Ring Symbol of Slavery?

Although the wedding ring is used by almost all peoples as a symbol of marriage, its origin is in doubt. Some attribute it to the Vikings, but its use in the Mediterranean in ancient days points to its origin as a symbol of slavery.

THE F. H. SMITH CO. DIVIDENDS

The Board of Directors of The F. H. Smith Company have declared the regular semi-annual dividend of $3.75 per share on the outstanding 7½ per cent cumulative preferred stock, and of $3.50 per share on the outstanding 7 per cent cumulative preferred stock payable September 15 to the respective preferred stocks of rcord Sept 5, 1928.

James M. Hepbron, native of Kent county and now managing director of the Baltimore Criminal Justice Commission, will address the Easton Rotary Club next Wednesday night on "Comparative Crime Statistics in Europe and America." Mr. Hepbron, who has recently been made secretary of the United States Federation of Justice, is a special feature writer for The Sunday Sun and The Evening Sun and has recently returned from a two months' investigation of crime and crime prevention methods in Europe. While in Paris he acted as secretary of the British and American group of delegates attending the International Conference of Social Work.

Young Wife—Mother, I can't live with Arthur. He made faces at me and told me to go the devil.

Mother—And what did you do?

Young Wife—I came right home to you.

In loving memory of our son and brother, Philip Perry, who died Sept. 10th, 1926.

Gone, dear Phil, gone forever,
Two sad years have passed away—
You are gone but not forgotten,
As we think of you each day,
Ever in my memory do I see your loving smile.
And a longing just to see you
Increases all the while,
May peace be yours sublime and sweet,
Until some day again we meet.

By his Father, Mother, Sisters and Brothers.

QUAKER NECK

George Deford returned home on Saturday after a two weeks visit to relatives in Wilmington. George has been afflicted with rheumatism, but is improving slowly.

Mr. and Mrs. Peter Benton of Washington, D. C., visited the latter's parents, Mr. and Mrs. Ed. Lucht, over the week-end.

Mr. and Mrs. Vernon Mellott and Mr. and Mrs. Raymond Cornell and son, of Wilmington, spent Sunday in the home of Mr. Mellott's sister, Mrs R. H. Starr.

Oscar Faucett's daughter and son-in-law, and children from Morristown, Pa., visited Mr. Faucett's family over Sunday.

Jesse Hurd and Clarence and J. W. Deshong, of Wilmington visited their uncle T. R. Starr on Monday.

A thief in the shape of an Opossum entered the roost of Henry Chaires and killed two hens Sunday night before he himself was killed.

Rev. S. B. Bradley was calling among friends in Quaker Neck last week.

Mr. Bradley is the successful pastor of Crompton and Union Churches and has many friends in this vicinity.

Quaker Neck farmers are getting ready to try to save a part of their corn crop. Owing to labor demanding exorbitant prices quite a good bit will be fed in the field.

"I consider it very remarkable, madam, that your husband lived as long as he did."

"Yes, sir; but, you see, we lived away out there in the wilderness, where we couldn't get to a doctor."

Babies must be protected from flies. Besides their torment and tortue, flies transmit over thirty different diseases. Any one of which may prove fatal. Every fly you see must be killed. INSIST upon and get the scientific product developed at Mellon Institute of Industrial Research by Rex Research Fellowship. It is fragrant and harmless to mankind but sure death to all household insects. Just follow instructions on blue label of bottle. Insist on FLY-TOX from your retailer.—Adv.

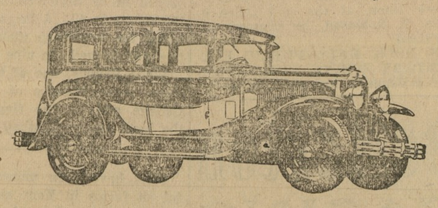
The new Buick is the new Style



More than handsome···more than luxurious···a wonderful *new type* of motor car beauty··a *thrilling turning point* in body design

It will be imitated, of course! The new, the fine and the beautiful always inspire emulation. But so great is the cost of building the magnificent new Fisher bodies for the Silver Anniversary Buick that imitation will be possible only to much costlier cars, and even these will find difficulty in following where Buick leads!

$1,500,000 has been expended in manufacturing the dies alone for the new Buick bodies; and the gracefully curving side panels which form one of their distinguishing characteristics represent the most expensive steel paneling work employed on any automobile in the world!

But it is not in the matchless grace and beauty of exterior design alone that the Silver Anniversary Buick eclipses other cars. In fleet, powerful performance too, the world holds no equal for the Silver Anniversary Buick with Masterpiece Bodies by Fisher. And the motor-public, buying in such tremendous volume as to force the great Buick factories to work day and night to supply the demand, is elevating it to the prominence of a vogue!
