LOCAL MATTERS.

Fodder Rick Burned.—The town of Millington was aroused at one o'clock last Friday morning by the ringing of the fire alarm. The blaze proved to be in a fodder rick very near to the business part of the town, but was extinguished before any more damage was done than the destruction of the rick. The efficient fire department was on the scene promptly and prevented the spread of the flames.

Flimflammed.—John R. Rock, colored, of Rock Hall, was the easy victim of a flim-flam game on St. Paul street, Baltimore, Thursday. Rock was accosted by a strange negro, who asked him to change a twenty-dollar bill. The man held the bill in his hand and Rock proceeded to get the money out of his pocket. When he had counted $18 into the stranger's hand, the man ran away. The police are trying to find him. The missing man is described as being 25 years of age, about 5 feet 10 inches in height, and weighs about 150 pounds.

Dr. Smith's Eye Removed.—Dr. Owen C. Smith, whose terrible accident at Fairlee last week was reported in our last issue, had his left eye removed by Dr. J. F. Crouch, in Baltimore, last Monday. Dr. Crouch was assisted by Drs. Carlton M. Cook and R. M. Blades. The injuries to his right eye and body are healing nicely. A postal card from Mr. Smith's wife to his brother, Mr. Charles S. Smith, states that Mr. Smith is doing well. Mr. Smith's little son and his little daughter, who fractured her limb two weeks ago, are with their uncle on Washington avenue. The little girl is able to go about on crutches.

Fatally Burned.—Mamie Anderson, colored, daughter of Emma Anderson, who has been a faithful servant in the home of Col. Wm. J. Vannort, in Chestertown, was fatally burned at the home of Major Shirley, in Baltimore, on Saturday morning. Mamie had been a servant in Major Shirley's home for some months. She went into the cellar to make a furnace fire. She carried a large piece of burning paper, which set fire to her dress. The woman's screams brought Major Shirley from his room, and, picking up a rug, he hastened to her rescue. Major Shirley succeeded in extinguishing the flames, but not until the woman was fatally burned. Mamie was well known among her race here, and had formerly been a servant in the home of Mrs. Joanna Knight. The remains were brought to her home by steamer on Tuesday night and interred in the colored cemetery on Wednesday.

THE OLD TREE ACROSS THE WAY.

'Twas an old, old tree, a very old tree,
That grew in the yard across the way,
And when they went to cut it down,
There was no one to say, Ah! No one to pray,
"O woodman, spare that tree."
And so amidst sorrow and pleasure,
Our tree was cut down,
Children watched and waited too,
And 'twas known all over the town,
Till at last it was over and through.
Ah! how sad, so very sad,
But still such things must be,
For death at last must come to us,
As it came to the old, old tree.

Written by a 13-year-old girl.

RELIGIOUS MATTERS.

Rev. W. L. White will preach a special sermon to the Jr. O. U. A. M. next Sunday evening, at 7.30 o'clock, in the M. E. Church. The order will march to the church in a body. All members of the different fraternal orders are invited to be at Fraternal Hall at 7 o'clock P. M.

Dr. Rood, pastor of Chesterville and Millington M. E. Churches (South) is in the midst of a gracious revival at the Chesterville church. There have been 50 conversions to date, and last Sunday morning 41 persons united with the church. Among them was Mr. John R. Howell, 70 years old, who had not been in the habit of attending church, but who professed conversion at the meeting and has united with the church. A great many prominent young people have also become interested and have joined the church. May the good work go on, and may Dr. Rood's ministry be blest with a more abundant harvest.

The mission service at Sacred Heart Church last Saturday night was particularly solemn. The sermon by Father Snyder was impressive, and the reception of a large number of children into the church membership was inspiring. Father Snyder opened a mission in Rock Hall on Sunday evening at 7.30 o'clock, and has been conducting interesting nightly services.

Mr. J. Waters Russell led the Christian Workers service in Christ M. P. Church last Sunday evening, and delivered an able talk upon Happiness.

In the ancient chapel of St. Anne, in the city of Annapolis, was celebrated on Sunday last, November 22d, the 20th anniversary of the granting of the Municipal Charter. The occasion was generally observed by festivals and observances of various characters.

A Week of Prayer will be observed in the Protestant Episcopal Churches of the country, beginning to-morrow, Sunday.

Union Thanksgiving services were held in Christ M. P. Church on Thursday morning. Rev. W. L White delivered an able sermon, and the combined choirs of the church sang an appropriate anthem.

District Superintendent W. G. Koons presided in the third quarterly conference at Pomona last Saturday, and preached at Mowbray last Sunday evening. This charge has had profitable revivals at both Bond and Mowbray, with 13 conversions at the latter and 4 at the former. During his visit the Superintendent baptised Clara Isabel, the infant daughter of Rev. and Mrs. J. C. McCoy.

Chestertown M. E. Church: The Sacrament of the Lord's Supper at 10.30 a. m.; Sunday-school at 2.15 p. m.; Epworth League meeting at 6.45 p. m.; sermon to the Jr. Order of American Mechanics at 7.15 p. m. All are cordially invited.

Rev. O. E. Jones will conduct the Thanksgiving services of Harmony Council, No. 87, Jr. O. U. A. M., on Sunday afternoon, Nov. 29th, in the M. E. Church, Cecilton, Md. The members and visiting brothers are requested to meet in the Council Room at half-past one o'clock p. m., to attend services in a body.

M. E. Church South, Chesterville: Sunday-school at 10, preaching at 11; service at 7 conducted by a layman; preaching Wednesday night at 6.30. Trinity M. E. Church South, Millington: Sunday-school at 2, preaching at 3; League at 7, followed by evangelistic service. Preaching Thursday night at 7.30 o'clock.

Mission at St. John's.

The mission given by the Rev. Jos. N. Snyder at St. John's Church, Rock Hall, has proven a deciden success and thoroughly appreciated by the members of the parish as well as by their relatives and friends, as shown by their persevering and numerous attendance. A source of great satisfaction during the mission was the faithful attendance of a large number at the 5 o'clock service, before pursuing their daily occupation, an unerring proof of their sterling Catholic faith. On Saturday evening the children and adults of the faith will be solemnly consecrated for life to the blessed Virgin Mary, the Mother of God. A shrine will be erected in her honor and Father Snyder will deliver a sermon on the blessed Virgin. Another noticeable feature of the mission was the special exercises for the children held every afternoon at two o'clock. In these instructions the children were exhorted to attend the Holy Sacrifice of the Mass on Sunday and holy day of obligation, and were taught the necessity of learning their religion in order to be loyal and practical Catholics all their lives; and also to inculcate into the hearts of the little ones the reverence, love and obedience which they should show to their parents. The mission exercises will end on Sunday morning at 10 o'clock. Father Snyder will celebrate the mass and deliver an important sermon, and will conclude by bestowing the triple benediction on all the members of the congregation.

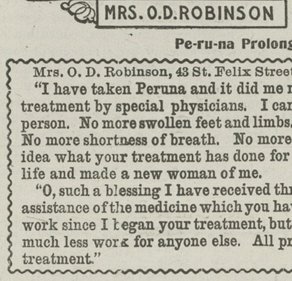
Those Who Have Used Pe-ru-na Are the Only Ones Who Really Know

Many a matron has lengthened the days of her comely appearance by taking Peruna. To be beautiful, the body must be kept clean internally as well as externally. Peruna produces clean mucous membranes, the basis of facial symmetry, and a clear, healthy complexion.

MISS NETTIE E. BOGARDUS

MRS. GEO. C. WORSTELL



MRS. O. D. ROBINSON

Pe-ru-na Prolonged Her Life.

Mrs. O. D. Robinson, 43 St. Felix Street, Brooklyn, N. Y., writes:

"I have taken Peruna and it did me more good than all my two years' treatment by special physicians. I can really say that I feel like another person. No more swollen feet and limbs. No more bloating of the abdomen. No more shortness of breath. No more stiff and sore joints. You have no idea what your treatment has done for me. It certainly has prolonged my life and made a new woman of me.

"O, such a blessing I have received through your kindness, doctor, and the assistance of the medicine which you have so kindly prescribed. I am able to work since I began your treatment, but before I was not able to help myself, much less work for anyone else. All praise is due to Dr. Hartman and his treatment."

My Sister Advised Me to Try Peruna.

I Took Your Treatment and My Appetite Returned Speedily.

I Gained Strength and Flesh and Am in Perfect Health.

I Am So Thankful Your Medicine Has Done Me So Much Good.

—So Says Miss Julia Butler, Of Appleton, Wis.

Sick Headache.

Miss Nettie E. Bogardus, R. F. D. 21, Westfield, N. Y., writes:

"I have been a great sufferer from sick headaches, but am now entirely free from that trouble. I have not felt so well in ten years as I do now.

"I would recommend Peruna and Manalin to all sufferers. I will say, God bless Dr. Hartman and his wonderful remedies."

Internal Catarrh.

Mrs. George C. Worstell, 11 River Road, Clarksburg, W. Va., writes:

"I trust that no one will think from this that I want my name in public for any cause only to let sufferers know where they may find relief from many ailments.

"I can truly say I have been much benefited by the use of Peruna. I feel better than I have for two years. It is the best medicine that I know for internal catarrh.

"I have taken medicine from the doctors and found no relief; but when I began taking Peruna I could see that before I had finished taking the first bottle it was doing me good."

Pe-ru-na Tablets.

For two years Dr. Hartman and his assistants have incessantly labored to create Peruna in tablet form, and their strenuous labors have just been crowned with success. People who object to liquid medicines can now secure Peruna tablets. Each tablet is equivalent to one average dose of Peruna.

Weak, No Appetite.

Mrs. Ruth B. Brent, Holmes, Ill., writes:

"I was in poor health three years ago. I kept getting worse, and I finally was so weak that I could not sit up all day. My feet and hands were always cold. I had no appetite.

"I consulted one of the best doctors, who said I could not be cured. I was nervous, my heart would flutter, and I had a pain in my left side and also had chronic constipation.

"I got a bottle of Peruna and one of Manalin and wrote to you for advice. While under your treatment I gained three pounds a month.

"I took several more bottles of Peruna and *now I am well.* I am able to do all my housework—cooking, washing, ironing, baking and mending.

"Everybody compliments me on looking so much better than I used to, and now I have a girl baby six months old, as fat as she can be.

"She is what I call a Peruna baby, for I know if it had not been for Peruna she would not be here."

For Suffering Women.

Miss Esther Lee, 302 Madison Street, Topeka, Kas., Secretary Triple Tie Social Club, writes:

"Fourteen months ago I began to be troubled with internal catarrh, which left me pale, weak and nervous. I decided to give Peruna a trial.

"To my great relief I found that my general health improved. I kept growing stronger, and within three months I was in my usual normal condition. I cannot recommend Peruna too highly to suffering women."

IN MEMORIAM.

Miss Mollie Van Dyke, eldest daughter of the late John P. and Annie Van Dyke, died Saturday, Nov. 14, 1908, of acute indigestion, at the Training School for Infirm Children, Elwyn, Pa., aged 48 years. Miss Mollie had been in this training school about three years where she held a good position, and I am sure she will be sadly missed by her fellow workers and inmates as well. She was a devoted sister and a true friend. One who was ever ready and willing to sacrifice self for the sake of others. She leaves three bereaved sisters and one brother.

Dear ones weep not, sister is not dead, her soul has only taken its flight to the God who gave it. She can not come back to you, but you can go to sister. By this providence a loving sister and friend will be greatly missed, but look on the bright side and put your trust in Him who doeth all things well. Be thou faithful, for another hand is raised to beckon you to a rich reward. Funeral services were held Tuesday afternoon, Nov. 17, at her late home in Kennedyville, conducted by her former pastor, Rev. Louis Randall, of Crisfield, Md. FRIEND.

Cecil county papers please copy.

IN LOVING REMEMBERANCE OF MISS MOLLIE VAN DYKE.

Those that knew Miss Mollie loved her dearly. She was faithful in performing all of her duties in her daily life. She was loved by all at Elwyn, as well as in her native home. I was with her a year at Elwyn. She was ever ready to comfort and help me when my duties seem hard, she was never too tired, but her willing hand could do something for the dear children at Elwyn, her smile and cheerful words did much to brighten their lives. I loved her dearly, and only wish that I could have been with her the last days she spent on earth. While I lay sick in the hospital her bright encouraging letters did much to cheer me up. It is well we do not know the future. We cannot tell why our dear friend was taken from us. "God knows best." Her home life was beautiful. She was a devoted sister. My heart aches for them in their great sorrow. Words at such times are useless, as time alone can soften such a blow. Our dear friend was laid to rest in Chester cemetery Tuesday afternoon. The bright sun was shining and the beautiful flowers all showed how "God" and friends loved her.

Just as I am Thou wilt receive,
Will welcome pardon, cleanse, relieve,
Because Thy promise I believe,
O lamb of God, I come, I come.

A FRIEND.

In sad but lowing rememberance of our dear daughter, sister and friend, Lydia Pauline George, who departed this life October 26, 1908, of a short illness of typhoid and pneumonia, aged twenty years, seven months and four days.

We miss thee from our home dear Lydia,
We miss thee from thy place,
A shadow o'er our life is past,
We miss the sunshine of thy face,
We miss thy kind and loving hand,
Thy fond and earnest care,
Our hearts are sad without thee,
We miss thee everywhere,
The vacant place the empty chair,
We see them day by day,
And Oh! it fills our hearts with care,
Since our loved one passed away.

A FRIEND, ELSWORTH.

Farewell, farewell my sister dear,
I've spent two sad and lonely weeks,
You left me with an aching heart
The day you and I did part.

BY BROTHER HARRY.

Our heart is sad and lonely,
Our grief too deep to tell,
But we hope the time will come,
When we may with thee dwell.

BY SISTER EMMA.

Farewell, farewell dear sister,
In heaven we shall meet,
And O! won't that be glorious
With every joy complete.

SISTER EVA.

Still our home is silent and lonely,
Every spot is desolate and drear,
As we liston for the voice of Lydia,
That we never more on earth shall hear,
Lydia dear we don't know how we miss you,
Miss you more than words can tell.
Blessed is every hour and day,
That brings me nearer with thee to dwell.

MOTHER.

We mourn thy loss dear daughter,
With a grief untold,
But I hope some day to meet you
Within the Saviors fold.
