### Kennedyville Church Social

The Cheerful Worker Class of Kennedyville M. P. Church held their monthly business and social meeting on Thursday evening at the home of their teacher, Mrs. George Glenn. The meeting opened with the song "Work for the Night Is Coming," then had prayer.

After the scripture lesson was read another song "Wonderful Words," was sung. The roll was then called and each member paid their monthly dues and repeated a Bible verse on "Faith." Every member was present except one.

After the minutes were read and the business part of the meeting was over; the Bible study, on the book of "Jonah," was taken up and explained. After this the literary program was as follows:

Instrumental solo, Christmas Chimes, by Alice Kennedy; reading selection, entitled I'll Never Steal Again," by Bernice Scotten; vocal solo, Beautiful Ohia, by Kathryn Atwell, accompanied by Mrs. Glenn; reading, entitled Does This Railroad Lead to Heaven," by Mrs. Glenn; Instrumental solo, Little Bernice Waltz, by Nola Hill; refreshments were then served and a pleasant time spent socially.

On Sunday morning at Kennedyville M. P. Church after the pastor's sermon the Sacraments of the Lord's Supper was impressively administered.

The duet, Calvary, was sung by Mrs. Glenn and Mr. Fogwell. In the evening service Miss Emma C. Shafer led the Christian Endeavor meeting, her topic being Joys and Dangers When Away from Home. She gave a most excellent talk and had several to read clippings pertaining to the subject. Othoson, then there was a sermon by the pastor and the choir selection was Satisfied There. Mrs. E. L. Redmile is Christian Endeavor leader for next Sabbath. All come and worship with us.

### GOOD FOOD FOR SOUND THINKERS

Work, hard work, is a blessing to the soul and character of the man who works. No man is more to be pitied than the man who has nothing to do.—Kingsley.

Nuture your mind with great thoughts; to believe in the heroic makes heroes.—Disraeli.

Often the quickest way to ease another's burden is to do you own work well, thus inspiring all who see it to discern the blessings contained in the fulfilling of their own tasks. — The Christian Science Monitor.

A palace may be a prison and a cottage may become a castle of dreams, depending on whether hate or love dwells within.—Bruce Brown.

### A WORTHY APPEAL

Rev. Robert E. Green, the young pastor of Union M. E. Church, Worton, has put his shoulder to the wheel to help improve old Union Cemetery. His helpers and co-laborers are John W. Carter, Harry Williams, Benj. F. Rash, Mrs. Charles Miller, George Watts, Joseph Fowler, Ralph Williams, Hydie Smith, Mrs. Katie Cooper, George Williams and others. Mrs. Katie Cooper has been made treasurer of this campaign committee.

Folks judge a community by its appearance, and a neglected grave yard is a detriment to the property of the entire community. All who cherish the memories and the friendships of those who are now resting in Old Union Cemetery, are asked to make a liberal contribution to this worthy cause in order that this sacred spot, one of the oldest in Kent county, may be kept more respectable and lovely.

The Wesley Collegiate Institute at Dover will open July 12th to 19th. The dean is Rev. J. Harry Wright; Rev. Geo. Stirling, of Wilmington; is treasurer; Miss Alice Rote physical directress; Miss Dorotha Baxter, secretary to Dean and Earl Willis librarian. Among those to go from Chestertown are Dorthy Vickers, Lucilie Rasin, Anna Harris, Betty and Catherine Anthony, Carrie Waters, Ann Kreeger.

### FIFTY NEW MEMBERS JOIN TILGHMAN CHURCH

The revival services at the Tilghman M. E. Church closed last Sunday evening. At nearly every service the crowd was large. On Sundays many were turned away in spite of the warm weather.

Dr. G. A. Cooke and his assistant are spoken of in the highest terms by the members of the church. They are more than pleased with the results. On Sunday morning last over forty were added to the church and in the evening ten more were added.

Some of the best people on Tilghman's Island are now affiliated with the church. Dr. Cooke was not sensational in his methods, but worked along in an earnest and sincere manner. He left for Toronto for a week, after which he will open a campaign at Smith's Island. A handsome sum was raised on Sunday as a freewill offering for Dr. Cooke. It was entirely voluntary, yet it reached nearly three hundred dollars.

Mr. Vingelle charmed the folks with his singing and leading. He had a large choir of local people, and the assistance these people rendered was not a small part in the success of the meetings. Tilghman will be glad to welcome Dr. Cooke back again in the future.—Easton Star-Democrat.

The two methodist churches in Chestertown are planning to hold union services during August at the evening hour. This is meeting with tht hearty approval of both churches. Notice of these services will appear later in NEWS.

Smiff—You say that Dr. Chargem has a large practice?

Smoot—It is so large that when a patient has nothing the matter with him he tells him so.

## SORE THROATS AND COUGHS

QUICKLY RELIEVED BY THIS SAFE PRESCRIPTION

Here's a doctor's prescription that is really throat insurance. Sore or irritated throats are relieved and soothed almost instantly with the very first swallow. About 90 per cent of all coughs are caused by an irritated throat; consequently for most coughs too there is nothing better than this famous prescription—it goes direct to the internal cause. It is put up under the name Thoxine and is guaranteed to stop coughs and relieve sore throats in 15 minutes or your money will be refunded. Singers and speakers find Thoxine very valuable.

The remarkable thing about Thoxine is that while it relieves almost instantly, it contains nothing harmful, is pleasant tasting and safe for the whole family. Ask for Thoxine 35c., 60c., and $1.00 bottles. Sold by Toulson's and all other good drug stores.

S. Scott Beck, Attorney.

### ST. SWITHIN'S DAY

Tradition both of praise and blame
We are compelled, in truth, to name:
For continuously arriving
Upon the path of Time 'tis thriving!
A common adage doth remain
If good St. Swithin's Day be fair
Then forty days sunshine we'll gain,
And over hill and dale we'll fare
With no umbrella dark a-springing
But if upon that day no shine
Of good refreshing Sun we see,
Then forty days incessant rain
By High Command shall really be:
For Swithin was a Saint I throw
To whom, e'em weather had to bow:
Such is the legend I repeat,
May be a pagan tale replete.
Believe or not—I've had my say
But watch July's good fifteenth day.

### HUGE PROFITS OF PHILADELPHIA BRIDGE

The deductions, drawn from earnings, that the Camden-Philadelphia bridge across the Delaware river will have paid for itself by 1938, instead of 1945 the year previously set for freeing it of tolls to the public, indicates rather forcibly the actual demand for such links without which travel has been greatly impeded. As the structure cost almost $40,000,000, its earnings must necessarily be large to meet the expenses for upkeep and to have returned more than $3,000,000 profit last year.

This demonstration, not alone of net earnings, but of the fact that such passengers over waterways and one of the needs of modern travel, should inspire renewed effort on the part of Baltimoreans and citizens of the Shore to overcome the opposition waged by ferry owners against a span across the Chesapeake.

The need of bridges across waterways has become so generally well recognized that they are being built in all sections of the country, and the fact that those in operation are returning large profits is convincing evidence that they are one of the great demands of freight and passenger traffic.

Skikshinny—They tell me you were arrested for disorderly conduct the other night.

Obfuscain—Yes, I tried being pal to my boy.

### MRS. EDISON FORESEES AMERICA UNDERMINED

Mrs. Thomas A. Edson, wife of the famous inventor, believes that unless women return to homemaking and give up business America, which is essentially a nation of homes, will be "undermined."

In a radio talk Mrs. Edison declared that the country is facing widespread restlessness because of the desire of women to go into business. Men no longer find satisfaction in their homes, she said.

Women lost their prestige in business, Mrs. Edison said. They must realize, she declared, that home making is their highest goal and as much of a fulltime business proposition as running an office.

**It Took An Airplane Nearly Fourteen Hours**

2,112 miles in 13 hours and 55 minutes—a flight from one end of the country to the other—the fastest long journey man has ever made—a journey that took our pioneer forefathers from 3 to 5 months of weary travel at a snail's pace, over vast expanses of prairie, across turbulent rivers, through perilous mountain passes.

To skim over these vast expanses in a little less than 14 hours seems incredible. Yet, even speed such as this becomes as nothing over the telephone wires. By means of the telephone this journey can now be made, not one way alone but both ways, within the space of MINUTES.

Whether you call 10 miles or 2,000 miles, you will find the same speedy long distance service always at your disposal. Most out-of-town connections can now be made while you wait on the line. And as to rates—ask Long Distance for the rate on any call you wish to make. You'll be surprised to find how low it is.
