Kent News

SATURDAY, SEPTEMBER 1, 1928

Hon. Carville D. Benson, chairman of the State Democratic Advisory Campaign Committee will attend the Democratic meeting in Chestertown next Thursday night to help organize for the campaign.

WORTHY OPINIONS

Hon. Josephus Daniels, of North Carolina—"Our campaign in North Carolina will not get under way until September first. The State Chairman is organizing the State by districts and he reports that conditions are favorable. There is a thorough organization in all districts and he is confident that the State will continue in the Democratic column.

As between a President who will honestly attempt to enforce the law regardless of his personal conviction and the party which for eight years has failed most lamentably to enforce the law, I think the people of North Carolina will choose the former.

Hon. Evans Woolens, of Indianapolis—"President Coolidge carried Indiana by 220,000 in 1924. Two year ago Senator Watson carried the State by 12,000. The influences that brought about that change are still operative. Accordingly, I believe that we have the 'makings' of a Democratic victory this autumn. It is to be said, however, that probably in no other State are there as many cross currents in politics as in Indiana."

Hon. M. M. Neely, U. S. Senator from West Virginia—"Through long years of public service our candidate's integrity has never been questioned; his honesty has never been challenged; his statesmanship has never been doubted; his fidelity has never been denied. He embodies the Democracy of Jefferson, the courage of Jackson, and the statesmanship of Wilson."

Senator Thomas J. Walsh, of Montana—"If one is to be judged by his political associates, haw shell the Republican nominee escape condemnation? He sat in the Cabinet with Fall and Daugherty without even raising his hand to thwart their villianies while they were being perpetrated or raising his voice in condemnation of them after they were exposed. The shocking iniquities of two other official associates, Forbes and Mellon, escaped his notice if they were not shielded by his tolerance. As remarked by a shrewd lady in a letter made public by the press: 'If from his vantage point he didn't know in a general way what was going on, he hasn't sagacity enough to be President of the United States.' "

Senator Royal S. Copeland, of New York—"There is a growing conviction that the high office of the Presidency requires a man with wide administrative experience. It is not easy to take up the problems of Government, with the manifold issues and the great numbers of departments without having a ma nin general charge who has had similar experience elsewhere. On this account, a man of Governor Smith's experience is needed in that office. There is no question in my mind about his election."

HOSPITAL NEEDS EQUIPMENT

Work on the Kent County Hospital is being hurried as there is already a waiting list of patients for the removal of tonsils and adenoids. The redecorating will be finished this week in order to allow the installation of equipment on September 4.

The following needs are being publicized and all Kent Countians are asked to contribute and to get in touch with the heads of the committees before the opening date of the hospital, September 8.

Mrs. Don Falls, Sheet Committee sheets to be 72x108 inches.

Mrs. D. B. Ford, Pillow Cases, size desired, 36x42.

Mrs. W. T. Brown, Towels, guest size, linen huck and Turkish bath towels.

Rev. Ivanhoe Willis, Rubber Sheets 36x54, Mrs. Nell C. Westcott will act as Mr. Willis's assistant in Chestertown.

Glasses and unbreakable white enamel pitchers are also needed.

On Saturday, September 8th, the hospital will be open to the public for inspection from 2 until 8 p. m.

Mrs. Katherine Stuart's resignation has been accepted by the Executive Committee of the Kent County Public Health Association to take effect October 1st, 1928. Miss Margaret White, a graduate of Garfield Hospital, Washington, D. C., whose home is in Prince George's County, Md., has been appointed successor to Mrs. Stuart. Miss White spent a day in Kent last week in conference with Dr. R. G. Beachley and members of the Executive Committee, Garfield Hospital is said to rank foremost among the hospitals of the District. Miss White has the highest recommendations from her superiors and co-workers.

At a regular meeting of the Board of Directors of the Queen Anne's National Bank last Tuesday, J. Louis Rhodes, vice president of the bank was elected president to succeed Walter T. Wright. Mr. Rhodes was elected to fill this position until the annual meeting of the stockholders, which will be held during the early part of January, 1929.

HARFORD COUNTY ROADS TERRIBLY DAMAGED

Successive heavy storms, topped off by Friday evening's record-breaker which hit upper Harford county, have literally cut the county roads to pieces, and will cost taxpayers many, many thousands of dollars. Older citizens declare that the damage to roads exceeds anything which has occurred since the record storm of 1885. Be that as it may, it is conservatively estimated that it will take $65,000 to put Harford roads in their former condition.

With road funds already pretty well expended it means that commissioners in some districts are left no choice but to over-draft, as numerous bridges must be made safe and roads at least passable.—From Bel Air Aegis.
