IN THE STUD FOR 1910.

John B.,

MATINEE RECORD, 2.21;
By Bedworth, Jr., Race Record, 2.06¾.

Dam, Lilly B., by Alcantell, and he a son of the great Alcantara, 2.23.

JOHN B.,

is 9 years old April 28th, 1910, is a beautiful dark bay, 15¾ hands high, weighs about 1100 pounds, is as handsome as a picture and one of the most sensible and best disposed horses living, and has to his credit as fine colts as there are in the State (none excepted). One of his colts,

HO BOY,

with but little training in his 2-year-old form showed a half mile on Belmont Track, Philadelphia, in 1.07½. And another of his colts,

LADY THOMPSON, (3 years old),

paced Bell's track last year a full mile in 2.23½, the last half in 1.11 and won second money at Tolchester in the 3-year-old class, was second to Lucky Prince, 2.21½, (Lucky Dick Henchell's fast colt).

JOHN B.,

is a fair and square trotter, won a matinee race on Bell's Track last year in 2.21, won the cart race at Tolchester last year, and was fifth in a field of ten horses last year at Pocomoke, which race was under 2.19½.

John B. is a sure foaler, having 18 live colts to his credit from 23 mares.

Will travel this season in Kent and Queen Annes counties.

His terms are $10.00 for the season, payable at end of season, June 20, 1910. $5.00 single leap, payable at time of service, and $15.00 to insure a mare with foal.

Will take on a limited number of mares at these figures.

Parties wanting the services of this horse can apply to James Floyd (his groom), phone 41, call on or address,

WM. C. A. THOMPSON,
Mar. 12-2m. Chestertown, Md.

Haakon, No. 43404

FOALED MAY 23, 1904,

By Onward Silver 2.05¼, Champion Trotting Stallion of 1901.

Haakon is a dark bay horse, 16 hands high, weighs 1130 lbs., white nose, both hind legs, and left fore pastern white. Bred by Mr. William H. Whitridge, Baltimore, Md.

Haakon is a trotter, and is one of the handsomest horses in the country. He took 1st prize as a 2-year-old at Timonium Fair Baltimore Co., Md., and 2nd prize as a 4-year-old at Madison Square Garden, Horse Show, New York.

Haakon's sire was the champion race stallion of 1901. Having gone 32 heats to win 6 races, which shows his wonderful endurance, in conjunction with his extreme speed, both of which he emparts to his offspring.

Haakon's conformation, looks and size compare with those of his Great sire Onward Silver 2.05¼, which fits him as a stud to produce foals that would suit for any purpose such as a race horse, coach horse, show ring, saddle or general utility, as he has a very mild disposition with good manners. As his pedigree shows his ancestors have extreme speed, they are at the same time producers of the same, back to Hambleton 10, on his sire's side, to Mumbrino Chief on his dam's side, the two greatest sires of standard bred horses in the world.

You can not make any mistake by breeding your mare to this horse, because of his individuality as well as to his breeding.

Haakon will make his season in Kent and Queen Annes counties at $25.00 to insure mare in foal. Will not be responsible for accidents or escapes, but best care taken of mares sent to us. Parties parting with mares responsible for colts. For further particulars address,

Mr. and Mrs. Frank H. Howard returned from Panama on Monday, where they had spent the winter with their daughter, Mrs. Kent Lambert. Mr. Howard brought back many interesting relics, among them a part of a genuine lace tree, which grows wild in those regions. It is a curiosity in these parts, and demonstrates the fact that lace grows on trees.

Mr. Edward J. Tapping, of Milwaukee, was the guest of Mr. Wilbur W. Hubbard a few days during the past week. Mr. Tapping accompanied Mr. Hubbard and his family to Europe last fall and Mr. Hubbard returned with Mr. Tapping and his family and their acquaintance ripened into friendship. Mr. Tapping was entertained not only by Mr. Hubbard, but by several others in town and made many friends while here.

We are very glad to state that Mr. Thomas R. Hubbard, who has been unwell at his apartments in Baltimore for sometime, is very much improved, and has hopes of his ultimate recovery.

Rev. and Mrs. J. M. Sheridan, of Baltimore, have been guests of their daughter, Mrs. Walter T. Morris, near town, during the week. Mr. Sheridan, who is president of the Maryland Conference, has been enjoying a rest preparatory to entering upon the visitation of the charges in the District.

Miss Nellie Nicholson spent the past week with relatives and friends in Baltimore.

Mrs. Emerson, wife of Mr. Emerson, the obliging shoe salesman in C. C. Jones' big shoe store, has been in Baltimore during the week for special medical treatment.

Mr. William H. Stewart, superintendent of agencies of the Metropolitan Life Insurance Company, with headquarters in New York, was in Chestertown last week, accompanied by his brother, Mr. D. B. Stewart, of the Stewart Fruit Company, Baltimore. Both gentlenmen were welcome callers at the TRANSCRIPT office.

Mr. D. B. McMenamin, who has been spending the winter in Aiken, S. C., is at home. We are glad to state that Mr. McMenamin is improving in health.

Miss Bertha Maul, of Philadelphia, has been the guest of her aunt, Miss Phebe Maul.

Miss Alice Richardson, of Baltimore, is visiting Mrs. Joseph R. Lambert, at Hotel Imperial.

Mr. Frank Howard who returned from Panama on Monday, states that Mr. Dumont Lambert will remain on the Isthmus, having secured a fine position as assistant to his brother, Mr. Kent Lambert, in the plumbing business. Mr. Howard states that Mr. Kent Lambert will shortly assume charge of the plumbing work of the entire Isthmus. Good for Kent and Dumont.

Mrs. Martha Greenwood and Mrs. Edward Kirwin, of Baltimore, were guests last week of Mrs. A. P. Matthews.

Mrs. J. W. Kirby has been visiting relatives in Baltimore.

Miss Ada Noland is quite ill at the home of her sister, Mrs. Mary Stoops, on Kent street.

Mr. Albert Harley, of Baltimore, spent Sunday with his mother.

Mr. Thurman Hill, who has been clerking in H. F. Jefferson's department store, has resigned and has returned to his home in Philadelphia.

Mr. John A. Russell, formerly of Chestertown, but now of Chester, Pa., underwent an operation for appendicitis last Friday at the Chester City Hospital.

We are glad to report that Prof. Blackiston Wroth, who has been ill of pneumonia is improving. His mother is with him yet.

Rev. Dr. and Mrs. F. T. Little attended the wedding of their son Rev. Frank K. Little to Miss Esther Low, at St. Anne's P. E. Church, New York, Thursday. The wedding was an elaborate one, 4 clergymen performing the ceremony. Miss Katie Little, a sister, was one of the bridesmaids, and Mr. Austin Little, a brother, was one of the ushers. Rev. and Mrs. Little will reside in Baltimore, where the groom is assistant rector of Emmanuel P. E. Church. They were the recipients of many very valuable presents, among which is elaborate furnishings for their home in Baltimore. The bridesmaids gowns, which were extremely handsome, were gifts from the bride's father.

Grange Notes.

Those members of the Kennedyville Grange, No. 244, who were detained at home last Monday missed a most enjoyable evening. Sister John Clendaniel with Brother John R. Bennett and Bro. Jeff Usilton as captains of the different classes, held a spelling bee which, as a fun-maker, was a huge success. To the average speller the very fact that he is spelling for a probable "sit down," is enough to set his wits awry. Sister Clendaniel used "Hoard's Dairymen" from which to select. We never knew before that such *awful* words could be found within its cover. One brother finally cried out: "Don't turn to another page, sister, there are enough right there to see my finish." One sister went down because she could get both ends of her word but could not find the middle. Brother Medders got himself tangled up in his word and took out for his seat, calling back, "*tion*—for I'm a goner, anyway." Brother Usilton's side was victorious with one of his class still by his side, Brother S. J. Comly. A sister remarked that Brother Usilton spelled by system, but that Bro. Comly spelled by sheer good luck. At the next meeting, Monday, 25th, there is to be a general debate. The subject being: "Is the Sower More Worthy of Reward than the Reaper?" We hope to see a good, full house.

"In a Bad Way"

Many a Chestertown Reader Will Feel Grateful For This Information.

When your back gives out;
Becomes lame, weak or aching;
When urinary trouble sets in,
Your kidneys are "in a bad way."
Doan's Kidney Pills will cure you.
Here is good evidence to prove it.

Mrs. William Holston, 218 S. Governors Ave., Dover, Del., says: "I was in a bad way as the result of kidney trouble. If I sat down, I could hardly arise and had to be very careful how I moved, as sharp pains darted through my kidneys. I was treated by doctors, but found no relief, in fact, steadily grew worse. The kidney secretion passed too frequently, but were scanty and distressing and on arising in the morning, my back was so lame that I could hardly move. I finally procured a supply of Doan's Kidney Pills as they had been highly recommended as a cure for such troubles. The contents of two boxes removed every symptom of my complaint. I shall substantiate this statement to anyone asking me about it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
