A meeting of farm implement dealers was called at the Wicomico Hotel, Salisbury, Monday, for the purpose of forming an implement dealers' association for the Del-Mar-Va peninsula, which would be beneficial to dealers and farmers. The meeting opened with a dinner, attended by 35 representative dealers. By-laws were approved and permanent officers elected as follows: President, Milton L. Pope, Salisbury; vice-president Clinton C. Jones, Chestertown; secretary, Harry C. Bradford, Snow Hill. Paul Comegys, of Millington, is one of the directors.

The last meeting of the P. T. A. of Swan Creek School for the scholastic year was held at the school Tuesday June 5, at 8 p. m., Mrs. W. M. Kenly presiding. Mrs. Evelyn S. Toby was the speaker of the evening. She gave an informal talk upon "Child Training" in all its branches, morally, intelectually, socially and religiously; in the home and in the school. Her handling of the subject was masterly showing she was thoroughly conversant with child nature. Mrs. Tobey is a teacher at Columbia University N. Y., and while Swan Creek has had many excellent speakers during the past year, it feels more than honored in being able to secure one of Mrs. Tobey's caliber. The annual picnic of Swan Creek School will be held on the school grounds June 15, at 2 p. m. Mrs. J. A. Bigelow, Secretary of P. T. A. Swan Creek School.

The Woman's Auxiliary of Emmanuel P. E. Church will meet Monday, June 11th at the Parish House at 3 p. m. Each member is requested to bring a friend. This will be the last meeting for the summer.

United States government authorities show that under favorable conditions with a beginning of one male and one female fly, they may increase in one season to over 50,500,000,000,000 flies. This shows the need of FLY-TOX. FLY-TOX is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Fellowship. Simple instructions on each bottle (blue label) for killing ALL household insects. INSIST on FLY-TOX. It is safe, stainless, fragrant, sure.—Adv.

Senator S. Scott Beck, Allan A. Harris, James T. Dixon, Dr. E. A. Scott, Chas. L. Dodd, Wm. B. Usilton, Chas. H. Brice, Arthur H. Brice and James G. Metcalfe, all directors of the Chestertown Bank of Maryland, made a two-day trip this week inspecting various bank buildings on the Eastern Shore and in Delaware. Mr. Simon Westcott, the affable representative of Lucas Bros., accompanied the party as chaperon.

Henry C. Matthews, son of Mr. and Mrs. J. S. Matthews, of Warton, was among those who received their diplomas at the joint commencement exercises of the University of Maryland in Baltimore. He will receive the degree of B. A. in the College of Arts and Sciences. "Andy" has made a national name for himself through his track work at the University and has broken three records and tied another. He holds records for the 220-yard dash in 21 and 2-5 seconds the high jump at 5 ft. 10 in., the broad jump at 22 ft. 8½ inches. He has tied for the 100-yard dash with Curley Byrd with a record of 10 seconds. Matthews captained the track team for this year and ran anchor on the relay team. In losing Matthews the University will lose one of its most valuable athletes.

MRS. EVANS IN AUTO CRASH

Mrs. Eleanor Evans, who has been making her home in Chestertown at the residence of Mrs. B. F. Fleming and who has a daughter attending the college, met with an automobile accident Saturday. She is a resident of New York and was returning alone from a trip to New York, for the commencement exercises, when she was injured in the collision.

The crash occurred Saturday afternoon at the Milford-Harrington crossroads near Harrington, Del., when Mrs. Evans' car, going east, and an automobile, occupied by members of the family of Roger L. Williams, of 1106 West Second street, Wilmington collided. Mrs. Evans' machine was badly wrecked. Marion Lowe, age 10 of Wilmington, a niece of Mr. Mulligan, who was in the other machine suffered a broken collarbone, and with Mrs. Evans was taken to the Milford Emergency Hospital, where she is improving.

Mrs. Evans was unconscious until Sunday morning. X-ray photographs were taken to determine whether or not she suffered a fractured skull. Examinations proved there was only bruises and some cuts. She hopes to be out of the hospital in a few days.

Mrs. Evans is well known in Sussex county, where she was born. She owns a kennel of prize dogs which she keeps at Bethany Beach, and had a pet dog with her at time of accident. It was not hurt. Many of them have won ribbons at various shows. She is the mother-in-law of William Gates, automobile manufacturer of New York.

Thomas J. Davis and Robert G. Nicholson state that there is a fine prospect for a big wheat crop in Kent.

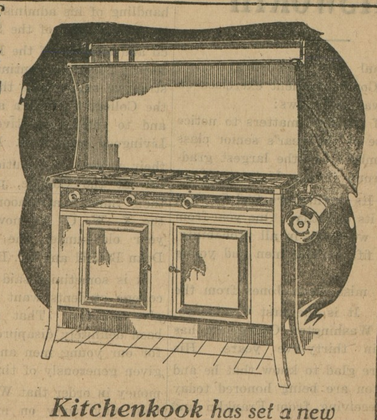
How long should it take to boil water?



2 qts. of water raised from 45° to boiling
-in 6 min. on the new KITCHENKOOK
-in 7½ min. on an ordinary city gas range
-in 21 min. on a popular make of kerosene range

These figures are the result of scientific tests made in the engineering Department of a leading American University. They are given here to show the progress which is being made in the development of the cook stove.

Kitchenkook has set a new High Mark in Cooking Speed

Comparative tests show that the *Kitchenkook* is faster than any other type of cook stove; faster even than city gas, the usual standard for comparison.

Kitchenkook makes its own gas from common gasoline, bringing to homes located beyond the reach of gas all the convenience, cleanliness and comfort of city gas service. It's different from any stove you have ever used. No wicks or chimneys, no smoke, soot or kerosene odor. Master burner lights in less than one minute; then all burners turn on or off as wanted, just like gas. No waiting, no delay; fire regulated instantly just as you want it. *Kitchenkook* is so simple children can use it in perfect safety.

Don't fail to ask us for a demonstration of the wonder stove that is revolutionizing the whole industry, the most talked of stove today. Made in 16 attractive popular priced models, including white porcelain enamel ranges, with oven and broiler.
