Wedding Announcement.—Mr. and Mrs. Wm. Burris, of Millington, Md., announce the marriage of their daughter, Eva M. Burris to Mr. George L. Bartlett, of Wilmington, Del., on June 28th, 1911. The wedding will take place in Philadelphia after which the couple will return to Wilmington where they will reside.

To Bankers' Convention.—The following delegates to the Bankers' Convention which meets in Deer Park next week have been elected by the Chestertown Banks: *Third National*, Cashier W. B. Copper, *Kent County Savings*, Messrs. John D. Urie, J. D. Bacchus and William F. Russell, *Chestertown Bank of Maryland*, Messrs. Charles H Price and Merrick Clements.

Mr. Vickers' Will.—The will of the late Harrison W. Vickers, Esq., was admitted to probate on Tuesday. The will is extremely short, and was written May 24, 1911, and witnessed by Messrs. J. Cordray Loud and Sidney P. Townshend. After the payment of his proper debts and simple funeral expenses, the entire estate is left to his widow absolutely in fee, with the request that the Orphans' court exact of his widow, whom he names his executrix, only a nominal bond.

To Have School.—By a unanimous vote the School Board Tuesday voted to erect a school building in Pomona for the accommodation of the patrons in and near the village. The people of that section have long felt the need of school facilities for the village, but owing to the fear on the part of some that a building in the village would affect the middle school and the school near town, and prevent their opening the matter was never pushed. It has been demonstrated that there will be no such interference and the Board voted to place a school in the village.

NEWSY GLEANINGS.

Chestertown is to have a Posta Savings Bank.

Mr. John Bedwell has rented Mr. George Rash's farm near Worton, now tenated by Mr. Harper R. Carter.

Do you see the gas pipes lying along the streets? Lots of them ain't there! See any two footed ones in your travels?

Expressman John E. Matthews was slighthy injured on Wednesday by the falling of a heavy box of fish on his foot.

Mr. George W. Owens, of Baltimore, has just completed a fine cottage on Idlewhile Bayside for Mr. Floyd Crownhart.

Wheat is said to be scabbing badly in certain sections of the county. The heavy dews and hot suns are said to be the cause.

Wheat harvest will begin in Queen Anne's county to-day. Harvest will be general in Kent next week. The prospect is for a fair yield. Mr. I. R. Leaverton began cutting on Thursday.

Mr. William H. Lambert has a dog and six little puppies which are mothering nine motherless chicks. It is a curiosity to see the "happy family" together in their cosy box.

Eight thousand members of the Patriotic Order Sons of America celebrated the 134th anniversary of the birth of "Old Glory" at Tolchester on Wednesday. A number of members of the local order attended the celebration.

Mr. Robert Moffett moved into his new meat market this week and he is "fixed up" in fine shape. The frame building on the square heretofore used by Mr. Moffet thas been removed to his lot on Cannon street and will be used as a part of a double dwelling which Mr. Moffett will erect.

The water in Morgan spring is being pumped from the reservoir preparatory to a test of the water in the pool to determine its availability as a source of water supply for the town. A four horse-power engine is doing the work.

Capt. Curtis E. Crane received on Thursday his fine four-passenger Reo auto, which he purchased recently from Mr. P. E. Corkran, the agent for the Eastern Shore territory, at Easton. It is a beauty, and Capt. Crane is learning the art of managing the wheel from Mr. Corkran.

Alice the little 12-year-old daughter of Mr. and Mrs. J. Dowling of Rock Hall, on last Sunday noon met with a very painful accident. She was holding a dish pan while her twin sister Mary was pouring hot water into same from a tea-kettle, when one of the handles on the pan broke which caused the child to scald her limbs very badly. We are glad to state she is getting along nicely.

Mr. Philip George Wilmer, one of the High school graduates in his excellent speech on Tuesday evening made a strong plea to the generosity of some one of our public spirited citizens for an athletic field where boys and girls may indulge in healthful and innocent sport. This is a plea from the youth of the town, and it would be a splendid thing if some one will heed it. Dr. S. E. Ford has very kindly donated his lot for base ball during the season, and he received the thanks of Prof. Smyth and his ball team on Tuesday evening. If we take more interest in the work the ladies are doing on the public playgrounds we shall soon have the desired field.

The storm on Monday evening did considerable damage to corn and shade trees in sections of the county. The wind was heaviest in the vicinity of Tolchester and many trees were uprooted in that neighborhood.
