SCHOOL SUITS

Nearly every mother of a healthy boy knows how she has bought him a school suit that looked very well, indeed, and then wondered a few weeks later how the suit could possibly have grown so wrinkly, so shabby and so shapeless. We commend our school suits to mothers who have had just this sort of experience!

ALL of the Boys' Clothing we sell is tailored as it ought to be--and tailor mark is the only thing that will make a suit hold its shape in active service. We select only the most reliable fabrics. We have them made up with all the care and thoroughness they ought to have, and as a result our school suits will wear and hold their shapeliness to an unusual degree!
