CHESTERTOWN LEADS NATION

BASIS OF SCORES THAT MADE CHESTERTOWN WINNING CITY IN HEALTH CONTEST.

Chestertown was recently awarded first prize in the nation-wide Inter-Chamber Health Conservation Contest for Class BI or cities under 2,000 population.

A report from the national headquarters has been received by the local Chamber stating clearly the how and the why of Chestertown's winning and also stating the deficiencies.

The report declares that the meeting of requirements for a full score does not mean that no further advance is needed.

Attention is vigorously called to the fact that the sewage is discharged directly into Chester River and it is recommended that consideration should ge given to the desirability of arranging for some better method of sewage disposal.

Quoting verbatim the report reads further:

1. "The city (Chestertown) met the 1930 requirements of the fac-finding schedule for: Sewerage connections; tuberculin testing of dairy cows, pasteurization of milk supply; medical examination of preschool and school children; vaccination against smallpox; diphtheria immunization of school children; health teaching in schools; follow-up visits by school nurses; professional visits to communicable disease; tuberculosis, prenatal, infant and pre-school cases; use of laboratory service; registration at prenatal, infant and preschool medical conferences; visits by patients to dental and tuberculosis clinics; definite program for periodic examination of adults; publication of annual report by Health Department; no resident deaths from diphtheria, smallpox or typhoid fever; no maternat mortality, and low death rate from tuberculosis.

2. The deficiences based on data submitted were: Slightly less than 99 per cent water connections; consumption of milk quite low; diphtheria immunization of preschool children under 75 per cent; visits by patients to veneral disease clinics were considerably below the standard; popular health educational program not as comprehensive as in some cities; reduction in infant mortality and in death rate from diarrhea and enteritis under two years insufficient to qualify for full credit. Total expenditures for public health are 98 per cent of the amount regarded as sufficent to provide reasonably adequate public health service; there was, however, a creditable increase in expenditures in 1930 over those of 1929."

Chestertown and Cumberland were the smaller Maryland cities competing and Baltimore came in for honorable mention in the class in which Detroit led.

While yelling about the tax on gasoline in this country it might ease the vocal chords to know that in jolly old England there is a tax of 10 cents on every gallon of petrol sold.

NOTICE

During the months of July and August the Register of Wills, the County Treasurer's and the County Commissioners' offices will close on SATURDAYS AT 1 O'CLOCK P. M. Je13-4t

SCHOLARSHIP EXAM.

A competitive examination for a free scholarship at Washington College including tuition, board, room and text books for a period of four years beginning September 1931, will be held

THURSDAY, JUNE 25th, 1931,

in the Court House, Chestertown, Md., at 10.00 A. M.

The requirements are that each applicant shall have completed successfully a four year high school course or the equivalent of the same, and be prepared to enter the Freshman Class.

The examination will be given in the following subjects:

1. English, Grammar and Rhetoric
2. Elementary Algebra.
3. Plane Geometry.
4. Modern, European and American History.
5. Latin.
6. Chemistry.

Applicants will be required to take the examinations in five of the above subjects and may select either Latin or Chemistry.

Those desiring to take this examination are required to file with the Register of Wills, Chestertown, Md., not later than June 20th, 1931, their applications with certificates as to mental and moral qualifications.

EDWARD A. SCOTT,
J. HENRY THOMPSON,
JAMES H. GROVES,
Judges Orphans' Court.

MOTH BALLS CHECK MOLES

If moles are bothering gardens or lawns and trapping is not resorted to as a means of control, moth balls serve as a deterrent and may solve your problem, State Federal Biologists. Open the runway at the edge of lawn or garden—drop in moth balls (1 or 2) or a spoonful of Napthalene flakes, then replace the earth. The odor is unpleasant to the moles and may drive them away.

RESOLUTION

Whereas, God in His allwise Providence has called home to Himself Charles B. Massey, beloved son of Mr. and Mrs. E. Thomas Massey, a boy whose future looked so promising.

Resolved, That we, the directors of the Kent County Farm Bureau and the Kent County Farm Bureau Cooperative Association, extend to the bereaved family our most heartfelt sympathy.

We commend for solace God, whose way is always the best way as dark as the hour may seem.

Resolved, That a copy of these resolutions be sent the family, a copy spread on the minutes and a copy placed in our county papers.

CLARA L. WILLIAMS,
L. A. SUTTON,
J. D. DAVIS, JR.,
Committee.

The Tower of Babel was only 300 feet high though some books are inclined to stretch it a little.

NOTICE

The annual meeting of the Stockholders of The Tolchester Beach Improvement Company of Kent County, will be held at the office of the company, Tolchester Beach, Md., on Saturday, June 20th, at 4.30 P. M. for the election of Directors or any other business.

j6-2t F. W. KOLB, Secretary.

ORDINANCE NO. 54

PASSED FEBRUARY, 1931

Be it enacted and ordained, That no person or persons, corporation or organization of any kind shall hold any public dances within the limits of Chestertown without a permit for each dance having first been obtained from the Commissioners of Chestertown.

E. SCOTT THOMPSON,
HENRY GILL,
GEORGE W. FRENCH,
The Commissioners of Chestertown.

ORDINANCE NO. 55

PASSED FEBRUARY, 1931

Be it enacted and ordained, That no person or persons, corporation or organization shall, from and after the date of this Ordinance, erect any additional gasoline tanks or pumps at the curbs or sidewalks of Chestertown. Nothing in this Ordinance shall be taken to prevent the maintenance of gasoline tanks and pumps already erected at the time of the passage of this Ordinance.

E. SCOTT THOMPSON,
HENRY GILL,
GEORGE W. FRENCH,
The Commissioners of Chestertown.

Approximately 4,000,000 head of poultry are on Florida's chicken ranches.

Bids On School Bus Routes

Sealed bids on the transportation of school children from the Cherry Lane and Morgnec school districts to Kennedyville will be opened by the Board of Education of Kent County, Maryland, at its meeting to be held at 10:00 A. M., on Tuesday, June 30th, 1931. Those who submit bids should base them on the following requirements to be made of the one to whom the contract is awarded:

1.—A glass inclosed bus, new or in excellent state of repair, that will seat forty-five children allowing fourteen inches of lineal seating space per child, and equipped with cushioned seats.

2.—The bus must be equipped with a heater that will comfortably heat the bus in cold weather and the heater must NOT be attached to the exhaust pipe.

3.—Public liability insurance of $5,000 and $25,000 limits must be provided each year by the contractor.

4.—The route one way will be eleven to fourteen miles subject to adjustment by the Board of Education.

Sealed bids on the transportation of school children from the Turner's Creek school district to Kennedyville will be opened by the Board of Education at its meeting referred to above. Those submitting bids on this route should base them on the requirements stated above with the following exceptions.

1.—Under the first requirement, the capacity of the bus for this route is to be tweny-five children.

2.—Under the fourth requirement, the length of this route will be from four to five miles instead of eleven to fourteen miles.

The Board of Education reserves the right to reject any or all bids.

By Order of the Board of Education of Kent County, Maryland.

LOUIS C. ROBINSON, Secretary.

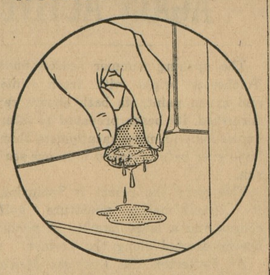
HOW FRIGIDAIRE'S PORCELAIN INTERIOR WITHSTANDS THIS



acid-lemon test!

You know how fruit juices will ruin ordinary refrigerator finishes? Not even the acid of lemon juice can stain the Porcelain-on-steel interior of Frigidaire!

Ask the salesman to prove that the Frigidaire Porcelain interior is acid- and stain-resisting—watch him rub half a lemon over the white surface—watch him squeeze the biting juice over the gleaming porcelain—and note that the acid-bath leaves no trace whatever of tell-tale stain!

And with the greater beauty and greater utility of Porcelain-on-steel inside and out, the advanced Frigidaire also provides many other unusual advantages.

We suggest that you call at our showroom and see them demonstrated.
