constructive; and alcohol is of the series of destructive agents, and aids the action of bacteria. So when a man exposed to the infections of typhus fever or cholera takes a little brandy, instead of the alcohol enabling him better to resist infection, it actually prepares the soil for the development of the dangerous organisms.—*London Alliance News.*

That charming and valuable little evergreen tree, the boxwood, whose wood is essential to the engraver's art, the ebony of the temperate zone and the favorite of cabinet makers, is a tree that Arizonians ought to plant. It makes at the utmost a tree of not more than thirty feet in height, and its growth is proverbially slow. Still, there is a profit in the wood. Circassia and Georgia in Asia were the home of the box, and as the tree was carried over Europe all objects that were first made of boxwood took their names from the tree, and so we can trace its wanderings through philology. The box is propagated by seeds, cuttings and layers.

If red clover is cut for seed or is permitted to ripen seed on the ground it will last for several years. When the seed is produced the plant has completed its functions and then the root perishes, but when it is kept mown or fed down it will continue to grow. Naturally red clover is a biennial plant and dies when it has seeded the second year of its growth. The pea vine clover is a perennial and is the best of the clovers for pasture, but it is not suitable for horses, as the late growth causes profuse salivation.

He was a married man, and his wife was the head of the household. He had a friend who was in the same case, only his friend was apparently happy and comfortable, while he was just the reverse. He had long studied this peculiar difference between them, and finally he mustered up courage to go to his friend and ask him: "What is the way to be happy when you are under a woman's thumb?" "Don't squirm."

Never grow trees of different kinds together until satisfied one does not injure the other, as is frequently the case when plums are grown near peaches, thus inducing the curculio to sometimes attack the latter. A single wild-cherry tree near the apple orchard will provide a harboring place for catterpillars, which finally injure the apple orchard.

Cows lying out in the pasture or open barnyard through chilly nights will entail a loss in diminished milk-yield of far greater amount than the cost of keeping them under a shelter at night and during old storms. After the frosts come pasturage should be supplemented by liberal rations of bran, ground oats, or other food.

One of the great advantages of the electric light for indoor illumination lies in the fact that it leaves the air unaffected, whereas gas and other light formed by combustion not only raises the temperature, but deprives the air of its oxygen, increases the carbonic acid and makes the air poisonous.

A little three year old friend of ours was out driving one day with his father, and, when near the depot, he heard the train. Reaching for the lines, he said:

"Papa, better let me drive; train is tumming."

A white woman in Columbia, S. C., who was charged with her colored husband with violating the law against miscegenation, swore that she had negro blood in her veins and secured a disagreement of the jury.

It is a good idea that the country hotels have adopted of furnishing their guests with both kerosene lamps and candles. The kerosene lamps are very useful in helping you to see the light that the candles give.

When a foreign prince comes of age he generally receives many presents of jewelry. This is as it should be for about the only thing that a foreign prince ever does to distinguish himself is coming of age.

A health journal has started the question, "What is the best position in which to sleep?" and a dozen or more willing voices are preparing to shout, "What's the matter with that of a policeman?"

In putting away summer lawns and muslins it is best not to starch them, as it rots cotton when long in it. Wash and dry thoroughly and roll away till spring time.

If you will be as pleasant and as anxious to please in your home as you are in the company of your neighbors, you may have one of the happiest homes in the world.

GRAND DISPLAY
—OF—
DRESS GOODS
AND TRIMMINGS
—AT—
Oak Hall

As we present our circular to you, and as candidates for your favor, it is proper for us to state the platform upon which we rest our claims.

We believe in PROTECTION of customers from misrepresentation, over-charge and adulteration.

We believe in FREE-TRADE with the merchant whose selections of goods and prices are best adapted to the wants and tastes of the customer.

We believe in the PROHIBITION OF INFLATED VALUES—exorbitant prices charged for second-grade goods represented as first.

And a visit to our store will convince all that our PRICES HAVE REACHED ZERO, which means LOW TARIFF on all goods.

Behind all our promises stands the FINEST LINE OF DRESS GOODS, TRIMMINGS, SACKINGS, LADIES' JACKETS AND COATS, BLANKETS, FLANNELS, CLOTHING, Boots, Shoes, Carpets, Queensware, Jewelry, Silverware, Hats and Notions, of all kinds, to be had in a first-class store. We know our COMPETITORS envy us in the success we have attained in the extension of our Dress-Goods trade. We know, in our Shoe and Boot Department, there exists a jealousy, but we are happy. We have no inclination to change our line, as Evitt & Brother's Shoes stand to-day at the head of the list. If you want to see a beautiful line of Shoes, call at our place. Fine Dongola Shoes, especially adapted for tender feet. Dress Goods, all kinds, 5 cents up to $1.25. Henrietta, Dalma, Tricots, Clarrett, Cassimere, and a number of Fancy Cloths, all shades. Our Black Silk at $1.00, the past season, was decided the best by an overwhelming majority. We have a better one to-day, guaranteed not to cut. A safe investment for any lady. Ladies' Coats in abundance, latest styles. Dress Trimmings, the very latest. Notions of all kinds. In Boots we start the season with a Solid Boot at $1.75; another at $1.85. A full Stock Boot at $2.50. We still sell the best Button Shoe in town at $1.25. Fine Dongola Shoes at $2.50; others get $2.70 to $2.75. We have a large assortment of Ready-Made Clothing for both men and children. Overcoats very cheap. Rag Carpet, 22 cents; Flowered, 25 cents. Oil Cloths all prices. Druggets, Rugs, etc. Domestics very low. Canton Flannels, 6¼ cents. Ginghams, 5 cents. Calicoes, 4 cents. Large line of Blankets. A 6-pound White Blanket at $1.25 per pair. A 7-pound Grey Blanket at $1.50. Comforts cheap. A job lot of Ladies' Coats at less than half price. Great bargains in Men's Clothing to clean up stock. WOLF ROBES AND BLANKETS all prices.

In conclusion, will say we invite our friends to inspect our Fall Goods. Bring your friends with you. Don't think of making your Fall purchases without calling to see our stock.

Our claim to having the finest line of Dress Goods, Trimmings, etc., in this part of the county, is not imaginary on our part: it has been so decided by all who visit our store. Many thanks for past patronage. We hope our efforts this season to please will still be appreciated by you. Very respectfully,

THE TARIFF QUESTION

May stir the country from centre to circumference. It may agitate the minds of Statesmen of all parties, who may argue *pro* and *con* upon the beauties of Protection and Free-Trade. But regardless of political beliefs, we stand firmly upon the policy of giving

PROTECTION

to individual rights, securing for mankind a freedom from the emoluments of credit exaction, protecting them from unjust discriminations—loadstones, which tend to make the poor man poorer and the rich man richer. We believe in a Protection that gives the consumer merchandise deprived of credit valuations, placing in your hands the finest selection of DRESS GOODS that can be made in the New York market, where our full stock was purchased. Our styles and prices must please you. Best $1.00 Black Silk in the world. Henriettas in all colors and prices. It is our express purpose to be Headquarters on Dress Goods and Fancy Trimmings as well as on everything else. Others may Puff and Blow, but they don't get to the top. We get there! We get there quietly and efficiently—but oh, my! we can smile at the criticism of our methods; at the denial of our claims; at the slandering of our goods. We are liberal minded, and also believe in

FREE-TRADE.

This is a glorious country, a very land of freedom as designed by the framers of the constitution. But are you not held in shackles by monopolies and combinations? Are you not enchained by the exactions of a system that will forever hold you in bondage? Free-Trade, indeed! Call it slavery to men, who, from the divine right of self-protection in their business losses, place the whole weight upon your shoulders. We have no faith in this Free-Trade; but in giving you our cash valuations, we quote good Calicoes 4 and 5 cents per yard; good Ginghams 5 cents; good Canton Flannels 7 cents; Tickings 9 cents; best Rag Carpet for 25 cents, and all other goods correspondingly low. We also stand upon the plank favoring

A TARIFF FOR REVENUE ONLY.

This gives the consumer blessings that only are vouchsafed by cash transactions. Our object is not how much we can get for an article, but how cheap we can place it on the counter. *One reasonable profit and stop, marks the measure of our due.* To cut the selling price more would be to cut into the cost price, and that would be digging the ground from under our own feet. Here we offer you Men's Solid Boots at $1.75 and $1.99 per pair. The Snag-Proof Rubber Duck Boot beats all others. We have the agency for the Douglas $3.00 Men's Fine Shoe and Slesinger's Tender Feet Shoes for Women. Pebble Button Shoes at $1.00. Best Women's Rubber Shoes for 25 cents. A large line of Cassimeres. Thompson, our tailor, stands on top. He guarantees a fit or no money. Try some of our good Chewing Tobacco at 29 cents per pound. We carry the largest general line of Merchandise in the county, and would be glad for you, who are looking around for bargains, to give us a call.

Yours Respectfully,

"The Great Monthly Magazine of the World."
(*Pacific Churchman.*)

THE CENTURY
MAGAZINE IN 1889.

WHY has it such an enormous circulation? Experts estimate that between two and three millions of people read each number.

BECAUSE THE CENTURY is above everything a leader. It led the development of wood-engraving in America and it has fostered American authors. It is alive to the issues of to-day. What it prints sets people to thinking and talking.

BECAUSE whatever other periodicals may come into the family, the great reading world has found out that "no household can keep abreast of the times without THE CENTURY." "Its success is explained by its contents."

BECAUSE the greatest writers of the world like to have their works read by the greatest number, and therefore to such a magazine as THE CENTURY the best naturally comes. It was for THE CENTURY that Gen Grant first wrote his reminiscences of important battles.

BECAUSE it is publishing the life of Abraham Lincoln, by his private secretaries. Of this it has been said, "The young man who is not reading it robs himself of that which he will one day hunger for." The coming year presents the most important part of this great history, which may be begun at any time.

BECAUSE it is printing those remarkable articles on "Siberia and the Exile System," by George Kennan, which are attracting universal attention and are being reprinted in hundreds of foreign newspapers, but are not allowed to enter Russia. The "Chicago Tribune" says that "no other magazine articles printed in the English language just now touch upon a subject which so vitally interests all thoughtful people in Europe and America and Asia." They are "as judicial as the opinion of a Supreme Court tribunal—as thrilling as the most sensational drama."

BECAUSE during 1889, THE CENTURY is to have a series of engravings of the greatest pictures of the old Italian masters, made by Timothy Cole, the leading wood-engraver of the world, who has spent four years in Italy on this work; a series of "Strange True Stories of Louisiana," by George W. Cable; occasional richly illustrated papers describing the scenes of the current International Sunday-school lessons; interesting illustrated papers on Ireland, and a series of humorous and pathetic Irish-American stories; a striking illustrated novelette, "The Romance of Dollard," by a new writer, and other novelettes to be announced later; supplemental war papers, untechnical and descriptive of special incidents; "Pictures of the Far West," by Mary Hallock Foote, etc., etc. We have not space here to announce all the new features. Let us send you (free) our "Catalogue of Special Publications," with original illustrations, containing full prospectus, special offer of back numbers to beginning of the Siberian papers, etc. The November number, which begins the new volume, is for sale everywhere after November 1st. THE CENTURY costs 35 cents a number; $4 00 a year. Address THE CENTURY CO.,
