M. P. CONFERENCE DATE IS CHANGED TO JUNE

The date of the meeting of the Maryland annual conference of the Methodist Protestant Church was changed to the second Wednesday in June at the session Saturday.

A lengthy debate preceded the selection of the date, some wanting it in the first week in May and others advising that, since a change was believed advisable, the conference revert to the first Wednesday in April.

The latter proposition was voted upon and defeated overwhelmingly. Then came the amendment to the report of the conference date committee which called for a meeting inMay, and this, too, was defeated by a vote of approximately three to one. The final vote, to concur in the committee report, was almost unanimous.

The fourth quarterly meeting of the Woman's Foreign Missionary Society of the Middltown District was held in Betterton, Friday, September 14th, with the president, Mrs. Harvey Moore, in the chair. The reports of the officers were very interesting and showed progress in the work. The same officers were re-elected with the exception of the Recording Secretary, the Superintendent of Young People's Work and the committee on Pulicity. The roll call of the auxiliaries showed all but four represented. These meetings are an inspiration to every auxiliary attending. Let us have a hundred per cent attendance at the meeting held the second Friday in December. The place of meeting has not been arranged for.

Bishop Davenport's eighth anniversary of his consecration was observed at Trinity Cathedral in Easton Saturday. It was also the day when the United Thank Offering of all the women of the Diocese is made. The offering is expected to go beyond the $3,000 mark.

COULD NOT GET OUT OF BED
Lydia E. Pinkham's Vegetable Compound Strengthened Her

Elkhart, Ind.—"I had a tired feeling and was unable to get out of bed without the help of my husband. We heard of the Vegetable Compound and decided to try it. I am still taking it and it sure is a help to me. I can do my work without resting before I am through. I know that if women will give the Vegetable Compound a trial they can overcome those tired and worn-out feelings. I cannot express the happiness I have received and how completely it has made over my home."—Mrs. D. H. Sibert, 1326 Laurel St., Elkhart, Indiana.
