By BILL USILTON

Idle thoughts of interest to no one:

FUNNY how a mob will get all steamed up over something that will be justly handled by their appointed members; yet you couldn't gather one-third of them or even stir up one tenth of the excitement for the promotion or approval of an act for the good of themselves and the community in which they live. I still believe Darwin was right!...Wonder if Harry Russell and Bill Collins would send me their respective sheets if I could find time to drop them a note? Of course I get all the county news by reading this one, but I miss their columns...That Kent County Health Department has certainly been doing great work in the past few years ,and this winter their work is going to be of greater importance than ever before. Too bad can't get the united support of all Kent Countians behind them. There seems to be more interest among strangers than among the folks who are actually benefitting...Its funny no one has thought of giving a banquet for Coaches Kibler and Ekaitis and the boys on the football team like they used to do for the basket ball squad. They certainly deserve it for the remarkable showing they have made this season".And on the subject of sports, Joe Russell is to be congratulated, too, for all the work he's put in at the Chestertown High School with the soccer team...Its about time for another "Famous Kent Countian" to head this column. Of course it takes a lot of thought to find enough things to say about those boys and girls... They will have to start finding some jokes about the electrician now that the iceman is being kept away from the back door by the mechanical contrivance that freezes while you are waiting for another drink...I'd like to hear more about Ann Welch's new job with that steamship line. There couldn't be any truth to the rumor I heard, that had her selecting the ships' phonograph records; and that a certain former athlete aided her! ...Wonder if it is that bad — the bums are only asking for nickels because of the depression...and a modern mother with a two-year old child said it was born in 1929 B. C. (Before Contract, of course)...Which just goes to show you how bad things will get as they go on and on.

****

TOLEDOANS certainly take their high school football seriously. On Thanksgiving Day there were two school grid classics on the slate for ten o'clock in the morning. There were fifteen thousand spectators jammed in the stadium at the game I attended, and the other contest drew another twelve housand.

Tickets sold for as high as three dollars a head; two broadcasting stations carried play by play descriptions; news photographers hurried up and down the side lines; hundred-piece bands played, and paraded during the half, and the mayor posed with two captains in front of the box for honorary guests.

And, the most surprising thing of all, they played real, honest-to-goodness football!

****

THESE midwest air lines are certainly doing everything to cut into the railroads' business. The other week they had a great system for taking Toledoans to South Bend to see Notre Dame play Southern California.

A taxi would call for you at home, deliver you to the airport where breakfast of bacon and eggs was awaiting, a plane carried you to South Bend, another cab whisked you to the field for the game, called for you after the fun and carried you back to the airport. Before boarding the plane again, they served you dinner. Then, up in the clouds until Toledo was reached; another cab to your residence, and you were home in time to read about it in the early editions-

Now if they will only arrange to watch after the children and the furnace, the plan will have some little merit!

****

THERE certainly should be a law against miscreants who cook wild ducks for hours, stuff them as though they were turkeys, and slice them into disjointed bits the same as they serve the barnyard rooster!

Invited to a wild duck dinner the other night, my appetite was completely subdued by just such a procedure; and I would have enjoyed a hamburger sandwich more thoroughly.

But I suppose if they visited Kent County, and were served with some of our golf-ball-like biscuits, they would lose their appetites as I did over the way they cooked their ducks.

So, finished discussing the culinary art, I will see what the boys will have in the back room!

IN MEMORIAM

In loving memory of my dear husband, Edgar S. Davis, who departed this life December 4th, 1929.

I can not forget him, I loved him too dearly,
For his memory to fade from my life like a dream;
My lips need not speak when my heart mourns sincerely,
For grief often dwells where it seldom is seen.
Sadly missed by his wife,
HENRIETTA C. DAVIS.

IN MEMORIAM

In loving memory of my dear wife and our mother, Susan Moffett, wife of John T. Moffett, who died Nov. 8, 1923.

Gone is the face we loved so dear,
Silent the voice we loved to hear;
'Tis sad, but true, we wonder why
The best is always first to die,
She did her best to scatter cheer,
Day after day, year after year;
She knew the value of a smile.
Knew it always well worth while.
Thoughts of you come drifting back
Within our dreams to stay,
To know that you are resting
When the twilight ends the day.
LOVING HUSBAND AND CHILDREN.
