WESTON, Ocean-to-Ocean Walker, writes:

Said recently: "When you feel down and out, feel there is no use living, just take your bad thoughts with you and walk them off. Before you have walked a mile things will look rosier. Just try it." Have you noticed the increase in walking of late in every community? Many attribute it to the comforts which Allan's Foot-Ease, the antiseptic powder to be shaken in the shoes, gives to the millions now using it. As Weston has said, "it has real merit."

MISTAKEN FOR MR. TAFT.

Capt. Edward Kirwan Center of Attraction at Washington.

To be mistaken for President Taft while on a visit to Washington was the experience of Capt. Edward Kirwan, of the Tolchester Steamboat Company, last Monday afternoon. As he left the White House in a big automobile in company with his wife and son and daughter-in-law for a spin down Pennsylvania avenue persons on every side bowed to him and men tipped their hats.

Captain Kirwan was not aware of his likeness to the President. When the party stopped at a hotel for supper with a friend, persons in the parlor and lobby began to bow to Captain Kirwan, and one of the guests said he had been asked by several persons if Capt. Kirwan was President Taft.

Captain Kirwan is a man of portly figure and resembles President Taft. He has been associated with the Tolchester Company for many years and is well-known in marine circles.
