Do You Know

That the most important part of the fitting of the shoe to the foot consists in fitting the arch? When the arch is fitted, the foot is fitted. It's impossible to over-emphasize this point. And this is why we specialize in shoes that

FIT THE ARCH.

Bring your foot problem to us. We don't want to "HELP you solve them." We want to "SOLVE them."

If you have never experienced true comfort in shoes, it means that you have never had the arch fitted. In other words, you have never worn the J & K SHOE. Come in any day next week and see the new styles.

Dress Ginghams, - - 12½c & 15c yd

It is not often that Ginghams are advertised. But as they are used to such an extent and as most likely, you want the kind that washes perfectly, and prefer to see the largest assortment possible, we wish to inform you that Jefferson's is the place to buy your Ginghams. Many new pieces just arrived this week, and they are neat and attractive if not beautiful. Come and get the choicest number.

NEMO WEEK

ONCE, for the sake of a fashionable figure, a woman had to endure all sorts of corset-pains and discomfort.

To-day, wise women know that Nemo Corsets give the very ultimate of style, and are so healthful and comfortable that it's a pleasure to wear them.

Our Corset Department is celebrating Nemo Week now. We are showing, and selling, all the latest Nemo models—and they're wonders. We're almost afraid you'd be incredulous, if we said here what remarkable service these corsets give. But see them, let us personally demonstrate their exclusive merits, and then you'll understand.

These latest Nemo models, like all Nemo Corsets, are most extraordinary values at the price—

Worton Items.

On Saturday evening the faculty and scholars of the Worton public school held a festival at the M. E. Church Hall. They were ably assisted by the parents and realized quite a substantial sum for the needs of the school. Miss Florence Jewell is principal, with Miss Sue Dunbracco as assistant, both of whom are thorough and faithful in the performance of their duty.

Mr. J. W. Ivens, one of our oldest and most popular merchants, has purchased a new automobile—a Ford.

Rook is the popular game indulged in by our young folks, who eagerly await Friday night. When released from school duty they are free to meet and play rook.

Our younger athletes are busy practicing base ball. The Worton nine played the Still Pond nine last Saturday and though we do not know the score we feel safe in asserting that the Worton nine beat the Still Ponders.

The members of the M. E. Sunday school are busy practicing for Children's Day services which will be held the first Sunday in June.

Mr. E. C. Markland, our young agent, representing the P. B. & W. R. R., was tendered a surprise birthday party last Friday evening by a number of our young folks. Those present were: Misses Bessie Cooper, Anna Jones, Bessie Newton, Lillian Morris, Sara Turner and Linda Sheats, of Worton, and Miss Woolford, of Wilmington, Del.; Messrs. R. Morris, William Newton, Norman Cooper, Ivens Sheats, Frank Turner, Sidney Turner, Milton Markland and E. C. Markland.

Mr. George Cooper has greatly improved his residence by adding new porches and shutters around the back building and adding a new coat of paint to the house and barns.

Mr. John Carter has had a very successful season with his asparagus crop. He has received as high as 30 cents per bunch.

Mr. Samuel Loller has a fine wheat crop, and his corn is making a wonderful growth in spite of the dry weather.

Mr. Fletcher Clark, one of our rural mail carriers, has been suffering with rheumatism.

Worton is looking very smart just now with neatly trimmed lawns, newly white-washed fences and newly painted houses. It is a pleasure to go through the village.

Our milk station is doing a thriving business. The shipments now reach to 7,700 lbs. daily. This puts money into the farmers' pockets.

Mr. A. S. Turner, our enterprising dealer in farming implements, has had a most successful season. His sales have been phenomenal. He has shipped to all parts of the county.

Miss Alice H. Woolford, of Wilmington, was a guest for a few days of her aunt, Mrs. James H. Markland.

Miss Crew and Miss Draper are guests of Mrs. John Carter.

Mr. Frank Turner made a run from Worton to Wilmington and return last Sunday in his automobile in five hours—some run—and shows that Mr. Turner is an able chauffeur and thoroughly controls his machine.

Quaker Neck Notes.

Mrs. Wm. Phillips has returned from her trip to New York, where she has been spending several weeks with her brother, Mr. Steve Walker.

Mrs. Simms, who has been making her home with her daughter, Mrs. Jacquette, has rented the Neal Hadaway house at the landing.

The Quaker Neck Art Club has elected the following officers for the ensuing year: President, Major Cree, whose specialty is wood carving; vice-president, Mr. Phillips, architect and etcher; secretary, Mrs. Ingersoll, whose miniatures have been awarded many prizes in Chicago and elsewhere; treasurer, Miss Gretchen Kratzer, who does excellent work in water-color. The Art Club owes its studio to the kindness of the Misses Brooks, who have provided a room for this purpose.

We are glad to see Mrs. Jack Westcott motoring again, after her recent illness in Baltimore.

Mr. Ingersoll has completed the new boat landing on his estate.

Capt. Bob Jones has been indisposed for some days, but is improving. His daughter, Mrs. Hadaway, has been visiting friends in Rock Hall for several weeks.

Mrs. Cree and Miss Margaret Cree spent the day in town last Monday afternoon.

Friends of Mrs. Harold Baker were worried at hearing of her illness a short time ago, and will be glad to learn that she is recovering, and is able to be about again.

Mr. Goodman and family spent an enjoyable day on the river last week.

Mr. and Mrs. Walker have arrived from New York to continue their visit with Mrs. Phillips. Mr. Walker is much improved in health.

Betterton Notes.

The ladies of the M. E. Church held a very successful supper and festival last Saturday, the receipts of the evening being about $60. The Epworth League held a "parcel post sale" in connection with the supper. There were 45 packages sold, all of which had been sent by parcels post and sold without being unwrapped.

Mr. and Mrs. E Cordray Loud gave a dance at the Amusea Pier last Friday evening, at which many of their friends were present from Betterton, Chestertown and Baltimore.

Carpenters are completing the drug store and ice cream parlor that is being erected for Dr. J. J. Nurkin in the Amusea Pier. Dr. Nurkin came to Betterton as a stranger, although highly recommended, less than two years ago, and has, by his genial manner and medcal ability, won the confidence and good will of the people. He has now a well-equipped drug store on Ericsson avenue and an extensive practice in the surrounding county as well as in Betterton.

Mr. and Mrs. Walter Crew, Mr. and Mrs. Rhoten Crew, Mr. Harry Crew and Mrs. R. H. Taylor have each spent a part of the week with their mother, Mrs. J. H. Crew, who is at the University of Md. for treatment.

Mr. and Mrs. F. S. Groves, of Philadelphia, have spent the past week at their home in Betterton.

Mr. Charles Gooding, Jr., spent the week-end with friends in Betterton.

A fine bull belonging to Mr. Linwood A. Sutton, of near town, became unmanageable at the Md. Del. & Va., wharf last Friday morning, got away from the deck hands who were trying to get him aboard the Ford, fell overboard and was "fished" out. He died from the effects of the severe struggle shortly after being hauled ashore. The animal was being shipped to Baltimore, and was quite a heavy loss to Mr. Sutton.
