The blaze was discovered in the creamery by a colored resident who gave the alarm. The Volunteer Fire Company responded promptly but owing to the inadequate supply of water, was unable to get the fire under control until the creamery and residence was burned to the ground. The larger portion of the household effects of Miss Riggin was saved, though she had a purse containing between $40 and $50 burned. The origin of the fire is unknown, as there had been no fire in the creamery since Friday.
