Trinity, Millington, Sunday school at 2. Preaching at 3.

It has been reported that Mr. B. E. Benton has had a slight stroke. His many friends hope that he will soon be about again, and be with them many years. He is not an old man, but has been a hard worker.

Bishop Hoss, who held the conference of the M. E. Church, south, at Clifton Forge, Va., returned the pastor of Emmanuel and Trinity for the fourth year. This will close the pastorate of the present incumbent on this charge as the limit is four years. During the last three years the church property at Chesterville has been put in order inside and out, and all assessment paid in full, and a good sum of money on hand for the repairs on Trinity. This indicates the earnestness of the church people in reference to their obligations. It is hoped that this closing year may be the best of all, and all are invited to co-operate for individual and community well-being.

Maryland Day was observed in the Chesterville school this week.

Mr. Holden has been more or less confined to the house for several weeks, and for several days Mrs. Holden has been indisposed.

The farmers' are anxiously waiting land conditions for crop planting. Be patient, seed time and harvest time have never yet failed.
