ANNOUNCEMENT

I wish to announce myself as a candidate for Treasurer of Kent County, subject to the Democratic Primaries in September.

I have been a life long Democrat. I ran for Register of Wills against Mr. Samuel Caldwell in 1921. I was defeated by him but worked hard for his election the following November.

I have served in the poll rooms at Worton, Kennedyville and Betterton.

I was a Delegate to the State Convention in 1922.

HARVEY B. MOORE,
f22-tf Betterton, Md.

NOTICE

All persons indebted to the late W. C. A. Thompson will please let the undersigned have the amounts of their bill at once. As we desire to close the estate as soon as possible. Thanking you in advance. J. Hydie Thompson, Administrator of W. C. A. Thompson Estate. f22-3t

A CARD

Wm. A. Burk, of 312 West Cannon St., is a candidate for Commissioner of Chestertown. We Tax Payers in This Block want some Improvement, and if Wm. A. Burk is elected, He will make this Improvement and Pay for it himself. This will leave him free to vote an any measure that may come before the board.

f22 WM. A. BURK.

Candidate for Re-election as
TOWN COMMISSIONER

Having been solicited by a large number of citizens and tax payers of Chestertown, I hereby announce myself as a candidate for re-election as town commissioner, subject to the will of the majority.

I have tried to work to the best interest of all as far as circumstances would permit.

f15 JOHN W. BARNES.

WALDO NEWCOMER TALKS AT WASHINGTON COLLEGE

Waldo Newcomer, of Baltimore, chairman of the board of directors of the Baltimore Trust Company, was the principal speaker at the weekly assembly of the students of Washington College in William Smith Hall Thursday.

Mr. Newcomber traced the history of banking from the earliest system of barter to the present-day operation of the gigantic banking and trust companies.

In the absence of Dr. Paul E. Titsworth, president of the college, Mr. Newcomer was introduced by Dean J. S. William Jones. The Rev. Chas. L. Atwater, rector of Emmanuel P. E. Church, conducted the devotional exercises.

MUSICAL SOCIETY MEET EXTRA REHEARSAL SUNDAY

At the regular February business meeting of the Kent Musical Society which was held during the rehearsal on Thursday night, several new officers were elected to fill vacancies which have recently occurred.

Dr. Esther Dole was elected First Vice-President to succeed Mrs. Frank Jarrell, who resigned that office last week. Mrs. George H. Dana was elected Second Vice-President, the position formerly held by Dr. Dole.

Miss Lottie Peacock was elected Librarian to succeed Mrs. Bates Chaires whose illness necessitated her resignation.

Miss Edith Hartman was elected Corresponding Secretary, the position held by Mr. Hubbard before he was elected President of the Society.

The treasurer's report was read at the meeting, and resolutions were passed making changes in the By-Laws.

It was decided to hold an extra meeting on Sunday, March 2nd, 2.30 p. m., to rehearse the beautiful religious music which the Society will render at a concert to be given early in Lent.

TO INVESTIGATE THE TOMATO SITUATION

At a meeting of the Board of Directors of the Kent County Chamber of Commerce and the Board of the Kent County Farm Bureau and County Agent J. D. McVean at the headquarters of the Chamber last Saturday, February 22, the local problem of tomato raisers and contracts was discussed from all angles in a cooperative effort of those two bodies and the Extension Service to discover some satisfactory method of taking care of the Kent crop for 1930.

BIG GAME IS BOOKED

When arrangements now being made are completed the Washington College lacrosse team will be given the biggest opportunity ever offered a team representing the Eastern Shore College. This opportunity will take the shape of a lacrosse game with the Oxford-Cambridge lacrosse team from England.

According to present arrangements the English team will meet the Shoremen April 3, in Kibler Stadium. This game will be the first contest with international flavor in which a Washington College team has ever competed, and consequently Coach Beatty and his pupils will be out to make the best showing possible.

The English team, which is selected from the stars of both Oxford and Cambridge, visits America every four years to play a series of games with leading American universities and colleges. When the English came to this country four years ago Coach Beatty played on the lacrosse team of University of Maryland which handed the visitors their first defeat sustained over here.

Although this is the second year that Washington College has placed a lacrosse team on the field graduate manager of athletics, Fred Dumschott, has secured games with several powerful stick teams, among which are St. John's, last year's national champions, Mount Washington and others.

Coach Beatty will start practice March 1, using his veterans from last year to aid in whipping any new material into shape. The former University of Maryland star will have as a nucleus the following veterans: Captain Wharthen, Burdette, Stevens, Stewart, Hope, Phillips, Veach, Williams, Dorsey, Dean, Moore, Sherkey, Karfgin and Boston.

WASHINGTON DEFEATS MOUNT S. MARY'S 58-34

Washington College's Flying Pentagon cleared the decks for the crucial game with Loyola by overwhelming Mount St. Mary's here Friday night.

A deluge of Washington College field goals in the second half swamped Mount St. Mary's and swept the Emmitsburg Mountaineers down to defeat at 58 to 34. It was the most decisive lacing any team has administered to Mount St. Mary's this year.

Washington's powerful, but at times inconsistent attack, began gathering speed shortly after the intermission, which had come with the Shoremen holding a 5-point lead at 19 to 14. At first it picked up momentum slowly. But the advance was steady and it wasn't long before Giraitis, Dopson, Stevens and Alexander were ringing up double-deckers.

During the last eight minutes of play the field goals were coming so fast the scorers could hardly keep pace.

Mount St. Mary's use of slowing down tactics worried the locals a great deal in the first half. Stevens, who incidentally played one of the best games of his career, was getting the tap at center. But the Shoremen, reluctant to fall into the stride preferred by the visitors, were overanxious.

Captain Giraitis and others were missing shots and thereby permitting Mount St. Mary's to get possession of the ball. Then, the visitors invariably took their time advancing to the attack. Washington in the meantime, was on edge and fretting.

But for Stevens, the locals would not have had any edge at the end of the first half.

Once Tom Kibler's outfit found the range in the concluding period Mount St. Mary's quickly faded from the picture. During the last 15 minutes of play Mount St. Mary's steadily lost ground, breaking into complete rout in the final eight minutes of the struggle.

At the last meeting of the directors of the Kent Building and Loan Co., Chestertown, it was decided to issue "full paid shares" to a limited amount. The payment on full paid shares shall be $100 per share, in advance, and such shares shall be subject to no further assessment and shall receive dividends at rate of 5 per cent payable January and July. Full paid shares may be withdrawn at any time after one year from their date, by giving the company 60 days notice.

This will afford a good investment for persons with a large sum.

"ALL ABOARD" PLEASES

With a large cast of Chestertown's best musical and dramatic talent, "All Aboard," the musical comedy sponsored by the Ladies' Auxiliary of the Chestertown Volunteer Fire Company was presented to well filled houses at the Old Lyceum Theatre here three evening this week.

The production, which is for the benefit of the Chestertown Volunteer Fire Company, was directed and produced by the Wheeler Producing Co., well known here. Mrs. H. J. Wheeler was in charge.

The full cast was noted in the News last week and without exception it was a most delightful entertainment in which all participants took their parts well.

The Auxiliary according to Mrs. W. L. Fowler, the president, cleared $369.85.

The orchestra for the production was under the direction of Professor C. Julian Coleman. Mrs. D. B. Ford was the accompanist.

WEDDING EVENTS TO TAKE PLACE

Mr. and Mrs. Thomas Wickes Perkins, of Chestertown, Md., have announced the engagement of their daughter, Miss Anna Edwards Perkins, to Henry Harrison Cooke, of Elizabeth, N. J., formerly of Charles Town, West Virginia. Miss Perkins is a graduate of St. Mary's Hall, Burlington, N. J. Mr. Cooke graduated from the Virginia Military Institute and Christ Church College, Oxford University. The wedding will take place in May.

A military wedding this Saturday afternoon at 4 o'clock will be quite a fashionable affair. The bride is Miss Isabelle Atkinson of 305 Riverside Drive, New York, and groom, Captain Albert Carl Lieber, U. S. A., of Fort Humphreys, Va.

The wedding will be solemnized in Emmanuel Protestant Episcopal Church, and a reception will follow at "Piney Grove," the country home of the bride's aunt and uncle, Miss Julia Emory and Capt. Edward W. Emory. The Rev. Charles L. Atwater, rector of the church, will officiate.

The bride, who is the daughter of the late Cecil R. Atkinson and Mrs. Atkinson, will be gowned in ivory satin with a veil of lace which has been in the family for many years and which was formerly worn by the bride's great-great grandmother Miss Margaret Atkinson, sister of the bride, will be the maid of honor and will wear a gown of coral crepe. Her shoes will match the gown and she will wear a hat of natural straw color.

The bridesmaids will be Miss Mary Louise Maslin, of Baltimore, Miss Ruth Lieber, of Boston, sister of the groom, Miss Catherine Beck and Miss Virginia Jones, of Chestertown. The best man will be Conrad H. Lieber, of Detroit, brother of the groom, and the ushers will be Lieutenant Charles E. Laltzman, Lieutenant Elvin R. Heelberg, Lieutenant Miles Reber, Lieutenant Leonard B. Gallagher and George Atkinson Braga.

The bride will be given in marriage by her brother, Robert Emory Atkinson. A number of out-of-town guests will be present for the wedding. Friday evening, Captain Lieber's ushers entertained him at a bachelor dinner at the Chester River Yacht and Country Club and the same evening Miss Catherine Beck entertained informally at her home in honor of the bridesmaids.

A dance and reception will also be given at the Country Club the evening of the wedding.

Mr. and Mrs. Clarence Kent Lambert, of Balboa, announce the marriage of their daughter, Katherine Estelle, to Mr. Walter Gould, in New York City on January 7, 1930.

Mr. and Mrs. Lambert, formerly of Chestertown, Md., have been residents of the Isthmus for many years. Their daughter, Mrs. Gould, was born in Culebra and grew up on the Isthemus. She is a graduate of the Cristobal High School, Class of 1927.

Mr. Gould is from Hollywood, California, and is the General Manager for Central and South America of the United Artists Corporation. Mr. and Mrs. Gould, who arrived yesterday from New York aboard the President Monroe, will make their home in Colon.—Culebra Ex.

Sam'l Wallis has purchased the old Presbyterian Church building in Worton, which is one of the county's landmarks, and is converting it into a modern home which he will occupy upon its completion.

Walter Brooks, 19, colored, was given six months in Kent county jail on a charge of attempting to shoot James Jefferson, colored, in a fight in the postoffice at Golt Station. Jefferson got 30 days in jail.

MAY 26 BIG KENT ROAD DAY

A road celebration and Homecoming Day for Kent County at which Governor Albert C. Ritchie will be the principal speaker is being planned by the Kent County Chamber of Commerce for May 26th. The event will mark the celebration of the completion of the county's new road system through which nearly one hundred miles of good roads have been constructed in Kent.

The celebration is being sponsored by the Kent County Chamber of Commerce. It was this organization that originated the road program and fostered it through its incubation and until it was adopted by the voters of the county in a special election at which a bond issue of one million dollars for good roads was passed.

Invitations to the celebrations here on May 26th will be sent to all State and county officials in Maryland and to those in Delaware, Pennsylvania and Virginia who would be interested in the developement of a roads system.

The Homecoming feature of the celebration will be emphasized. All native-born Kent countians as well as those who have at times made their homes here will be urged to return and participate in the celebration which will mark the realization of a two year dream entertained and fostered by the Kent Chamber of Commerce. Several thousand people are expected as visitors on May 26th.

Governor Albert C. Ritchie has been invited to deliver the main address as the celebration and has accepted. The Chamber of Commerce extended the invitation to Maryland's chief executive because of his favorable attitude toward the road plan for Kent when it was first presented to him.

One of the features of the celebration will be a tour of inspection in the county which will cover four types of roads now in use. The four types which can be seen in a trip of ten miles are: the fifteen-foot macadam, or earlier type of State road; the regulation sixteen-foot road of concrete; the nine-foot concrete road with three-foot slag shoulders on each side; and the slag road.

The plans for the celebration are in the process of formation at the Kent County Chamber of Commerce of which Dr. Paul E. Titsworth is president and Mrs. Nell C. Westcott executive secretary.

Representatives of the Chicago syndicate which recently secured options on 3196 acres of farm lands lying between Galena, Lambson and Black Station, visited that section of the county recently and following an examination of soil conditions decided that the lands are suitable for the purpose desired, it is said. They stated that they are progressing finely on the plan and are securing scores of available families for the colony.

Continuing its annual program of entertainment and education for Chautauqua lovers of Kent county the Swarthmore Chautauqua will bring here from March 14 to 17, inclusive, an unique array of talent which will be presented by the Betterton-Still Pond Chautauqua Committee in the Betterton High School building for citizens of Kent, Cecil and Queen Anne's counties. At a meeting held this week committees were appointed and they are now canvassing all Kent county towns for the sale of season tickets.

Walter B. Harris has been named chairman of the local committee and will be in charge of arrangements. A special service will be held at three o'clock the afternoon of Sunday, March 16, and a prominent lecturer will appear, assisted by a special program of music. On the afternoon of the final day the Betterton Troop of Boy Scouts, 23 in number, will present a colorful program immediately after the Junior Chautauqua Pageant. Elmer C. Thomas is Scoutmaster and Howard B. Owens and Allan Bonwill are his assistants.

Local farmers sold wheat for 98 cents this week. The situation is deplorable from the farmers' viewpoint.

H. J. Plant, of Betterton, has purchased of heirs the old colored property at Goose Hill. He has demolished the house and will build a residence on the site.

Red Star Motor Coach officers have announced that whenever ice in the Chesapeake bay prevents the landing of Tolchester ferries that bus service will be run to Elkton in order not to disappoint passengers bound for Baltimore. They may then connect with fast trains to that city. Recently, complaints were made by the Kent County Chamber of Commerce because passengers bound from Eastern Shore points to Tolchester were forced to return home when the boats did not run.
