FERRO

The World's Standard 2-Cycle Motor

The Ferro is unquestionably the highest type and best known engine built. It was awarded the Gold Medal at the recent Seattle Exposition and holds the highest reputation in all prominent motor boating centers.

We Are Representatives for This Locality.

See us before buying your boat or engine. The engine should be the deciding factor in purchasing a motor boat. No matter how high class the hull may be if the engine is not satisfactory in its operation the owner simply has nothing whatever to enjoy.

Come in and have a boat and motor talk with us. It will put you under no obligation to buy.

GREAT FOOTBALL GAME.

Washington College Outplays the Strong Rutgers College Team, and Wins a Brilliantly Played Game.

Amid the greatest enthusiastic cheering ever displayed upon the local college grounds, Washington tugged down the field Saturday afternoon against the strong Rutgers squad and rallied with a victory of 6 to 5. To see the light-footed Maroon and Black boys marching down the field and in every action outplaying their opponents instigated a feeling of insurmountable confidence and spirit that will ever live to the glory and fame of brilliant Washington. This triumph and victory, which will joy the heart of every loyal Washington supporter, is probably the greatest achievement accorded the local college, and marks the beginning of a new era in the athletic history of this institution.

The contest started at 3 o'clock, when Captain Porter, of Washington, kicked off. Smith, Rutgers' left halfback, brought the ball to his 30-yard line. Rutgers could not gain and punted. Meegan caught the ball and landed it on Washington's 50-yard line. The quarter ended with the ball in Washington's possession near the centre of the field.

At the beginning of the second quarter the Rutger boys appeared much stronger, and carried the ball to Washington's five-yard line. On the second down Washington was penalized, and the ball was placed on her one-yard line. The pigskin was then carried over by Alverson, who failed to kick an easy goal. The score was 5 to 0 in Rutgers' favor at the ending of the second quarter.

In the third quarter Washington completely outplayed their opponents, who were continually penalized for holding and making illegal tackles. Porter, by line plunges and sensational punts, landed the ball near the Rutgers goal, and it looked as if Washington would score. Two runs, netting two good gains, then were made around the end by Porter and Bauby. Time was called with the ball nearer Rutgers' goal line.

At the starting of the last quarter Washington punted. Rutgers returned the ball on a kick on its first down, Meegan carrying the ball to Washington's 40-yard line. Porter then slipped in a sensational kick. It was a beauty of 45 yards against the wind. Bauby got the ball and landed on Rutgers' five-yard line before being downed. The locals failed to get in the required distance in three downs and Rutgers took the ball. Rutgers kicked. Meegan carried the ball back to the 21-yard line. Then followed the hardest fight of the contest.

WASHINGTON SCORES.

Rutgers got the ball and attempted to kick, which was blocked by Wright, and Washington got the ball. A forward pass by Meegan to Garrett sent the leather to Rutgers' two-yard line. On the first down Captain Porter took the pigskin over for a touchdown. He then kicked goal from a difficult angle.

There remained 1 minute and 40 seconds of play and during this period Washington was doing the better of the fighting and nearly scored again. The line up :

Washington.	*Position.*	*Rutgers.*
Ciminera	Right end	Cooper
Hackett	Left tackle	Foster
Jones, Krantz	Left guard	Vanwinkle
Meredith	Centre	Julie
Bowland	Right guard	Foohin
Wright	Right tackle	McCullam
Garrett	Right end	Robertson
Meegan	Quarterback	White
Branham	Left halfback	Smith (Capt.)
Porter (Capt.)	Fullback	Alverson
Bauby	Quarter halfback	Overton

Field judge—Johnson, University of Maryland. Timekeepers—Dr. Clark, of Washington ; Sexton, of Rutgers. Touchdowns—Porter and Alverson. Goal, Porter, of Washington. Time of quarters—14 minutes. Referee, H. W. Vickers; umpire, S. Scott Beck.

Rock Hall Items.

Purnell Newcomb has opened a feed store in the room recently vacated by Howard, the barber. Mr. Newcomb has all that can be needed in this line and has a very attractive store.

Some one entered the barber shop of L. B. Maslin either Saturday night or Sunday and took some of his finest razors. The entrance was made by the side window, and the shop was left in a very disarranged fashion, as though most every thing had been handled and thrown aside as in a hurry. There has been no one suspected and no clues left for an investigation or apprehension of the thieves.

The Mendel Bros. factory, which has been closed for several days on account of some broken parts of the engine, started up work Wednesday.

Miss Ida Redgrave has accepted the position of companion to an old lady in Baltimore. She left here last Wednesday morning to take up the duties of that position.

Max Alexander was a visitor to Baltimore this week.

Harry Swartz is in Baltimore for a few days in the interest of his work for Mendel Bros.

At a public sale Thursday Frank Wilkens sold his farming implements and stock. He will stock and open up the store formerly occupied by his brother, Babe Wilkins, in Demby.

The boys of the Jr. O. U. A. M. will again organize the minstrels. Last year they had a good company and this year it will be better.

KRAMER'S MOTTO

"Quality and Prices"

THAT is the motto we adopted when we opened our store to the people of Rock Hall and surrounding country. It is the principle upon which we have made friends. Promises may get customers, but it's performance that keeps them. We promise you goods that we know would give you satisfaction at prices that you cannot equal elsewhere. We invite your inspection of these offerings ; you will not be urged to buy. Your patronage hangs on a thread —that thread is satisfaction. We treat you squarely and that thread becomes a cable ; therefore, if you favor economy and wish to get the best values possible for your money, come in and inspect our various lines, as we can show our stock much better than we can tell about it.
