A PROGRESSIVE is one who does not believe in a $1.85 tax rate.

IT IS not the *quantity* of leadership that counts. It is the *quality*. The Organization is overcharged and greatly hampered by the multiplicity of leaders, while the Antis have the quality that is productive of success.

WE ARE compelled to omit our communications, editorial matter and several columns of running advertisements this week in order to avoid a supplement. There is not an extra printer in town who is not engaged, and our job department is so full of rush orders that must be filled, that we ask to be excused this week for our ommissions.

THE Organization has abandoned its fight on all candidates on their ticket except for Howard Turner and their candidates for State Central Committee, and we understand from the most reliable source that they have very little hope of nominating any one on their ticket. Indeed, the tone and appearance of their paper, the Kent News, last Saturday, was a strong indication that the Organization has the mullegrubs.

MR. T. E. W. CREW, who some months ago announced himself a candidate for County Treasurer, did not file his certificate on Monday, and has concluded to withdraw as a candidate. Mr. Crew's withdrawal leaves the field clear to Mr. Samuel G. Caldwell, the farmer's friend, and Mr. John P. Ahern, the Organization candidate, with the odds strong for Caldwell. We understadd that Mr. Crew will use his influence for Mr. Caldwell, and his withdrawal is in the interest of the people's ticket.

Two more weeks of campaigning and then comes an overwhelming victory for the Antis at the polls on September 8th. The Antis are gaining votes every day, and the prospects are that every district in the county will be carried for the PROGRESSIVE AND GOOD GOVERNMENT. Let all FORWARD-LOOKING MEN AND WILSON DEMOCRATS stand shoulder to shoulder, and let's keep good old Kent county from getting into the control of John D. Urie and the Organization Democrats.

ON THE WRONG SIDE.

A well-known and most representative voter living up the county was approached by an Organization candidate the other day who asked the gentleman to vote for him in the coming primaries. The voter replied: "——, I like you and I like ——, who is running for the Legislature, but I can't vote for either of you because you are with those politicians and people who have held office in Kent county for years." And don't you know there are hundreds of people in Kent county just like that discriminating voter?

HOW IS THIS?

An Organization candidate told a gentleman in the presence of his wife at the big picnic at the Cliffs last Friday afternoon that he would not vote for a single Anti that was nominated. The gentleman said the candidate made the statement with a great deal of feeling. How is this for a candidate for office on the Democratic ticket? One thing may be said to the credit of the Antis, and that is, whether they have won or lost, they have invariably been loyal to the ticket nominated. There is no question as to the correctness of this statement. He made it, and he is not entitled to the vote of a single Democrat in Kent county because he did make it.

THEY ARE FOR VANDIVER.

Charles L. Dodd, George R. Rasin and William H. Stradley—Organization candidates for the State Central Committee—stand for the re-election of Murray Vandiver as chairman of the Democratic State Central Committee, as do also the Organization candidates for delegates to the State Convention—Vernon M. Barnett, James Thomas Hadaway and Frank Skirven. Defeat them. We have had enough of Gen. Vandiver. Vote for John J. Crouch, George E. Noland and Wm. H. McKee for State Central Committee, as well as Stonewall J. Johnson, Philip Myers and Charles M. Vickers for delegates to the State Convention, all of whom stand for the election of a Woodrow Wilson Democrat for chairman. Dodd, Rasin and Stradley are tied to the State machine. Hit them.

MR. HOWARD TURNER is the representative of those machine politicians, who have been holding public office for years, and who are opposed to the policies and principles of President Woodrow Wilson. No Democrat in Kent county should think of voting for Turner, because he is for Senator John Walter Smith and all that Smith and the State Machine stand for.

SHERIFF MCKEE extends an invitation to "Mother" to come over and taste the bill of fare served at the jail.

WHAT TAX-PAYERS MAY EXPECT.

The TRANSCRIPT has warned the tax-payers of the county from time to time what they may expect in the event of the nomination and election of Mr. Howard Turner and the remainder of their ticket, and since the Kent News has virtually admitted that the Organization spent **$57,730** more in 1908, 1909 and 1910 than did the Antis in 1911, 1912 and 1913, notwithstanding the Antis paid the enormous debts which the Organization piled up against the tax-payers in 1909, these warnings come with especial significance. We desire in this article to lay the matter more forcibly if possible before the tax-payers as to what they may expect if the Organization should win this fight.

Two years ago the Organization tried to get a bill through the Legislature to saddle an indebtedness of $68,000 on the people. Four years ago they passed a bill for indexing the records in the Clerk of the Court's office at an expense of some $3,000.

Last May they attempted to get $4,000 more from the Commissioners for roads after they had wasted $25,000 on them, and they assisted John D. Urie in an effort to get $5,000 more to run the schools of the county than was necessary.

Now, Mr. Tax-payer, just suppose the Organization had controlled the delegates in the Legislature and the Board of County Commissioners when these enormous and unnecessary demands were made. The tax-payers of this county would have been facing an extra indebtedness of **$80,000**, and a yearly tax rate of from $1.40 to $1.50. These are the cold facts which are a matter of common knowledge to every one who knows anything about the county finances. Now, then, if the Organization forces attempted to force an indebtedness of **$80,000** upon the people when they were not in control of the delegates to the Legislature or of the Board of County Commissioners, what do you suppose they will do if they should succeed in nominating Turner and Shallcross, or even Turner? Just as sure as you are living they will pass a law through the Legislature to give them control of the Board of County Commissioners, and Urie will get all the money he wants, Gibbs will get all the money he wants to waste on the roads, and the people will suffer in consequence. This is not political campaign hot air. It is the plain unvarnished truth. The deep secret underlying Turner's candidacy is a bold attempt to give John D. Urie control of the Democratic and Republican parties, and just as sure as you are living, Mr. Tax-payer, if Turner is nominated, Urie and the Organization Democrats will get the commissioners' office in spite of the people's welfare, and your money will be spent just as it was before the Antis got control of the commissioners' office. We have the most positive and definite information as to what the Organization intends to do if Turner is nominated, and we warn the tax-payers once more of what they may expect if Turner is nominated. The Organization forces are sacrificing every one of their candidates in order to save Turner from the wreck, and their reason is perfectly plain.

TURNER'S NOMINATION DANGEROUS.

Here are six good and sufficient reasons why it would be dangerous for the Democrats of this county to nominate Mr. Howard Turner for the Legislature:

1. Suggested as a candidate to the Organization Democrats by John D. Urie, a Republican, who is doing everything in his power for Turner's nomination.
2. Mr. Turner has been a Prohibitionist or Republican all his life.
3. He voted for President Taft and for Capt. Dan Hill, as well as several other Republicans on local tickets, and is reported to have voted the entire Republican ticket one year.
4. Several of the most prominent Urie Republicans in the county, one in the Fifth, one in the Fourth and others in the Third, are working like beavers for Turner's nomination in the Democratic primaries.
5. His affiliation with the Democratic party has been so remote as to give him absolutely no claim upon the party as a candidate, and his nomination means the creation of a precedent in Kent county which is a menace to the perpetuation of Democratic principles and to the control of our county affairs by the Democrats.
6. His nomination and election means the abolishment of the Board of County Commissioners and the extension of the term of Road Engineer Isaac Gibbs for two years, in order that the next Governor, if he is a Democrat, cannot turn him out.

These are the dangers that lie hidden in the nomination of Mr. Howard Turner, Mr. Tax-payer, and we warn you of your danger.

PEOPLE'S COLUMN.

How it Pays to be an Organization Leader.

The Kent News held up to derision a number of Democratic officials in Kent county, saying that as Anti-Organization Democrats they received large sums of money from Kent county. It especially denounced men like Edward C. Walters and Sheriff William H. McKee. While Andrew Medders was in the sheriff's office he got up a petition to the County Commissioners asking them to increase the pay for the board of the prisoners, and a number of Anti-Organization tax-payers, who knew the difference in the increased cost of living during the past 15 years, signed the petition for Mr. Medders, an Organization sheriff. Among them was Hope H. Barroll. When Mr. McKee came into office the cost of living had greatly increased, and many people, regardless of faction or party, signed a petition to the County Commissioners, and that is why 50 cents per day is allowed for board of prisoners. Mr. Barroll signed Mr. McKee's petition.

The Kent News alarmingly says Mr. Barroll has received **$725**.

But let us see what the members of the Organization have gotten and how it pays them to be Organization leaders.

FRED G. USILTON and WILLIAM B. USILTON, editors of the Kent News, during the last ten years have received from Kent county	$15,675.68
In the ten years before they received NEARLY DOUBLE THAT! JAMES T. DIXON, Clerk of the Court and Register of Wills will at the end of his term in 1915 have received	$63,000.00
While his son, THOMAS DIXON, JR., Deputy Clerk, as shown by the Comptroller's records, will have received	6,000.00
WILLIAM W. BECK, 8 years State's Attorney, 4 years Senator, will have received	11,000.00
LEWIN W. WICKES, as Attorney for the Board of Election Supervisors, as Attorney to the Board of County Commissioners, including his fee in the election cases where Senator Foxwell was counted out and where he tried to defeat James Bramble, has received	1,614.85
This does not include his fees as Court Auditor for ten years, some	6,000.00
S. SCOTT BECK as Attorney to the School Board, and fee of $150 as special counsel for assisting Mr. Wickes in keeping Senator Foxwell out of the office to which he was elected, and for which he was paid a fee of $150, has received some	250.00
He expects to be State's Attorney next time for 4 years which will be in addition some	4,800.00
CHARLES L. DODD, as Clerk to the County Commissioners, received from June 1st, 1904, to Dec. 1st, 1909	5,979.33
Now the people in the county can see what it has paid the Leaders of the so-called Organization to be Leaders. What about the rank and file?	
Why the rank and file consists of ISAAC GIBBS, JR., Road Engineer, and he has received and will receive during his 6 years office, not including his office expenses, surveying instruments, typewriter, paper, ink, etc., (but not the 'phone in his bed room)	$9,600.00
JOHN D. URIE, the real leader of the Organization, has received, including his 8 years of office as State's Attorney, Attorney to the School Board, Attorney to the County Commissioners, etc., Attorney to the Election Supervisors, the sum of	16,062.45

Now, look at these figures and say what you think of the Organization and the way it cares for its Leaders and its petty leaders?

NOT A LEADER.

Piney Neck, Md., Aug. 21st, 1913.

MESSRS. EDITORS:—The Kent News has a lot to say about the Antis, and the way they have run the county, and the Beck ring say they want the people to rule. What they call the people is just three in number, and they want to keep the people under heavy taxes all the time. They always get men in the Fifth District that do not pay tax or a rip full of tobacco and say that they are business men. I can't see any business in this, and more they said that the roads was out of politics. Why down here the Beck and Dodd ring have hauled the Pepublicans out to get their aid. They took the road work away from some and got others that charged more money and did less work, and appointed a road supervisor that is a insurance agent and give him a chance to get back what he put up for sheriff's office. The Beck and Dodd ring has been trying to make all the acts; tried all they could; but Mr. Barroll is holding them right up to their own make of law and that is just what is the matter with them. The Beck and Dodd ring is telling all sorts of yarns about Mr. Harris. Mr. Harris is one of the best men Kent county ever had in the Legislature. He saved the tax-payers thousands of dollars the Organization would have got if he hadn't been there, and the people owe Mr. Harris a debt of gratitude for saving them their money. The Organization wants to take all of a poor man's money for taxes and allow him nothing for a rainy day.

Respectfully,
PINEY NECKER.

Why All This Rumpus?

Millington, Md., Aug. 20th, 1913.

DEAR SIRS—We think the Organization people here are hard put to it. For three years we followed Mr. Ahern and Mr. Barroll when they joined hands. In these years Mr. Ahern helped Mr. Barroll to beat Mr. Geo. Jones and Mr. John P. Ernest. We know we Ahern people voted against Ayres, Willson, Clayton, Ivens, Parrott, Redmile and all on the Organization ticket except Herman Massey, we played him straight. Now Mr. Ahern seems to be fighting his former great friend Barroll. While we did not want to vote for Barroll's friends this way, we seem to have gotten in the habit of doing it. We read the Kent News and then we read the TRANSCRIPT, but we never see any praise of Mr. Ahern in your paper any more. Can you tell whether he is really Organization or is it the truth that he and Barroll have a private understanding, and after all Barroll is behind him without letting it be known? We have always thought we knew where Barroll was, but this time is he still Mr. Ahern's friend or the Antis? If he was with Mr. Ahern for three years why isn't he with him this time? And why isn't Mr. Ahern with him? Now, as you gentlemen seem to know everything about politics, answer this question: "Is Mr. Barroll playing Mr. Ahern or is Mr. Ahern playing Mr. Barroll, or is Mr. Ahern really this time a good Organization man from top to bottom, or is he only for some?" Mr. Ahern is smarter than we are, I know, but where is he at?

A FORMER JONES-ORGANIZATION DEMOCRAT.

[Ans.—Mr. Ahern is where he was not two years ago, and two years ago Mr. Ahern was where he is not now.—EDS.]

YOU remember how Mr. Charles L. Dodd opposed the Anti-Organization interests and charged them with disloyalty to the Democratic party at a meeting of the State Central Committee in Baltimore last year don't you? Mr. Dodd has fought the people's interests in Kent county for years. He is the strongest advocate of road engineer Gibbs there is in this county; he got up a petition to keep him in office during the last Legislature, and he is for the re-election of Murray Vandiver. Mr. Dodd says he believes in economy and progress and yet he was clerk to the Board of County Commissioners when they wasted the people's money, and he never turned his hand to prevent it. Why should you vote for Dodd?

LOCAL MATTERS

Mr. Marion Hadaway, the hustling wide-awake Worton Merchandise man is paying 30 cents a dozen for eggs.

Mr. A. S. Turner is devoting all of his time to the grain buying and farm implement and carriage business. He is as busy as a bee. See him at the fair.

If you want to know what is going on in Chestertown for the next two weeks, consult the "floating" banners and signs as well as the papers. There will be something doing, for sure, here the next two weeks.

Mr. F. W. Quantz, who has been the efficient Superintendent of the American Strawboard mill here, has tendered his resignation to take effect at once. We regret sincerely to lose Mr. Quantz. He is a most estimable citizen and a fine business man. We wish him success wherever he goes. His successor has not yet been appointed.

Swallowed a Chicken Bone.—Mr. Walter H. Hadaway, of near Edesville, had the misfortune to swallow a chicken bone one day recently. He has suffered considerable pain and has been unable to swallow solid food, but he is able to be about under the skillful treatment of his physician, Dr. T. B. Wilson.

Foot Badly Crushed.—About two weeks ago Mr. Edward Tolson, of the Seventh District, got his foot crushed in the fly wheel of a motor boat at Rock Hall. Every bone in the foot was crushed. Since then Mr. Tolson has been in a Baltimore hospital, and it was feared that amputation would be necessary, but he has shown great improvement lately, and his physicians have hopes of saving the foot.

Buys New Home.—Mr. L. Harris Crews, of near Betterton, has purchased the "Bayside Homestead" formerly the county place of Mr. and Mrs. Franklin Platt Canby at Betterton. The tract contains nearly five acres of land and is beautifully situated on the highest elevation of the popular resort, and affords a magnificent view of both the Chesapeake bay and Sassafras river. The place will be thoroughly remodeled, and will make a most desirable home.

NUPTIAL EVENTS.

MADDOX—SPEAR.

A very pretty wedding was solemnized in Holy Cross P. E. Chapel last Thursday when Miss Emily E. Spear, oldest daughter of Mr. and Mrs. E. W. Spear, and one of Kent's popular teachers, became the bride of Mr. Franklin E. Maddox, cashier of Galena Bank. The ceremony was performed at two o'clock by Rev. C. R. Birnbach. The wedding march was skillfully rendered by Mrs. W. F. Collins. The bride was given away by her father. Miss Edna J. Spear, sister of the bride, was maid of honor, and Mr. Olan Davis was the best man. The bride wore a becoming going-away gown of steel with hat and gloves to match, and carried bride roses. The ushers were Messrs. Franklin Spear, brother of the bride; Solomon Pippin, cousin of the bride; John Ernest and John Clendaniel. Mr. and Mrs. Maddox left after the ceremony in an automobile amid showers of rice and confetti on their wedding trip.

Mr. Charles Jacquette and Miss Addie Warner, of Rock Hall, were married at Wesley Chapel parsonage on the evening of Aug. 9th by the pastor, Rev. A. B. Dupuy.
