RESULTS SATURDAY.

At Chestertown—Millington 15, Chestertown High 14. This game proved to be a slugging contest, Millington getting a shade the better of the argument. Beaumont replaced Gibbs in the latter part of the game, and held the Millington hitters to one run. Much depended upon this game as a defeat for Millington may have cost the up county boys that silver cup which they seem so anxious to win.

At Church Hill—Double Creek forfeited the game to Church Hill by not appearing on the field by four o'clock.

The Smythites defeated the Washington College Invincibles last Monday to the tune of 20 to 1. Derringer pitched effective ball for the High School and his support was par excellent. Batteries: C. H. S.—Derringer and Robinson; W. C. I.—Moore and Hicks, Pfitch and Stokes.

W. C. TRIMS M. A. C.

Washington College defeated Maryland Agricultural College here Saturday, 9 to 5. Duckett started in the box for M. A. C., but the home boys soon took his measure and Hoffecker replaced him. He was effective, only one run being scored on him.

The Washington team played excellent inside ball. A prominent feature in this respect was a bunt after two hands were out which play produced a run. The M. A. C. boys had expected the hitter to line it out.

In the infield Lewis, at short started for Washington, his work being exceptionally clean and accurate. In the outfield Garrett and Waller played their usual strong game.

Luck was somewhat against the visitors some of the infield hits making bad bounds, but taking the game as a whole, the Eastern Shore boys outplayed the farmer boys.

Hoffecker pitched a strong game and deserves much credit for stopping the batting streak started by Washington, in the early innings. Jarman's work was creditable throughout. He, to, was touched up rather sharply in the game, but steadied down and at no time, after the M. A. C. boys had scored their five runs, were they dangerous.

This game gives Washington College a most creditable position in baseball among those colleges which the Eastern Shore institution always has considered its bitterest rivals viz. Western Maryland, Maryland Agricultural and St. John's. Washington has defeated the first two, but has no game scheduled with St. Johns's. It is to be regretted that these teams cannot meet as the admirers of both institutions would be intensely interested in the outcome.

Washington College's opponents today at 3 P. M. will be the strong Rock Hill team. This is one of the strongest teams in the State and if W. C. wins this game, they will indeed be some pumpkins. But who said they would not? Here's saying they will, and let's *root* and *bunt* to beat the band.

The Chestertown Nationals defeated the Worton team last Saturday. The score stood 20 to 12. The batteries for Chestertown were R. Collins, and W. Davis and for Worton, Gears and Cooper. Both pitchers pitched a fine game, in which they had good support. This team will play Rock Hall to-day and another interesting game is expected.

Church Hill defeated the Washington College reserves on Washington field on Wednesday afternoon by the score of 4 to 0. Baden, who pitched for the reserves, struck out 15 men, and had his support been what it should have been the score would have been different. There is some promising material on the reserve list and if any holes are made in the first team next year, it should not be difficult to fill the vancancies.
