Sunday school at 10.00 o'clock. Weldon Walbert, superintendent.

We expect to see you at church on the 22nd. Let's make it a great day.

If you were not at the League service last Sunday night you missed a real treat. Yes, and after service the League was reorganized with the following officers elected for the year.

President, Frank L. Elliott, first vice president; Wm. F. Leaverton, second vice president; Weldon Walbert, third vice president; Morris Bramble, fourth vice president; Mrs. Wm. F. Leaverton, secretary; Miss Helen Smith, treasurer, Miss Charlotte Elliott; organist, Mrs. Howard Jones; assistant organist, Mrs. Oscar Leaverton.

Note by the pastor, E. N. Wright. There was a perfectly splendid forward movement launched at Fairlee relative to the League on the 15th. And there was a beautiful spirit manifested, we do not believe that growth in the right direction can be prevented while that spirit holds sway. May it ever hold sway! A very interesting service is being arranged for the 22nd. You will not want to miss it, so come.

RESOLUTIONS OF RESPECT

A Tribute of Love to the Memory of Mrs. Emma Shafer by the Kennedyville W. C. T. U..

Whereas, God in his infinite wisdom has removed from our ranks, Mrs. Emman Shafer, a charter member of the Kennedyville Woman's Christian Temperance Union, and Whereas, her fidelity to the Union, her tender sympathy with its interests, and her loyal and unstinted services will be greatly missed, the Kennedyville W. C. T. U., realizing this great loss, desires to give some expression of appreciation of her beautiful and useful life in the following resolutions.

Resolved that the Kennedyville W. C. T. U. has in the passing on of Mrs. Emma Shafer lost a wise and efficient leader, a faithful and consistent member, a helpful and sympathetic co-worker whose uplifting influence spread throughout the community, whose smile and loving words to the young people proved to them she was their friend, and whose presence in Sunday School and Church showed how she valued the house of God.

Resolved that with deepest sympathy for the bereaved family, the W. C. T. U. prays that they may find consolation and comfort in knowing their loss is her eternal gain.

Resolved, That these resolutions be spread upon the minutes of Kennedyville W. C. T. U., that they be inserted in the county papers, the Union Signal, and the White Ribbon Herald and a copy be sent to the family.

Great South American City

Uruguay is the smallest country in South America and at the same time one of the most prosperous. Montevideo, the capital, is a fine city with some splendid buildings and boulevards. Here also are the greatest of the country's seaside resorts, Los Pocitos and Ramirez.

IN MEMORIAM

In sad but loving memory of my dear father Joe Hessey Sr. who passed away two years ago Feb. 19, 1929.

Gone to the light that shines so fair,
Gone from the earth of sorrow and care,
Resting those hands that did their best,
Gone dear father gone to rest,
Forgotten to the world by some you maybe,
But dear to my memory you will always be,

daughter, Annie

LAUREL GAS RATES

Through the efforts of the Chamber of Commerce a complete revision of the gas rates for the town of Laurel, has just been put into effect.

A committee consisting of Albert E. Culver, chairman; Albert H. Phillips, and Howard H. Dickerson, of the Chamber of Commerce, has been working with the officials of the Sussex Gas Company for several weeks in an effort to secure a revision that would be satisfactory and beneficial to the users of gas in Laurel and vicinity.

According to the oldest schedule of rates which has been in effect here for many years, the cost of gas amounted to $2.50 per thousand cubic feet, regardless of the amount consumed.

The new schedule as adopted by the Chamber of Comerce, the Mayor and Town Council, maintains the $1 minimum of service charge as before, and then the first 2,000 cubic is charged at the rate of $1.40 per thousand; the next 3,000 cubic feet will cost $1.25 per thousand, and all over 5,000 cubic feet will cost but 90 cents per thousand.

This new plan does not effect a saving to those customers using less than 1,000 cubic but a large saving for those who consume more than that amount.

To Scare Off Witches

Zig-zag patterns so often painted on walls, fireplaces and other parts of a house were not put there for mere decorations. According to Stuart Piggott, an authority on English folk lore, this type of decoration was used in olden days to keep witches out of a house. Since most of them were supposed to enter by a chimney, these lines were traced on the hearthstone.—Detroit News.

Foolish Fear of Fear

Fight fear as you would fight pestilence. Most of this thing we call fear comes from ignorance of the world about us, misunderstanding of our friends, or lack of knowledge of ourselves.—Grit.

The BEST Gray Hair Remedy is Home Made

To half pint of water add one ounce bay rum, a small box of Barbo Compound and one-fourth ounce of glycerine. Any druggist can put this up or you can mix it at home at very little cost. Apply to the hair twice a week until the desired shade is obtained. It will gradually darken streaked, faded or gray hair and make it soft and glossy. Barbo will not color the scalp, is not sticky or greasy and does not rub off.
