MRS. SACHS WINNER OF COACH

Mrs. A. Sachs, of Salisbury, Md., was the winner of the Chevrolet Coach given away by the Sharptown Firemen at their Carnival according to an announcement of the Department. The winner formerly lived in Chestertown.

At a meeting of Delaware Grange Monday night there was a discussion on the recent increase of one cent a quart for milk. The producer, the farmer, is benefitted in this increase by only one-quarter cent a quart, it was reported, while the dealer receives the remaining three-quarters of a cent. The farmers feel that this is highly unfair to them, as they are the ones to suffer from the shortage of milk due to the lack of crops from the dry season. While no definite action was taken, a protest will in all probability be made, and a more fair arrangement for the producer will be asked.
