DEMOCRATIC MEETINGS

Democratic Mass Meetings will be held as follows:

FRIDAY, OCTOBER 31, 1930
At 8.00 P. M.
AT PINEY NECK

SATURDAY, NOVEMBER 1, 1930
At 8.00 P. M.
AT ROCK HALL

Congressman Goldsborough will be one of the speakers at the Rock Hall meeting.

Both ladies and gentlemen are invited to both of these meetings.

The list of nominations, in the order and form in which they will appear on the official ballots, is published elsewhere in this issue, by authority of the Board of Supervisors of Elections. The question of calling a Constitutional Convention, and a Proposed amendment to the Constitution of this State are also submitted to the voters.

Every voter should study the ballot and familiarize himself with it.

Comptroller Gordy at the Democratic meeting made a hit when he said that we have had three great Presidents as follows: "Washington freed the U. S. from Great Britain, Lincoln freed the colored race and Hoover freed the working man."

Democrats should ponder well the fact that throughout this campaign Republicans have found nothing in the record or qualifications of any Democrat on the ticket. This certainly means that Democratic candidates are the equals, at least, in every way of their Republican opponents. Why then should Democrats vote against their candidates when even the enemy admits, by its silence that the Democratic candidates stand clean.

Suggest to our subscribers that they read very carefully a speech Congressman T. Alan Goldsborough is sending out entitled, "The Tariff Bill." It explains what the tariff is, and the effect of tariff, very clearly and very briefly.

The Chestertown Electric Light & Power Company is building lines across the Chester river into the Rich Neck section of Queen Anne's county and power will be ready for service January 1. The present territory affected is a three-quarter mile radius from the eastern terminus of the span. The local company will also furnish power for the operation of the new draw on the concrete State bridge now being completed and for the lightning system of the new structure.

ONLY 499 WHITE REPUBLICANS IN KENT COUNTY

The result of this year's registration shows that the Republican party of Kent county is composed of 2070 colored and 499 white Republicans. The Democratic party in Kent is composed of 4689 white women and men. This is one of the many seasons why we say every Democrat should vote the Democratic ticket from top to bottom. We cannot afford to do otherwise.

OFFICIAL BALLOT LARGE

The official ballot to be used in the election on November 6th in Kent county will be a big one, larger in fact than any in recent years. The size and arrangement are provided by law and there is no discretion on the part of the Supervisors of Election, save in the placing of the various groups of offices to be voted for.

There are five gubernatorial tickets to be printed on the ballot, Democratic, Republican, Socialist, Labor, and Communist parties and each of these require five spaces. There will be 27 candidates for county offices and two for Congress and two constitutional amendments all to be printed on the ballot.

There will be printed on the back of the ballot simply that it is for Kent county use on the Fourth of November, 1930, and with the signature of C. Frank Crow, president of the Board of Election Supervisors. There will be no blank spaces on the ballot as heretofore, as it was found that a very insignificant per cent of voters used such spaces and they made the ballot unduly large.

2070 Col. Voters In Kent County

The NEWS last week made an error in stating that there were 2270 colored voters. This should be 2070. Thus the Republicans lose 200 solid colored votes which the NEWS had given them.

GIVES OYSTER BAR STAND

Governor Ritchie said at Centreville that he had been surprised at the number of inquiries he had received concerning his stand on the question of the natural oyster bars of the State. Throughout his entire administration he firmly has been opposed to the leasing of these natural bars to private interests, he asserted.

Some time ago a project arose in the Legislature for the leasing of certain natural bars to private interests. It was understood at the time that these bars were barren. When it was found they were not, the Governor declared, he had the bill withdrawn form the Legislature. He would continue to oppose the leasing of natural bars to private interests, he stated.

THE CAMPAIGN IN KENT COUNTY

The Democratic party of Kent, in conducting its campaign for the election of its candidates, is not on the defensive. It has not had to be .The merit of the case alone has made the appeal.

The campaign that the Democratic party is conducting is dignified. This alone appeals to the best popular mind. No one has been maligned. No false reports have been circulated. There will be no apologies needed in the future. A dignified presentation for men and measures has been the entire course.

On these merits alone the candidates of the Democratic party stand for election. Either on an unquestioned record for accomplishments for the county's good or on the assurance of effective work guaranteed by personal characteristics beyond denial the candidates are before the people for election. More than this can not be said.

Those who have been in office and are candidates for re-election have their enviable record to "speak loudly their worth." Those who present themselves anew have come with ability and personal requirements that in every respect fit them for the office they seek, and assure the voter that no mistakes will be made in electing them.

The entire Democratic ticket stands on its merit. We are happy in advocating the election of such a strong and meritorious list of candidates. Their own records are best heralds. We can but add endorsement and urge their election in the interest of the best good for Kent County.

OCTOBER COURT NOW IN SESSION

The October term of the Circuit Court for Kent County convened here on Monday morning. Bringing in nine presentations and nine true bills the Grand Jury finished its work on Tuesday afternoon and was dismissed with the thanks of the Court by Associate Judge Lewin W. Wickes, who has been presiding at the sessions.

Court was adjourned at noon Monday until 9.30 Thursday morning when several liquor cases were brought to trial. State's Attorney Stephen R. Collins has expressed a belief that the sessions of the Court will be ended Saturday, making the present term one of the shortest October sessions on record.

In addition to Forman J. Raymond Simpers the members of the Grand Jury were: S. Herman McCauley, Harry J. Hill, George W. Watts, Jos B. Metcalfe, John R. Dowling, Jr. Charles H. Skirven, A. Leon Brown, R. Bradford Johnson, Herbert S.Ford, Ernest W. Horsey, Wm. F. Malin, Howard O. Donnelly, Archibald D. Ramage, J. Edgar Strong, Walter Clayton, Frank A. Roeder, George W. Owens, A. Carroll Willson, Edw W. Wilkins, Emory H. Camp and Jas. Archibald.

Drawn for duty on the Petit Jury were Thomas S. Silcox, M. Elwood Baker, Charles H. Hudson, W. Tilden Brice, Jr., S. Herbert Lusby, Carroll Clark, Howard Clendaniel, Wm. H Coney, William Camella, John C Willson, T. H. M. Bramble, W. E. Brown, Joseph C. Gibbs, George W. Sutton, Walter B. Harris, A. L. Sparks, Joseph D. Hynson, James Alexander, Alwyn W. Stavely, George C. Hadaway, J. Robert Lewis, W. D. LeCates, H. D. Hendrickson, W. C. Francis and Thomas W. Eliason.

Presentments were brought in against Ralph Freeman, Mary Pryor, John F. Usilton, John, alias Jake, Pryor, Edward Hudson, Mrs. W. T. Downey, Louise Murray, Chas. Morris and Willie Richmond. True bills were found against the same.

Watson Wilmer was sentenced to the House of Correction for four months for an assault on Herman Crew.

Samuel Tiller, charge with disorderly conduct, plead not guilty. He was tried by the Court, found guilty and sentenced to a fine of $25.00 or thirty days in the county jail.

Mrs. W. T. Downey plead guilty to forgery on two counts. She was tried by the Court, found guilty and sentenced suspended until January 19, 1931, upon restoration of money to owners.

Edward Hudson plead guilty to non-support of minor children. He was tried by the Court, found guilty and sentenced suspended upon payment of $4 a week to Mrs. Hudson for support of children.

Wilbur Groves plead not guilty to charge of chicken stealing. He was tried before the Court, found guilty and sentenced to three months in the Maryland House of Correction.

Willie Richmond plead not guilty to a charge of forgery. He was tried before the Court, found guilty, and sentenced to eighteen months in the Maryland House of Correction.

Louise Murray plead guilty to receiving stolen goods. Tried before the Court, found guilty and sentence suspended. She was paroled in the custody of W. W. Hubbard.

Charles Morris, charged with larceny was tried before a jury and acquitted.

Court met Thursday with Hon. Lewin W. Wickes on the Bench. Two well-known "liquor" cases were tried one before a jury and the other entered a plea of guilty. Mary Pryor, a well-known keeper of an up-town restaurant, was convicted of selling liquor to two white detectives. She was sentenced to 12 months in House of Correction or pay a fine of $500. her husband, Jake, who plead guilty, was sentenced to 10 months in House of Correction or pay a fine of $500. The witnesses in these two cases were employees of an attractive white lady who has a detective agency in Baltimore.

There is another liquor case from Rock Hall which will likely be tried next Tuesday.

The Court was occupied all day yesterday with a murder case. State's Attorney Collins is representing the State and Thos. H. Healey the defense. A. L. Sparks is foreman of the jury which was completed about 11 A. M.

Ralph Freeman, aged 29, a Fairlee Negro, is charged with the murder on May 12th, 1930, of Azaria H. Butler, aged 25, also colored, of the same place. The slaying took place in Fairlee.

Butler had been in New York for a year and had returned home Monday. An old grudge between the two Negroes was renewed. Freeman confessed that following a fist fight on the street, he went home, secured a single barrel shot gun and returning opened fire on Butler. Reloading the gun while his victim staggered along the street, he emptied three loads in Butler's body. Butler fell dead. Freeman gave himself up to Deputy Sheriff Randolph Waddell.

The case will likely be concluded today.
