UNDER THE STARS AND STRIPES

The following letter comes from Sergeant Colin F. Duyer, who a few days prior to the date of March 12, when the letter was written, returned from a trip to Monte Carlo, Nice and Paris:

I sure had a wonderful time and now that its all over I guess its up to me to settle down and soldier for the balance of my stay in France.

The scenery and the weather along the coast from Marseilles to the Italian border were enough to make most anyone glad to be alive. I left this small town, where we are billeted, with the ground covered with snow, and when we arrived at Marseilles there was just as much difference as day from night.

We have been informed that our Division was moved up three weeks on the sailing list, which makes the time for our departure about the middle of May. We were scheduled to leave in June. If the present schedule is carried out possibly we will be home by the first of June, or will be in the states anyway.

I intend to ride over and see Bates Russell and Fred Ford on Sunday, if the weather is good, as I have never seen either of them since I left Camp McClellan.

I saw Bill Goss at Monte Carlo, and he had just gotten out of the hospital. As you already know he was shot through the leg in several places by a Bosh machine gunner. He seems to be alright now.

Capt. Jarman left the other day for some university in England. I think he will stay there to take up some special course until the Division is ready to sail for the states.

Private Harold Matthews, of Camp Meade, is the guest of his parents, Mr. and Mrs. Stewart Matthews, this week. Mr. Matthews is still having trouble with his left leg, in which he was wounded, and will have to have another operation upon it in the near future.

Miss Mary Wallis, who has recently returned from France, is the guest of her sister, Mrs. W. F. Malin, and her other relatives in Kent county. Miss Wallace, who is a trained nurse, enlisted as a Red Cross nurse and went to France to aid the suffering there during the war. She has been in several hospitals that were bombed by the Germans, in one of which a number of the wounded soldiers were killed.
