TIME TO ACT.

Don't Wait for the Fatal Stages of Kidney Illness. Profit By Chestertown Experiences.

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old time health and vigor will return. Cures in Chestertown prove the effectiveness of this great kidney remedy.

Mrs. Albert Rawleigh, Calvert St., Chestertown, Md., says: "I know what Doan's Kidney Pills will do and can recommend them. A member of my family suffered from kidney trouble. There was sediment in the kidney secretions and the passages were too frequent. He had pains through his back and kidneys and was dizzy. Doan's Kidney Pills were finally procured from Toulson's Drug Store and they made him well."

DOWN ST. JOHN'S FOR THE TITLE.

Washington College Men Outplay Rivals.

Annual Game Between the Two Institutions Ends in a 11 to 0 Victery for the Gridiron—Gladiators From Chestertown at Oriole Park. Mayor James H. Preston Among the Interested Spectators.

The Washington College eleven, vanquished the St. John's College in their annual battle Saturday afternoon at Oriole Park, 11 to 0. Owing to the counter attraction at Homewood, where the Indians were the card, the crowd was not up to the standard, considering that the two teams were battling for intercollegiate honors of Maryland. Not more than 500 persons were present.

A large student body from both colleges were on hand to cheer their favorites. The Washington College rooters occupied the left field bleachers, while St. John's followers gathered to the eastern section of the grandstand.

Among the interested spectators at the game were Mayor James H. Preston. He was accompanied by his family. His secretary, Mr. Robert E. Lee, was also with him. Mayor Preston is an alumnus of St. John's College.

The songs and yells of followers of both colleges awoke the neighborhood of the ball grounds from its fall quietness. Music furnished by Weber's Fifth Regiment Band cheered the warriors on the cold field. The field was water-soaked and several times the players slipped when ordinarily they could have made good gains.

DEFEND THE WEST SIDE.

Washington College won the toss and defended the west side of the field. Clayton kicked off for St. John's and Branham carried the ball back for a short gain. Porter then punted for Washington College. Clayton got the ball for a fine gain. Washington College got the ball on a fumble. The ball was in St. John's territory during most of the quarter. Porter proved the stronger punter and also had the wind with him. Mellon, for St. John's, also punted finely. The quarter ended without a score with the pigskin on St. John's 25-yard line.

Both teams kicked a lot in the second quarter. Porter attempted to work the forward pass for Washington College, but the ball hit the ground and went over. Clayton kicked to Washington College's 15-yard line and Meekins made a few yards. On the next down Porter ran through the tackle for a gain of 20 yards. Porter made a well manipulated forward pass to Strong for a gain of 15 yards and later attempted to drop kick a field goal, but missed. Mellon got the ball and gained five yards. Clayton then punted out of the dangerous territory. His punt went for about 45 yards. Porter got the ball for Washington College. He punted shortly afterward. Wilson made a 10-yard gain on the first down around end. The quarter ended with the ball on Washington College's 20-yard line.

In the third quarter Washington College managed to get the pigskin over the line for a touchdown. Strong got the ball after ten minutes of play in the quarter, and after a shift play made a touchdown. Porter kicked goal. The ball was worked to St. John's 10-yard line previous to the touchdown by a plunge through center by Porter and a forward pass to Strong. The quarter ended with the ball in the center of the field.

MEREDITH MAKES TOUCHDOWN.

On the second down in the fourth quarter Clayton punted for St. John's and Porter got the ball for Washington College. Porter punted and Wilson fumbled the ball and Washington College got the ball on St. John's territory. Porter made a low kick across the field and the ball went outside. On the first down St. John's fumbled the ball and Meredith, of Washington College, made a touchdown. He ran about 35 yards. Porter failed to kick the goal and the final score stood 11 to 0 in favor of Washington College.

Porter, Brown, Strong, Wilkinson and Meekins played excellent ball for the winners. Welch, Melville, Mellon and Clayton played best for St. John's.

The St. John's eleven did not play their usual snappy game. They appeared to be overconfident, though some of the players were not in the best of condition. Mellon, at fullback, has a very bad ankle and a weak knee and could not play his usual brilliant game. The line-up:
