Schofield's At Still Pond. | Still Pond's Greatest Christmas Store | Schofield's At Still Pond.

The snow is here. They champ and stamp, those tiny reindeer. What a glorious thing this glistening white mantle over the woods must be to that beloved team—Dasher and Dancer, and Prince and Vixen, Comet and Cupid, Dunder and Blitzen. How they've trembled for fear that Santa Claus would be persuaded to come this year in one of those new fangled flying machines. But now they are happy, and every boy and girl is dancing in glee, for nothing can be quite so swift and sure as the good old sleigh.

Then Let This Toyland Store be Headquarters

For your Holiday shopping. We have a store full of the Finest Christmas Gifts ever put before this public. A look inside will convince you that we have the grandest display ever shown in this county, consisting of :

SOCIETY REALMS.

Mr. Robert Huey, the efficient bookkeeper in the Third National Bank, visited his mother in Baltimore the latter part of last week. Mrs. Huey has been quite ill, and her son has been visiting her periodically during her illness.

Mrs. Mary A. Hynson is in New York City to spend Christmas with her daughter, Mrs. C. U. Carpenter.

Mrs. Barbara Anthony has been quite sick at her home on High street during the week. We hope Mrs. Anthony may soon be well.

Mr. Roy White, of Syracuse, N. Y., youngest son of Rev. and Mrs. W. L. White, of Dover, Del., formerly of Chestertown, is to be married to a popular young lady at Parkersburg, West Virginia, December 28th.

Miss Laura Lambert, one of the obliging operators at the Telephone Exchange, spent several days in Baltimore this week.

Mrs. Wm. J. Vannort returned to her home on Front street last week after an absense of several months spent in Westminster and with her daughter, Mrs. H S. Rayner in Baltimore.

Miss Agnes Estes went to Baltimore on Monday morning for special medical treatment. Miss Agnes has not been well for some time, and her physician advised treatment by a specialist. She was accompanied by her mother, Mrs. Wm. C. Sutton. Miss Agnes was operated upon for appendicitis on Tuesday morning. We are. glad to state that she is doing well.

Miss Virginia Little, a student at Western Maryland College, is at home for the Christmas Holiday. The Holidays began earlier than usual on account of the Scarlet Fever outbreak.

Mrs. A. M. Bowers is visiting her son, Rev. John S. Bowers and his family at Aluntt Memorial parsonage, Baltimore.

Conductor John D. Welch, of the Kent train is enjoying a well-earned vacation. His place is being filled by Mr. Downes.

Mr. and Mrs. Frank Shinn's little daughter was taken to the Hahnemann Hospital Philadelphia, by Dr. H. L. Dodd the latter part of last week suffering with a severe affection of the eyes. The little girl had been practically blind for some weeks, and her case had baffled the skill of her physician who deemed it essential that she be taken to the hospital for special treatment. She is reported to be improving.

Mr. Templeman, of Chesapeake City, has been visiting Mr. A. T. DeShane and family, near Black's, this week.

Mr. Harry P. Skipper has been elected president of the crop Breeders and Forage Association of Maryland. Good selection.

Mrs. Robert Wickes, who has been at the Mercy Hospital, Baltimore, for two months, has recovered sufficiently to be able to return to her home on Eastern Neck Island. We hope Mrs. Wickes will soon be fully restored to health.

The young people of Rock Hall and vicinity held a delightful dance in K. of P. Hall, last night. The patronesses were Medames A. Carroll Willson, Hopkins Burgess and J. Walter Sutton.

Mr. W. H. Watkins, of Rock Hall, and Miss Katie Capps, youngest daughter of Mr. and Mrs. Wm. Capps, of Still Pond, were quietly married at six o'clock on Wednesday morning of last week.

Prof. Milton Melvin and bride have returned to their home in Morgnec, where they are "at home" to their many friends.

Master Belt Townshend, son of Mr. and Mrs. Sidney P. Townshend, arrived home on Tuesday evening from the University Hospital, Baltimore, where he had been for some weeks for special treatment to one of his limbs. He was accompanied by his father. We are glad to state that Master Belt is greatly improved, having gained at least ten pounds while at the hospital, and the physicians gave his father every assurance of his ultimate recovery.

Big Money in Hogs.

Mr. A. B. Meredith, of near Church Hill, one of Queen Annes most progressive farmers, sold to Mr. Joseph Lewis on Monday morning two hogs, one weighing 366 and the othor 368 pounds. He got 7½ cents a pound on the hoof, the two hogs bringing $55.05. Mr. Meredith slaughtered a pen of ten hogs, which, with the two he sold Mr. Lewis, totaled in weight 3,022 pounds. At 7½ cents a pound on the hoof, Mr. Meredith got $226.65 for 12 hogs or an average of $18.88 a hog. It took three bushels of shelled corn a day to fatten them which, at 47 cents per bushel, would be $1.37 per day. It can be readily seen what a fine profit there is to the farmer in raising hogs provided he can keep them from the ravages of the cholera, and if they use the serum which the TRANSCRIPT has described on several occasions, they can do it. Ask Dr. Jarman about it.

Strawboard Ricks Burn.

Fire at two o'clock Monday morning destroyed five large ricks of straw at the American Strawboard Mill on the outskirts of town, causing a loss of 284 tons of straw. The loss is about $900, with partial insurance. The fire is supposed to have been started by some one who had gone to one of the ricks to spend the night and was smoking at the time. The mill had recently been closed down for an indefinite period, and there was no one around when the fire occurred except the night watchman. He gave the alarm by telephone and 300 men responded. The high northeast wind kept the flames from the big buildings and nothing was destroyed except the straw, which burned all next day, notwithstanding the heavy snow and sleet storm.
