This Bank has prospered on the confidence engendered by its convenience and safety features. It has always been our aim to add to these whenever possible, and to ever be on the lookout for chance of improvement.

We have provided in every way for the safety of funds entrusted to us. Recently we have added a new link to this chain of safety-insured checks.

Every Depositor of the THIRD NATIONAL BANK of Chestertown is Positively Protected against loss through fraudulent alteration of his checks.

Regardless of the pains which banks have heretofore taken in protecting their clients, there has always existed the possibility of fraudulent alteration in personal checks, but this problem has now been practically solved by the unusual protective feature which we are now offering. In adopting Super-Safety Insured checks for our bank we are in a position to offer, free of charge, a check insurance bond of $1,000.00 to each depositor with a checking account, whereby he is protected to the face value of the bond from fraudulent alteration of his personal checks.

This bond is issued by the Hartford Accident and Indemnity Company. We shall be glad to explain in detail the merits of this new service not only to new customers of the bank, but to such old customers as may be desirous of receiving this free service.

We suggest that you call and learn in detail the advantages of this new and attractive service to our banking clientele.

COUNTY AGENT'S NOTES.

Items Written by Mr. Derrick That Will Interest A Great Many Of Our Readers

The annual Kent County Exhibit and Poultry Show will probably be held November 9th, 10th and 11th this year. All Kent Countians are urged to prepare or the exhibition. Farmers, select your best corn, potatoes, wheat, hay, poultry and vegetables and make this the best Kent County Exhibit ever held.

A lot has been said during the past few years about sunbowers and corn as silage. Mr. Wm. A. Bell planted a few acres of the mixture this year and it produced a tremendous amount of silage. The sunflowers grew as high as 14½ feet. I have some pictures of same in my office should anyone want to see them.

The Creawards Farm, Rock Hall, again took many state honors with the fine lot of Durocs they took to the State Fair, while the Springfield Farm upheld Kent County's honor by taking several important Poland China prizes.

The Kent County Poultry Association met Thursday in the County Agent's Office to make arrangements for the coming Poultry Show.

County Agent Derrick arranged with Dr. Jones, State Tuberculosis Eradication Officer, to make some retests last week and out of 240 head of dairy cattle tested only four were found to be reactors. The great value of this test is in eliminating the four infected cows from the four herds in which they were found, and thus removing the infection which would otherwise spread to the other cattle.

Hog cholera is present in Rock Hall, Tolchester, Galena and Massey. Farmers are advised to have their hogs inoculated if within a mile of any outbreak of the disease, before their herd becomes infected. Others are advised to watch their herds closely and have same inoculated upon the slightest suspicion of hog cholera.

If any farmer, conducting general farming, would be interested in hiring a young man, student of agriculture in the Cornell University, please get in touch with your County Agent.

Over one hundred Kent County Boys' Club members are conducting demonstrations with calves, pure bred pigs, corn, potatoes and poultry right now. Some excellent results are being obtained and deserve the attention of the farmers of Kent County.

Mr. M. P. Edwards, Rock Hall, is conducting an alfalfa demonstration. Three and one-half acres were seeded in September, 1921. A perfect stand resulted, which has produced four good cuttings this year, totaling about seven tons of hay to the acre.

WEDDINGS

The first wedding within the Church of the Most Precious Blood, Betterton's new Catholic Church, took place on Thursday, Sept. 28, when Loretta M. Ellis, daughter of Mr. and Mrs. John H. Ellis, became the bride of Michael J. Koyne, of Baltimore. The church was beautifully decorated with flowers. Rev. J. T. Erner, of Chestertown, officiated at the nuptial mass, assisted by Rev. J. P. Fitzgerald, of Havre de Grace. Wedding breakfast was served at the Idlewhile Hotel immediately following the ceremony, after which the bride and groom left for an extended trip to points north. Upon their return, Mr. and Mrs. Michael J. Koyne will reside in Baltimore. The following were present: Mr. and Mrs. M. J. Koyne and family; Mr. and Mrs. John Ellis and family; Mrs. Lula Ellis and daughter, Mrs. Charles F. Winter, Mrs. C. T. Erdman, Mr. and Mrs. John Neunsinger, of Baltimore; Mrs. E. P. Mullan and daughter, Mrs. Mary Ellis and daughter, of Philadelphia; Mr. and Mrs. J. B. Coleman, Mr. and Mrs. C. T. Newsome, Mr. and Mrs. J. H. O. Stokes, Mr. B. Scott Stokes, Mrs. Howell C. Crew and wife, Mr. John McCormock and wife, of Betterton; Miss Mary T. Earner and Miss Annie R. Earner, of Chestertown.

Burned To Death

Mrs. Katie Allaband was burned to death one day last week at her home near Greensboro, when gasoline poured into wash water exploded. No one was in the house at the time, Mrs. Allaband having just sent the colored girl out to feed the chickens. When Mrs. Allaband ran out of the house screaming and enveloped in flames her husband, who was in the wagon shed, ran to her assistance and threw a blanket about her and extinguished the flames, but she had fallen unconscious at the corner of the house and died shortly. Her husband was also badly burned.

—Little self-denials, little honesties, little passing words of sympathy, little nameless acts of kindness, little silent victories over favorite temptation—these are the threads of gold which, when woven together, gleam out so brightly in the pattern of life that God approves.—Farrar.

—Mr. L. B. Russell has been getting the results of the world's baseball series by radio and showing them in front of Lyceum Theatre to the public.
