CAROLINE COUNTY LEADS THEM ALL.

The Taxable Basis Has Just Doubled Within the Past Ten Years.

The following is copied from the Baltimore American, and speaks for itself:

"One Maryland county which stands out as an example and an inspiration to other Maryland counties is Caroline, down on the Eastern Shore. Twenty years ago Caroline was regarded as one of the backward counties of the Eastern section—far behind Kent, Queen Annes and Talbot, the three counties that used to be pointed to by Eastern Shoremen when they were endeavoring to prove that the peninsula between the Chesapeake and Delaware bays is the original Garden of Eden. But when the 1910 census figures were announced, it was found that Caroline had matched Talbot in population and far out-classed either Queen Annes or Kent. And later, when the new State assessment was completed, it was revealed that the taxable basis of Caroline was larger than any one of the three shore counties. The taxable basis of Caroline has just about doubled during the past ten years.

"And it is the blushing strawberry to which the rapid rise in prosperity of Caroline is mainly to be attributed. In growing strawberries, Caroline probably outranks Anne Arundel. Berries from this Eastern Shore county are now moving to Philadelphia, New York and Boston by trainloads. And not only so, but millions of cans of this fruit will be put up in the canneries of the county. The Armours, of Chicago, have established a 6-acre plant at Ridgely, which, during the present strawberry season, will employ 1,000 hands. In addition, there are five or six other canneries in the town which employ each from 50 to 300 hands. There are strawberry farmers in the county who will net from $2,000 to $4,000 from their crops this year. There are now 5,000 extra pickers from Baltimore camped around in the county." Is not a matter of such vital interest financially to our farmers worth investigating? Land in Queen Annes and Kent along Chester river is just the kind to grow strawberries, and many of our farmers have fortunes in their hands if they only knew it. Look into the matter.

DON'T BE MISLED

Chestertown Citizens Should Read and Heed This Advice.

Kidney trouble is dangerous and often fatal.

Don't experiment with something new and untried.

Use a tested kidney remedy.
Begin with Doan's Kidney Pills.
Used in kidney troubles 50 years.
Recommended here and everywhere.

A Chestertown citizen's statement forms convincing proof.

It's local testimony—it can be investigated.

Mrs. Albert Raliegh, Calvert St., Chestertown, Md., says: "I know what Doan's Kidney Pills will do and can recommend them. A member of my family suffered from kidney trouble. There was sediment in the kidney secretions and the passages were too frequent. He had pains through his back and kidneys and at times was dizzy. Doan's Kidney Pills were finally procured from Toulson's Drug Store and they made him well."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

We expect you to go slowly of course, for you are buying for a lifetime—but after you have decided upon styles and settings and things, you may safely leave qualities to us.

Some new arrivals in Ladies' and Gents' Rings — diamonds singly and in combinations. We want you to see them.

No matter whether you spend $10 or ten times that amount, we promise you that you will carry away as much for your money as you could get anywhere in the land.
