Still we GROW, and there is reason for our steady increase in business. The fact that we have not only held our business but more than doubled it with all competition, indicates that the PUBLIC MIND has not lost sight of the essential requirements that make a bank SOUND and SAFE. The principles of conservative banking that have governed our development in the past will shape our future policy. CONSERVATIVE but PROGRESSIVE.

Your Business Solicited.

ATTORNEY GENERAL STRAUS has officially ruled that official primary ballots, printed and intended for a certain election precinct or district, cannot be lawfully voted or counted in any other election precinct or district. The law requires an *official* ballot to be voted in each election precinct or district, and the ballots are required to be printed and distributed accordingly, so that a ballot printed and distributed for one precinct is not the official ballot, as contemplated by law for any other precinct.
