapidly into plump broilers and early laying pullets. Isn't it sound business economy to feed Purina, which saves 9 out of 10, instead of average mixtures on which 5 out of 10 chicks die? Come in and let us show you how to save chicks and get them to early maturity.

WINS HIGH PLACE IN METHODISM

Rev. John M. Arters, of Portland, Me., has been elected secretary of the General Conference of the M. E. Church. Next to the Episcopal office itself, this is one of the highest honors within the gift of the denomination. Dr. Arters is a son of the late Rev. John A. Arters, who was one of the veterans of the Wilmington M. E. Conference. He gave up pastoral work to become superintendent of the Anti-Saloon League of Delaware and the Eastern Shore of Maryland, after which he accepted a pastorate in Portland. He is a brother of Mrs. Wm. E. Ringgold, of Chestertown, and well known here.

DR. STRAYER 92 YEARS OLD

Dr. Webster M. Strayer, of Oxford celebrated his ninety-second birthday Saturday. Dr. Strayor is the oldest minister living in the Maryland Annual Conference of the M. P. Church and is in good health.

Like Hannah of Biblical times, his mother was a devout Christian woman and made a vow with God, that if he would bless her with a son she would give him up to the service of the Lord by fitting him for the ministry.

The prayer was answered and W M. Strayer was born on May 25, 1836 in Shenandoah Valley of Virginia. As soon as he was able to understand his mother told him of his life's work At the age of eighteen he was licensed to preach, although long before this, he had served churches where there were no pastor.

Dr. Strayer continued to preach from the time he was eighteen until 1904, when his failing health compelled him to retire. His last charge was Oxford, Talbot county.

During his ministry, he became president of the Maryland Conference and several times was sent as a delegate to the General Conference of the M. P. Church.

His wife died about 14 years ago Since then he has made his home with his son-in-law and daughter, Mr. and Mrs. Wm. H. Hyers at their farm "Plimhimmon," near Oxford. He is the father of six children, two of them ministers, the Rev, Paul Strayer, of Rochester, N. Y., and the Rev C. B. Strayer, of Norwich, Conn.

Dr. Strayer is hale and hearty for his age, reads a great deal without the use of glasses, and his only handicap is his hearing. In spite of his advanced age he is fond of traveling, and last summer paid a visit to his son in Connecticut.

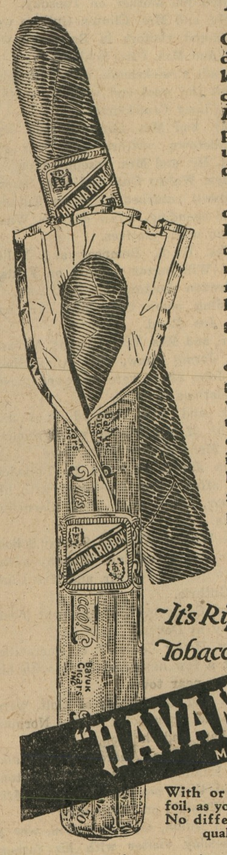
ONE NICKEL
now buys a ripe-tobacco cigar . . . if you know the password



OLD ideas about five-cent cigars are deader than door nails. Bayuk has killed them by putting an amazing new quality in an old-time favorite—*Havana Ribbon*. Modern methods, immense production and the determination to use nothing but fully-ripe tobacco have done it.

Hot-foot it to the nearest cigar counter and get the proof direct. . . . Light up a *Havana Ribbon*. Smoke it critically. Let the smoke linger in your mouth. You'll get the marvelous goodness of *ripe tobacco* quicker than a hungry man can detect the cooking of a good meal.

Havana Ribbon is the world's greatest five-cent cigar. . . . And that's our guarantee—or your money back, if you want it. No bitter under-ripe nor flat-tasting over-ripe tobacco. No "scraps" or short ends to crumble and come out in your mouth. No, sir, nothing but long-filler, flavor-laden, mellow-mild, *ripe* middle leaves of choice tobacco plants. For one nickel!
