FINER THINGS OF LIFE

Many of us in these swift, swirling times ovelook the finer things of life. How often do we read a bit of poetry How often do you listen to the strains of inspiring music? How often do you read some Bible verses Yes, we know many of our readers will deride this suggestion, for some think of life only in terms of sensual pleasures, work profits. Yet the fact remains that in poetry and music, wherever found, abide the finer and more ennobling things of life. The great author, Charles Darwin, thought so. He once said:

"If I hay my life to live over, I would have made a rule to read some poetry and to listen to some music at least once a week, for perhaps the parts of my brain now atrophied would thus have been kept alive thru use. The loss of these tastes is a loss of happiness and may possibly be injurious to the intellect, and more probably to the moral character, by enfeebling the emotional part of our nature."

At a special meeting of the By-Kota Club of the M. E. Church held at the home of Mrs. Walter Walbert the following officers were installed for the ensuing year: President, Miss Mildred Barwick; vice-president, Mrs. Myrtle Sutton; recording secretary, Miss Marian Caldwell; corresponding secretary, Miss Elizabeth Willis; financial secretary, Miss Margaret Barwick; treasurer, Mrs. Agnes Fowler; assistant treasurer, Mrs. Reginia Kirby; chairman social service committee, Miss Louise Brown; program committee, Mrs. Mildred Bishop; orphanage, Mrs. Mary Pennington; membership, Miss Cornelia Davis.

The club is planning to begin the Fall and Winter activities after a lapse of the Summer months, and a full program of religious, social, and charitable work is being planned.

The annual meeting of the Kent County Unit of the State Lord's Day Alliance was held Sunday afternoon in the Christ M. P. Church, the principal speakers at which were Dr. W. W. Davis, superintendent of the State Lard's Alliance and the Rev. Dr. Leonard B. Smith, president of the Maryland Conference. A large audience attended. Dr. Fred G. Livingood played a violin solo.

Dedication services will be held at Starr M. E. Church near Centreville for the new ly erected church house there. The morning service at 10.30, sermon by Rev. E. L. Hoffecker; praise and prayer service at 2.15 p. m., followed by the sermon by Rev. J. L. Johnson, District Superintendent, and dedication of the church house. At 7.30 p. m. the song service will be followed by the sermon by Rev. W. G. Harris. Special music.

Currency Rule

According to Gresham's law, when two kinds of currency are in circulation the inferior or more depreciated one tends to drive the other out of circulation, owing to the hoarding and exportation of the latter. In other words, "bad money drives good money out of circulation." The law was first clearly stated by Sir Thomas Gresham, an English diplomat and merchant, who died in 1579.

REVIVAL AT KENNEDYVILLE
