## BASE BALL NOTES.

### "STARS" DEFEAT CHURCH HILL.

The Chestertown "Stars" defeated Church Hill Academy at Church Hill, on Saturday last in a rather loosely-played game by the overwhelming tune of 12 to 5. C. H. A. were comparatively helpless before Wilmer, the Stars' crack twirler, and he struck out one after another of them for six innings and then let up, when in the next three sessions they put five men across the rubber. The Stars simply couldn't help scoring for they all had their batting eyes with them, as the hit column below shows. Rolph at third, put up a good game for the Stars, making three hits and having 4 assists to his credit. Wilmer, Russell, Duyer and M. Brown figured quite conspicously in the hitting line. Brown getting five beautiful and timely bingles, and Russell was sure on the job as a pinch-hitter. Duyer at the receiving end had the Church Hill boys swinging like a gate and got everything that came in his territory, and those fielders also, of the Stars are worthy of mention, especially Rickey Derringer who made some catches that to the fans looked quite difficult. The score is as follows:

Struck Out by Newnam, 10; By Bailey, 5.—Double Plays, Massey, 2; Millington, 2. Anybody wishing games can address Raymond Newnam, Massey, Md.

The Massey first team defeated Golts in an interesting game at Massey, by the score of 8 to 3. The Massey first team is open for games with any team playing fast ball and an honest game. Those wishing games can secure same by addressing Mr. Herman Massey, Jr.

The first team left on Thursday in charge of Coach Thompson for a week's swing around the circuit. They played the Frederick Y.M.C.A. team yesterday and to-day they will defeat Western Maryland. They will play some of the strongest college teams in the country before returning.

The college second team administered a severe drubbing to the North East High School team on Saturday afternoon, score 16 to 0. Jarman pitched a steady game throughout and received good support. He retired his opponents on three pitched balls in the first inning, a feat rarely seen on the college diamond.

### Bond Issue Wins.

By a vote of 44 to 11 the tax-payers of the town of Betterton voted on Saturday afternoon to issue $2000 in bonds to lay sidewalks and streets in the town. An engineer has been employed to survey the walks, and just as soon as the bonds are sold the money will be provided, and work will begin. It is hoped that work can be begun by June 1, in order that a large part of the work may be completed by the height of the summer season. These improvements will be a big thing for the town of Betterton. They will make the town one of the most up-to-date on the Shore, and will attract not only visitors there but permanent settlers as well. Let the good work go on, and let everybody pull together for the progress of the pretty bayside resort. Let its hustling merchants continue to advertise, and bring the people to the town. Consistent advertising does as much for the progress of a town as good streets and fine houses, for people are going where the inducements to spend their money are the best.
