FAIR AND DRIVING ASSOCIATION FORMED.

To be Known as the Kent and Queen Annes County Driving and Fair Association.

From twenty to twenty-five horsemen and business men of Kent and Queen Annes counties met at Stam's Hall on Wednesday afternoon for the purpose of considering the advisability of forming a fair and driving association for the two counties.

Mr. H. P. Skipper was made chairman and Mr. James G. Beck secretary.

It was decided to capitalize the association at $20,000 and make the shares of stock $10.00 per share.

The chairman, Mr. H. P. Skipper, and the secretary, Mr. James G. Beck, were appointed a committee to solicit stock with power to appoint such assistants in the two counties as they deemed necessary to assist them.

The name of the association is to be The Kent and Queen Annes County Driving and Fair Association, and it is to be located at Chestertown.

It is proposed to opperate this association by employing a trainer who will be at the grounds the entire year to care for, train and break any horses entrusted to the association. This plan is different from any other association on the Shore. It is the intention of the association to build a first-class track in every particular, one suitable for automobile races as well as for horse racing.

Option has been secured from Mr. Walter Wright, owner of the Wm. S. Walker property at the lower end of the town for the location on a five-year lease with option at end of the five years to re-lease or purchase the sight at pleasure of the association. The association thinks this one of the finest and most convenient locations on the Eastern Shore. It is accessible to the river and to the railroad, and it is claimed will be a benefit to the business interests of Chestertown. The matter now rests in the hands of the people of the two counties. The stock will be ready to be placed by the first of next week, and can be secured from the above-mentioned committee.
