WASHINGTON NINE SCORES 8-6 TRIUMPH OVER UNIVERSITY OF MARYLAND IN OPENING CONTEST

Shoremen Hit Ball Hard Behind Fine Pitching From Hickey Fountain, Frosh Hurler

With the teams battling cold, raw weather almost as much as each other the Washington College baseball team opened its season here last Saturday with a well-earned triumph over the strong University of Maryland nine. The score was 8-6.

Maryland, sporting victories over Cornell, Harvard and Michigan, scored in the first inning on a Washington misplay and led 1-0 until the fifth when the Shoremen put across four counters. The Old Liners, with four hits, three of them in succession, tied the count in the sixth but Washington took the lead again in the seventh with three runs and added another in the eighth. Maryland came back with a pair of counters in the ninth but couldn't sustain the rally.

Except for the sixth, when the Terps pounded his offerings right lively, young Hickey Fountain, the freshman hurler for the Shoremen, kept the situation well in hand. He, with another pair of yearlings, Huffman at catch and Eddie Turner, from Centreville, in right field, played important roles in the victory for the locals.

Big Bill Nicholson crashed out a pair of mighty triples to garner the long-distance batting honors of the day but Charlie Berry, the Shoremen's star shortstop, had three hits in three trips to the plate and Kellar, Terp centerfielder, also garnered a trio of safeties.

Nicholson's clouts were mighty, the second against a strong wind hitting the fence in right field on the first bounce. The initial triple was really a home but the Chestertown slugger was held at third by the base coach.

Washington, in winning over the Old Liners, sent the captain of that team and its star twirler, Physioc, to the showers in the seventh. He was relieved by Merriman.

Shoremen Face Penn State Here

Game To Be Started At 3 P. M.

Washington College's baseball team will entertain the nine from Penn State College here on Saturday with the coaches, players and fans hoping for an improvement in weather conditions. The cold weather, prevalent at the moment, is not conducive to good baseball.

Graduate Manager Fred W. "Dutch" Dumschott has announced that in the future all Saturday games on the local diamond will get started at 3 P. M. with the week-day games beginning at 3:30 P. M. as scheduled.

Tom Kibler was well pleased with the showing of his charges in the first games with Maryland. The Shoremen had had very little practice due to inclement weather and while the team showed to a decided advantage Kibler believes they will improve as the season progresses.
